County Commissioners' Office,
Bozeman, Montana.

The Honorable Board of County Commissioners met at the above named office on Friday the 14th day of October, A. D. 1921, at 9:00 o'clock A. M.

#

#

Those present being Hon J E Moore, Chairman, Hon B S Duncan and Hon G W Darlington, Commissioners, and J H Harris, County Clerk as Clerk to the Board.

#

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

The Board received a request from Mrs Lovie M Wright to be admitted to the Montana State Tuberculosis Sanitarium at Galen, Montana, for treatment and informed the board that her husband would pay all expenses incurred. Motion made by Com Darlington, seconded by Com Duncan and carried that the Board make application to Galen for the admittance of Mrs Lovie M Wright for treatment, and that a contract be drawn up between Mr Joseph E Wright, her husband and the County for the payment of all expenses incurred in the treatment of Mrs Lovie M Wright.

#

#

R V Spain met with the Board and informed them that he was willing to have three men appointed to act as arbitrators in determining the amount of damage done to him by the steam shovel setting fire to his field.

Motion made by Com Duncan, seconded by Com Darlington and carried that the board name West Davis as the man to represent the County.

#

#

Motion made by Com Darlington, seconded by Com Duncan and carried that the Board accompanied by Surveyor Waldorf inspect the work done on Biering Hill by Supervisor Hoell; the Board reported this work satisfactory.

#

#

Supervisor Hoell reported a culvert on Yellowstone Trail near his place broken; the Board inspected same and decided to put in a 24" Armco culvert in place of this one and ordered Supervisor Hoell to do this work, and agreed to send out culvert by the truck.

#

#

Mr Wm Todd met with the Board and stated that the Contractor on Project #76 was claiming some of his land as a borrow pit; the Board took this matter up with Engineer Rader who agreed to investigate same at once.

#

#

Mr McGee who is working on the Sour Dough Project asked the Board to come to this work and inspect same, stating that in his opinion there was not sufficient gravel to cover a fourteen foot road and should be changed to a ten foot road.

The Board inspected same and decided the road should be made as previously laid out.

#

#

Mr Geo Carter called relative to contractor on Project #76 taking road on his place other than that donated by him on the south side of his bridge and asked the board to investigate same.

The Board ordered Com Moore to inspect same and he reported that he informed Engineer Rader who made an investigation and said to let the road stand as it now is and build approaches from new bridge leading to north facing the above road and road up and down.

#

#

Com Moore met with Supervisor Cloninger and ordered him to repair a culvert south of the Black ranch on road running down toward Bear Creek, work to be done as soon as possible.

Motion made by Com Darlington, seconded by Com Duncan and carried that the Board forward to G W Lanstrum warrants in the sum of \$1900 to apply on F A Project #12 and receipt for \$200, which contractor Story agreed to accept from Dick Hays, a Three Forks citizen who had pledged this amount; the Board sent itemized statement of all moneys forwarded on this Project and ordered a copy filed.

Those present being Hon J E Moore, Chairman, Hon B S Duncan and Hon G W Darlington, Commissioners, and J H Harris, County Clerk as Clerk to the Board.

#

The following proceedings were had and done, to-wit:-

#

The minutes of the last meeting were read and ordered approved.

#

The Board ordered Com Darlington to interview City Engineer Taylor of Three Forks relative to the over-flow from the city water works reservoir which had been reported to the Board by Mr Seiffert.

Com Darlington reported that City Engineer Taylor informed him that this matter had been attended and a culvert placed to protect the road.

#

A A Bridges met with the Board stating that Mr R V Spain had asked him to act for him in determining the amount of damages caused by drag line setting fire to his field; Mr Bridges stated he did not care to act as a member of the Board of Arbitrators and had discussed the matter thoroughly with Mr Spain who had agreed to accept the sum of \$225.00 to cover his entire lost.

Motion made by Com Duncan, seconded by Com Darlington and unanimously carried that the board agree to allow Mr Spain \$225. for damages and ordered claim and warrant made in favor of Mr Spain for this amount.

#

The Board ordered Com Duncan to inspect the work being done by Supervisor Parsons near Huffine Station; Com Duncan reported work satisfactory.

#

Com Duncan met with farmers from the vicinity of Dry Creek and Flathead relative to the gravelling of road connecting with north end of Project #40 and running west. Com Duncan reported that the farmers agreed to take this matter up further.

#

Peter Douma met with the Board relative to right-of-way through his place and stated that he was willing to give deed to county for said right-of-way as soon as the money was paid to him; the Board informed Mr Douma that part of this money was to be raised by private subscription and that the Board would make a special effort to collect same and would then settle with him.

#

Mr Ben Hager informed the Board that his company was ready to go through the west line of the J E McDonald ranch and that Mr McDonald insisted that the county build fences on north side of road as soon as possible; this work being on Project #82 and Mr Hager representing Nelson Story Jr, Contractor.

The Board informed Mr Hager that same would be taken up as soon as possible.

#

Roy Border met with the Board and stated that Harding and Bassford grading crew had passed his place and it would be necessary for four small culverts to be placed in road crossing into his ranch; also stated that two culverts had been broken and asked that same be repaired. The Board agreed to attend to these matters.

#

#

Roadmaster Nordquist of the Nor Pac Ry Co met with the Board and requested that the county apply for an easement for road right-of-way over the railroad right-of-way on the west end of Project #82.
The Board took same under advisement.

#

#

Nick Aajker met with the Board and stated that he had a deposit of gravel on his ranch that he believed would be valuable for use on the Permanent Highway Project from Bozeman southwest on Salesville Road.
The Board agreed to investigate same at an early date.

#

#

The Board received a warranty deed from John Christian Steingruber for a piece of ground to be used as a borrow pit on Project #76 and described as follows:-
Beginning at a point in the northeast quarter of the southeast quarter of section ten, Twp 3 S, Range 4 E, from which the east quarter corner of said section ten bears north 20 feet, thence easterly 826 feet along the east and west center line of said section ten to the said west quarter corner; thence from said point of beginning S 86° 16' west, a distance of 496 feet, more or less, to a point in the west line of the said northeast quarter of the southeast quarter; thence southerly along the west line of said northeast quarter of the southeast quarter a distance of 50 feet; thence North 86° 16' east, a distance of 439.5 feet; thence north 43° 44' east, a distance of 74 feet, more or less, to the point of beginning, containing in all 0.5 acre, more or less.
Consideration being at the rate of \$150. per acre or a total of \$75.
The Board ordered deed recorded and filed.

#

#

Motion made by Com Duncan, seconded by Com Darlington and carried that the Board make application to the State Highway Commission for 5,000 pounds of three inch barbed twisted wire.
Commissioner Lanstrum informed the Board that this would be about three cents per pound and same would be ordered shipped from Deer Lodge at once.

#

#

W I Brownell and Geo R Taylor met with the Board relative to Voluntary Improvement District Number Two; the Board ordered a contract drawn up and Mr Brownell and Mr Taylor agreed to circulate same for signers and stated they would inform the Board whether or not they could secure enough signers to go ahead with this work.

#

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

The Board received word from Dr Vidal at the Montana State Tuberculosis Sanitarium that Mrs Loviem Wright could now be admitted. The Board met with Mr Jos E Wright, husband of Mrs Lovie M Wright, who signed an agreement whereby he would reimburse Gallatin County monthly for all expense incurred in the treatment of his wife, Lovie M Wright. The Board ordered agreement filed.

#

#

Mr A H Stafford met with the Board and stated that the scales at Gordon Siding were out of order and would not weigh correctly and asked that same be repaired and reinstalled.

The Board interviewed Auditor Lay who stated that he had tested these scales and same should be reinstalled.

#

#

The Board ordered Com Darlinton and Surveyor Waldorf to inspect the work being done by W H Taylor on culverts between the Muir and McLees ranches in the Madison valley. Com Darlinton reported two eight foot culverts completed and one with top on which had been left over from last year.

#

#

The Board ordered Com Darlinton and Surveyor Waldorf to investigate the culvert reported by J W McLees as being constructed on his land instead of on road right-of-way. Com Darlinton reported that Mr McLees was correct and that surveyor Waldorf had staked out new site for culvert on road right-of-way and that they had ordered W H Taylor to do the work.

The Board approved the above work.

#

#

The Board ordered Mr Taylor to construct a six foot box culvert near the McLees Home ranch over the McKinnon ditch and ordered Surveyor Waldorf to stake out same.

#

#

Coms Moore and Duncan inspected work being done on Penwell Road Project and reported same satisfactory.

#

#

Coms Moore and Duncan went over the Belgrade-Maudlow road and inspected work being done by Supervisor Parsons.

#

#

The Board interviewed Mr E U Leh at Trident relative to furnishing gravel, about 2,000 yards, for use on contemplated Voluntary Improvement District Number Three between the J E Moore and the R P Myers ranch, about one and one-fourth miles. The Board reported that Mr Leh informed them that it was now too late in the season for his company to furnish this gravel from the West Gallatin River and suggested that they take the matter up of securing this gravel from Enright, a station out of Butte, and agreed to secure what information he could relative to price and freight rates and report to the Board.

Auditor Lay interviewed Earl Parks at Willow Creek relative to securing someone to repair scales at that place.

The Board and Auditor Lay interviewed Mrs Ted Funk who is a county tubercular patient in the Three Forks hospital; Mrs Funk informed the Board that if she and her children could be sent to her home in Bentonville, Arkansas, they would be taken care of without further expense to Gallatin County.

After considering the matter and deeming it less expensive to send Mrs Funk to her home than to care for her and her family here, it was moved by Com Darlinton, seconded by Com Duncan and unanimously carried that the Board order Auditor Lay to make arrangements for transportation.

Motion made by Com Duncan, seconded by Com Darlinton and carried that the Board order the Clerk to advertise for 200,000 feet of Native Fir Lumber, bids to be opened at 1:30 o'clock P. M. on the 31st day of October, 1921, and order the county surveyor to prepare plans and specifications for same.

#

Supervisor Rugman called and asked that the Board come to the Central Park Bridge and inspect work he had done on the cribbing below bridge. This the Board agreed to do.

The Board inspected the crib work on Central Park Bridge being done by Supervisor Rugman and reported this work satisfactory.

#

Motion made by Com Duncan, seconded by Com Darlinton and carried that the Board order Supervisor Rugman to fence the J E McDonald property along Project #82 and authorized him to secure the posts at Manhattan.

#

The Board ordered truck driver Neely to take two culverts to the Allsop ranch on the Salesville Road for work to be done by Supervisor Pasha, and ordered him to take lumber to Gordon Siding to be used in the scales at this point.

#

The Board accompanied by Supervisor Stephenson inspected the east Cameron Bridge and the Board laid out work at this point tearing down bridge and grading approaches to new bridge just completed by Wm Taylor; the Board ordered supervisor Rugman to assist Supervisor Stephenson in this work as soon as he was through fencing the J E McDonald property.

#

The Board inspected the work west of Belgrade near the Clark ranch being done by Supervisor Stephenson and reported same satisfactory.

#

The Board went to the Geo R Taylor ranch on the Dry Creek Road near the north end of Project #40 and interviewed Mr Taylor relative to Voluntary Improvement District #2; Mr Taylor informed the Board that after interviewing the different property owners in this district he found it was impossible to secure twenty teams as required by the county to co-operate in this improvement work. The Board declared this improvement district abandoned and ordered Brown and Conant to load the rock crusher and other county machinery being used by him on Project #40 and have same shipped into Bozeman and returned to the County Yards.

#

The Board received a petition for road from David Bell et al in SW quarter of Section 4-18-4E; as this petition did not state that right-of-way would be donated and fence built, the Board ordered same returned to Mr Bell.

#

#

The Board received a letter from the Retail Merchants Exchange signed by J R Chambers, Pres., and C S Kenyon, Sec'y. stating that complaints had been made by members of this organization that the County Agent was acting as a purchasing agent for a small number of farmers and other citizens and as the county agent is a county, state and federal officer it was unfair for him to act in this capacity when there were organizations handling the different commodities and engaged in this capacity under great expense and paying their proportion of taxes; the articles particularly mentioned being grass seed and binding twine.

Motion made by Com Duncan, seconded by Com Darlinton and carried that the Board request Mr Chambers and Mr Kenyon to meet with the Board and the County Agent to discuss in detail this letter.

R E Bodley informed this meeting that a committee from the Farm Bureau had requested him to ask for bids on grass seed and twine; that he had interviewed all organizations handling these commodities and asked them to submit a bid; that he had received bids and that Earl S Parks a merchant of Willow Creek had furnished the seed and the Oliver Stout Implement Co of Bozeman had furnished the twine.

Mr Chambers and Mr Kenyon expressed that Mr Bodley had used good business methods in the above instances and stated that if other members of the Retail Merchants Exchange wished to interview the Board he wished they would be granted an interview.

The Board informed Mr Chambers they would be glad to meet with any member of this organization and explain as they had all ready explained to him and Mr Kenyon.

#

#

The minutes of the last meeting were read and ordered approved.

#

#

Mr Mikkelson met with the Board relative to co-operation in gravelling from Bozeman City limits south past Leveridge school house about one-half mile east. The Board informed Mr Mikkelson that at present the plans would not permit of doing this work at this time but would advise him in the near future if plans could be made and suggested that he interview the people of his vicinity relative to what could be expected of them.

#

#

David Bell met with the Board relative to road petition which he had presented and which had been returned to him; the Board informed Mr Bell that this petition did not give necessary right-of-way or agree to build necessary fences and that the Board insisted that right-of-way be donated free and fences constructed without cost to the County.

#

#

Mr Breeden met with the Board relative to side walks leading from Bozeman City limits west and stated that same were dangerous and unsafe. The Board advised Mr Breeden to ascertain what his neighbors would do toward building cement side walks past their houses and stated that the county would co-operate with them in some safe form of walk. Mr Breeden agreed to report to the Board.

#

#

Motion made by Com Darlinton, seconded by Com Moore and carried that the Board endeavor to locate gravel deposits along Sour Dough Project. The Board reported locating a gravel deposit on the Mikkelson property along creek channell and decided to negotiate with Mr Mikkelson for same, this gravel to be used on Sour Dough Project.

#

#

The Board loaned the county cook car to Pete Nelson while constructing two small bridges on Sour Dough Project.

#

#

Messrs Overstreet, John Aajker and Ezra Alsop reported to the Board that the large cement culvert being constructed on Project #76 through which the Farmers Canal water flows was not large enough for the amount of water owned by this Company which is 10,000 inches. The Board agreed to take this matter up with Engr Rader.

Those present being Hon J E Moore, Chairman, Hon B S Duncan and Hon G W Darlington, Commissioners, and J H Harris, County Clerk as Clerk to the Board.

#

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

Motion made by Com Duncan, seconded by Com Darlington and unanimously carried that the Board order Treasurer Bell to cancel the taxes of Eli Rogers on Lots 25 and 26 and 27-Block C-Beall's 2nd Addition to Bozeman in the sum of \$5.36.

#

#

After investigating the culvert in front of Pat Gaffney's house on the Huffine Lane reported by Mr Freeman to be in bad condition, the Board ordered Mr Harrison to lengthen same, the cost of construction to be \$25.00, it being agreed that any additional work ordered to be paid in proportion to amount of work done for this sum.

#

#

The Board accompanied by Engr Rader went to west of Salesville and east of the new Bridge on Project #76 to inspect ditch of Farmers Canal where cement culvert is being constructed and which was reported to the Board as being too small, the ditch company owning 10,000 inches of water right. After investigation it was decided by Engr Rader and Engr Black to build a double culvert long enough to care for the 10,000 inches of water.

#

#

The matter of the material for the approaches to Project #76 from road to north and west, same to be purchased by the Board from Geo Carter. Mr Rader informed the Board that it would not be necessary to molest flume or ditch of Mr Carter to get earth for fill.

#

#

Jas Linker reported a broken culvert near the Freel ranch on Trail Creek road; the Board ordered Mr Linker to repair same.

#

#

The Board inspected the work on scales at Gordon Siding just completed by J D Werling and reported same satisfactory.

#

#

Mrs Green complained to the Board of approaches to scales at Gordon Siding in front of her place as being a nuisance and of road being too narrow alongside of scales to drive and said same was unsafe.

In the judgment of the Board the Board deemed road and grade improved by the work done by Supervisor Hoell at this point.

#

#

Mr Frank R Pike requested the Board to accompany him near his place near the Advent Settlement stating water came down from Bear Canyon and over-flowed his place and wished the Board to investigate same.

Mr Pike asked the Board to fix drain in road above his ranch and have Supervisor Hoell lower culvert so as to drain water from road and agreed to put ditch on east side of his place running north to Northern Pacific Railway to carry extra water from road. The Board ordered Supervisor Hoell to do the above work.

#

#

Com Darlington reported to the Board that several residents of Willow Creek had requested him to take up with the Board and interview Engr Rader relative to the matter if it would be possible for the State Highway Commission to make a survey through Jefferson River Canyon from Sappington to Cardwell with a view to putting the Yellowstone Trail through that route.

Engr Rader informed the Board that he would take this matter up with the State Highway Commission but owing to the fact that both Madison and Jefferson Counties had refused to co-operate in making road he believed same to be impractical until the State had sufficient funds to make a state highway of this road and under the circumstances he thought it doubtful if the State Highway Commission would go to the expense of making a complete survey.

#

#

The Board inspected the work being done at the Blacksmith shop.

#

#

The Board inspected the work on Sour Dough Project and reported same progressing satisfactorily.

#

#

Motion made by Com Darlinton, seconded by Com. Duncan and carried that the Board ask for private bids for the dismantling of steel in East Cameron Bridge over West Gallatin River in Section 22, 1 S, R 4 E, and erecting same at the Penwell Bridge over East Gallatin River in Section 29, 1 N, 5 E.

NOTICE TO LUMBER CONTRACTORS

County Clerk's Office, Bozeman, Montana.

Sealed bids will be received at the office of the County Clerk of Gallatin County, Montana, until 1:30 o'clock p. m. on the 31st day of October, 1921, for the furnishing of 200,000 feet of native fir bridge lumber, same to be four inches thick, not less than eight inches wide and 16 feet long.

Instructions to bidders, specifications and form of proposal are on file at the office of S. D. Waldorf, County Surveyor, and may be seen at his office or will be furnished on request.

Bids must be accompanied by a certified check for 10 per cent of the amount of the bid, made payable to the County Clerk of Gallatin County, said check to be forfeited should the successful bidder fail to enter into a contract and give bond within ten (10) days after the awarding of the contract.

The Board of County Commissioners reserves the right to reject any or all bids.

By order of the Board of County Commissioners.

By J. H. HARRIS,

Clerk and Recorder Gallatin County, Montana.

Dated at Bozeman, Montana, this 21st day of October, 1921.

The hour having arrived for the opening of bids for the furnishing of 200,000 feet of lumber as per advertisement in the Bozeman Chronicle, the official County paper, a copy of which is hereto attached and made a part of these proceedings, the following bids were received and opened:-

Bid of A E Cramer:-

90,000 feet at Bozeman, 30,000 feet at Manhattan and 30,000 feet at Belgrade at the rate of \$32.00 per M; and 20,000 feet at Springhill at the rate of \$30.00 per M. and 30,000 feet at Three Forks at \$35. per M.; all conditioned upon being awarded the 200,000 feet.

Bid of Brackett Creek Lumber Co:-

90,000 feet at Bozeman at the rate of \$30.00 per M.

Bid of Martin Ryan:-

20,000 feet at Springhill at the rate of \$25.00 per M and 30,000 feet at Belgrade at the rate of \$25.00 per M.

Bid of Geo H Brown:-

90,000 feet Native Fir Lumber at Bozeman via cars at \$30.00 per M.

After fully considering all bids motion made by Com Darlinton, seconded by Com Moore and carried that the Board award Martin Ryan 20,000 feet delivered at Springhill at \$25.00 per M and 30,000 feet at Belgrade at \$25.00 per M.;

A E Cramer 30,000 at \$32.00 per M delivered at Manhattan;

Geo H Brown 60,000 feet @ \$30.00 per M delivered at Bozeman;
for Bozeman

Brackett Creek Lumber Co 30,000 feet @ \$30.00 per M and 30,000 feet in cars @ \$30.00 per M at Bozeman, to be delivered at Three Forks by the County.

Mr Cramer informed the Board that he could not furnish the lumber awarded to him unless he was awarded the entire amount; after considering the matter motion made by Com Darlinton, seconded by Com Moore and carried that the Board award to Brackett Creek Lumber Co and to Geo H Brown 15,000 feet each @ \$30.00 per M f.o.b. cars Bozeman,

Motion made by Com Darlinton, seconded by Com Moore and carried that the Board inspect the Sour Dough Road work; the Board reported this work almost completed and took up the type of road desired by residents of Sour Dough with Mr Williams, Mr Sime, Mr McGee and Mr Huff and informed these men that there was \$13,500. voted under the Bond Issue for use on Sour Dough Project, from Bozeman City Limits south two and three-fourths miles, that this sum of money was inadequate for crushed rock type of road but that it would be possible to build a sixteen foot gravel surface type and put on necessary structures on this road, leaving a balance of money of the Bond Issue voted for this particular piece of road.

The Board was informed that it was the belief of the Sour Dough Community that this would be the best type of road and if an amount remained from the money voted under the Bond Issue after this road was completed, they were in favor of having same diverted to the road in and around Patterson Siding stating that this would be beneficial to the community.

Mr McGee informed the Board that there was a deposit of gravel on his ranch and if same was sufficient the Board could use same and stated that he would prosect the ground to determine the extent of the deposit; Mr McGee and Mr Huff also agreed to ascertain how many teams could be secured in that District for use on the piece of road voted under the Bond Issue and report to the Board.

NOTICE OF SALE \$125,000.00 ROAD BONDS COUNTY OF GALLATIN, STATE OF MONTANA.

Notice is hereby given, that, in pursuance of a resolution adopted by the Board of County Commissioners of Gallatin County, Montana, on October 15, 1921, authorizing the issuance of coupon bonds hereinafter described, the said Board of County Commissioners will, on Friday the 18th day of November, 1921, at 1:00 o'clock p. m. at the County Commissioners' Room in the Court House in the City of Bozeman, Montana, receive sealed bids and sell to the highest and best bidder One Hundred and Twenty-five Thousand Dollars (\$125,000.00) Gallatin County, Montana, Road Bonds of the denomination of \$1,000.00 each, bearing interest at the rate of not exceeding six per cent per annum, payable semi-annually dated the first day of July, 1921, and becoming due on the first day of July, 1941, said bonds being redeemable as follows: The said county reserving the right to pay and redeem said Bonds on the first day of July, 1931, or on any interest payment date hereafter, both principal and interest payable at the County Treasurer's office, or, at the option of the holder, at the Hanover National Bank in the City of New York, State of New York, said bonds are to be issued by the County of Gallatin for the purpose of constructing and improving certain roads within said county. Bidders will designate in their bids the rate of interest not exceeding six per cent per annum, which said bonds are to bear. The said bonds will be printed by the said County and ready for delivery within two weeks of the time of sale and the said County will deliver to the purchaser the approving opinion of Wood and Oakley, Chicago, Illinois. All bids must be without condition or qualification and all bids other than by or on behalf of the State Board of Land Commissioners of the State of Montana must be accompanied by an unconditional certified check on some reliable bank in the amount of Four Thousand Dollars (\$4,000.00), payable to the order of the County Treasurer of the County of Gallatin. The said certified check shall be a guarantee of good faith that the amount thereof shall be forfeited to the County of Gallatin as liquidated damages by any bidder to whom the said Bonds may be awarded at such sale in the event such successful bidder shall refuse to accept said bonds and promptly make payment for said bonds upon delivery by the County at a bank designated by said purchaser; that said certified check shall be subject to payment immediately upon delivery thereof. The said bonds will not be sold for less than their par value and the Board of County Commissioners reserves the right to reject any and all bids. All bids must be addressed to the undersigned County Clerk of Gallatin County, at Bozeman, Montana.

Dated at Bozeman, Montana, this 15th day of October, 1921.

J. E. MOORE,
Chairman Board of
County Commissioners.

#

The minutes of the last meeting were read and ordered approved.

#

The Board entered into the following contract.

"This contract made and entered into this 13th day of December, A D 1921 by and between the County of Broadwater, a legal sub-division of the State of Montana, and the County of Gallatin, a legal sub-division of the State of Montana, the parties of the first part, and Hensley and Bocher, a partnership comprised of A D Hensley and William J Bocher, both of the town of Manhattan and the County of Gallatin, State of Montana, the parties of the second part,

WITNESSETH

WHEREAS an application has been made to the Board of County Commissioners of Broadwater County which is located on the left bank of the Missouri River, descending the river for a free public ferry to be constructed jointly by Broadwater and Gallatin Counties, said ferry to be operated by residents of the district to be served as they may see fit, and

WHEREAS, it has been agreed by and between the Board of County Commissioners of Broadwater County and the Board of County Commissioners of Gallatin County that it would be more expedient and less expensive to build a ferry boat to be attached and operated on a cable now existing across the Missouri River on Section 12, in Township 3 North, of Range 2 East, MPM, and

WHEREAS, the said Missouri River at said above described point is the boundary line between Broadwater and Gallatin Counties, and the building of a ferry boat or a bridge for use at said point would be a joint project and

WHEREAS, a ferry boat would be sufficient to serve the residents of that district and would be of great deal less expense both as to construction and the maintenance, and

WHEREAS, the residents of the immediate district to be served by this ferry boat have agreed to maintain and operate said ferry boat from and after its construction.

NOW THEREFORE, it is hereby agreed by and between the parties hereto.

1-That the parties of the second part shall build, construct, complete and launch a ferry boat of the following dimensions; - 60 feet long by 20 feet wide by 18 inches deep on the inner side and 20 inches deep on the outer side; that said ferry boat shall be sufficient to carry a load of twenty (20) tons dead weight; that said parties of the second part will stretch and put in order a certain cable which is known to both parties hereto and is now in place across said Missouri River at the point above described; that they will attach said ferry boat to said cable in proper order and in proper condition so that it will be completely and fully ready for use; that said ferry boat shall be built entirely of Western Fir and shall be so solidly and carefully built both as to material and workmanship as to withstand all ordinary work and to carry all ordinary loads up to twenty (20) tons dead weight, for such a period as is usual and ordinary for ferry boats of such character and use to carry and endure;

2-That the parties of the first part hereby agree to pay for said ferry boat, the sum of Eleven Hundred forty Dollars (\$1140.); one-half to be paid by the County of Broadwater and one-half of the County of Gallatin at the time said ferry boat shall have been completed and properly launched and in shape for use, and shall have been inspected and passed by duly authorized representatives of said County of Broadwater and said County of Gallatin; and the said parties of the first part further agree that they will immediately in a reasonable time after receiving notice of the full execution of the above agreements by the parties of the second part cause the said ferry boat to be inspected as it stand ready for use, and if the same be approved, will cause a warrant to be drawn on the proper fund which shall be received by the parties of the second part in full payment of this contract so far as each individual county is concerned.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals, the parties of the first part by their Chairmans of their Board of County Commissioners, and the parties of the second part each for themselves."

In the matter of the application for Federal Aid on Gallatin Canyon Road F.A.P. No. 76 Road Commissioner G W Darlinton offered the following Resolution, which on motion duly made and carried was adopted, Commissioners Moore, Darlinton and Duncan voting.

WHEREAS, Under the provisions of the Act of Congress approved July 11th, 1916, entitled "An Act to provide that the United States shall aid the States in the construction of rural post roads and for other purposes" (39 Stat 355) known as the Federal Aid Road Act, the State of Montana has been apportioned certain funds for the purposes set forth in said Act, to be expended under the supervision of the State Highway Commission, subject to the inspection and approval of the United States Secretary of Agriculture or his agents, and in accordance with the laws of the State of Montana and regulations of the said Secretary of Agriculture, and the said State Highway Commission in reference thereto, and,

WHEREAS, the County of Gallatin, through its Board of County Commissioners desires to avail itself of the benefits of said Act in the construction or improvement of that certain road in said county, known as F A H No 76 project in manner set forth in a "Project Statement" prepared and to be submitted by said State Highway Commission to said Secretary of Agriculture on behalf of said county.

THEREFORE BE IT RESOLVED, that the said county, through its duly elected, qualified and acting board of county commissioners, does hereby apply to the State Highway Commission for such Federal Aid as, together with funds to be appropriated by said county for the purpose, will pay the cost of such project, and,

BE IT FURTHER RESOLVED, that said county agrees with the State Highway Commission that in the event of the approval by the said secretary of Agriculture of the application as set forth in the project statement referred to, it will appropriate and set aside and deposit with the State Treasurer of the State of Montana the sum of Twenty three thousand and no hundredths dollars (\$23,000.00), being fifty per cent (50%) of the cost of said project as determined by reconnaissance estimate, and further agrees that if the sum so set aside or appropriated by said county is not sufficient, with the amount of Federal Aid that is received, to complete the project according to the approved plans and specifications, said county will appropriate and deposit with the State Treasurer sufficient additional funds to fully complete the project according to such plans and specifications.

BE IT FURTHER RESOLVED, that the funds so set aside and appropriated shall be expended for the purpose herein set forth under the supervision and direction of the said State Highway Commission.

BE IT FURTHER RESOLVED, that said county agrees that it will from time to time, at its own expense, perform such work and make such needed repairs on said road as will at all times maintain a reasonably smooth service, considering the type of road; it being understood that such maintenance shall not be held to include extraordinary repairs or reconstruction.

County Commissioners' Office,
Bozeman, Montana.

The Honorable Board of County Commissioners met at the above named office on Thursday the 29th day of December, A. D. 1921, at 9:00 o'clock A. M.

#

#

Those present being Hon J E Moore, Chairman, Hon B S Duncan and Hon G W Darlington, Commissioners, and J H Harris, County Clerk as Clerk to the Board.

#

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

After full consideration of all bids submitted to the Board for the hiring of the county poor farm, motion was made by Com Duncan, seconded by Com Darlington and unanimously carried that the Board award contract to George Duncan for the sum of \$125.00 per month.

#

#

Mr R Hoffman met with the Board relative to his taxes, stating he had made protest on the classification of his land prior to paying his taxes. The Board informed Mr Hoffman they would investigate and if possible would rectify any error made.

#

#

The Board received a communication requesting the Board and Engr Rader of the State Highway Commission to meet with a committee from Three Forks and Willow Creek relative to road work voted under the Bond Issue. The Board agreed to meet with them at Three Forks on Friday, December 30th.

#

#

Fred W McKay met with the Board relative to securing fire insurance from the County; the Board suggested that Mr McKay get the insurance men of Bozeman together and endeavor to get an equitable basis for distribution of county insurance, and then meet with the Board at which time they would endeavor to pro rata this insurance amongst the different companies. This Mr McKay agreed to do.

#

#

Mr Cass informed the Board that he would sell the wood saw the County has been using for the sum of \$35.00. Motion made by Com Duncan, seconded by Com Darlington and carried that the Board purchase this saw.

#

#

The Board received a letter from F F Thieme, District Engineer, to Forest Supervisor saying that the Bureau of Public Roads Office was considering the road construction work for the coming year and that they deemed it desirable to continue the construction of the West Gallatin Project to the extent of three or four projects; that they did not believe the county would be required to co-operate on 50% cooperation but at this time could not say what basis would be required account of new road appropriation; that they would suggest that Forest Supervisor suggest to the Board that it endeavor to raise \$30,000 for this work if desirous of continuing same and they would endeavor to meet this amount, and did not deem it advisable at this time to approach the County on any other basis than approximately 50% cooperation, and that this project was not included within the State of Montana's 7 percent system.

After giving this letter full consideration, motion was made by Com Darlington, seconded by Com Duncan and unanimously carried that the Board write Forest Supervisor an outline of this work showing that in 1917 the Board signed an application for Federal Aid on the West Gallatin Road, that as rapidly as the financial status of the county and the law would permit, funds were set aside for the County's share of this work; that construction was started in 1919 and that to date nine projects were completed; that as a result of after-the-war prices and other reasons the \$140,000 originally estimated and of which \$90,000 was now spent, considerable less mileage was completed than estimated and the County had expended \$20,000 more than originally planned; that the condition of the County's finances at this time will not render it advisable for the County to participate further in the construction of the West Gallatin Road; that the Board believed this road should be completed as it was a connection link between the two National Parks, and connected the south extreme of the county with the County Seats, besides being a scenic route and tapped one of the big hunting grounds; that in view of the fact that practically all of the road constructed to date and all of that part yet to be built lies within the National Forest Boundary that the Forestry Department, if possible, construct the balance of the road entirely from Government funds.

Motion made by Com Darlinton, seconded by Com Duncan and carried that the Board enter into the following agreement with George Duncan :-

THIS AGREEMENT, made and entered into this 26th day of January, A. D. 1922, by and between the County of Gallatin, a legal subdivision of the State of Montana, by its Board of County Commissioners, party of the first part, and George Duncan, of the County of Gallatin, State of Montana, party of the second part;

WITNESSETH:

WHEREAS, on the 5th day of January, 1922, a contract was entered into between the parties hereto for the care of the Poor Farm and for the services of the party of the second part herein as Superintendent of the Poor Farm; and,

WHEREAS by that contract, the County of Gallatin was to furnish all of the necessaries and stock and the like; and

WHEREAS, the party of the second part hereto is now the owner of one horse and one mare, one cow, one wagon and one set of heavy double harness; and

WHEREAS, the party of the first part hereto desires to purchase and secure the use of said articles;

NOW, THEREFORE, the said George Duncan hereby sells, sets over, transfers and conveys unto the party of the first part herein, one horse and one mare for the sum of \$137.50 each, said horses being each branded on the right shoulder, and said George Duncan hereby sells, sets over and transfers to the County of Gallatin, for the sum of \$75.00, one cow, branded on the right hip, and said George Duncan agrees to permit the County the use of one wagon and one set of heavy double harness free of cost to the County while he shall remain Superintendent, as aforesaid, of the County Poor Farm;

IT BEING MUTUALLY UNDERSTOOD AND AGREED and a part of the cause and consideration for this agreement that, at the time said George Duncan shall cease to be Superintendent of the said County Poor Farm under the agreement hereinbefore mentioned, as entered into on the 5th day of January, 1922, he shall and must repurchase from the County of Gallatin said horse and mare, each branded, as aforesaid, on the right shoulder, each for the sum of \$137.50, and shall repurchase from the County of Gallatin the said cow, branded, as aforesaid, on the right hip for the sum of \$75.00;

That the signing of this Agreement by the party of the second part hereto is, and shall be, receipt in full for the said sums of \$137.50 each for one horse and one mare and \$75.00 for one cow, being a total of \$350.00;

IN WITNESS WHEREOF the County of Gallatin has caused these presents to be executed by its Board of County Commissioners by its Chairman and Clerk, and said George Duncan has hereto affixed his signature in duplicate all as of the day and year first above written.

The Board and members of the Farmers Canal met relative to a certain ditch on the east side of the County road near the Harry L Smith ranch; after discussing this matter the Board presented a Lease with Gallatin County party of the first part, and Farmers Canal Company and R A Walton, parties of the second part to the effect that as Gallatin County is the owner of certain ground for the purpose of a road 40 feet wide in Sections One and Two, Township Two South, Range Five East, and the parties of the second part are joint owners of a certain ditch which formerly ran adjacent to the said county road and which has now shifted into said roadway; that the said parties enter into a Lease for the term of five years for the purpose of determining and saving title to the ground belonging to Gallatin County and to permit the parties of the second part to maintain said ditch, and that at the end of said five years the parties of the second part agree to remove said ditch if Gallatin County so desires.

After further consideration of the Lease the members of the Farmers Canal Company refused to sign this Lease.

The Board notified Mr Harry L Smith of the action of the Board and suggested that if he cared to take this matter up further to do so with the Farmers Canal Company.

The matter of a reduction of salaries of deputies was taken up with the different officials of the County and the County Attorney was requested to give an opinion as to whether or not the Board of Commissioners had the power to reduce the salaries of deputies. Thos Young, deputy sheriff of Three Forks, was interviewed as to whether or not he would consider a reduction in his salary; Mr Young informed the Board that he could not consider acting as deputy sheriff at a less salary than what he is now receiving according to law.

The Board received the following from Attorney Bunker relative to the power of the Board of County Commissioners to reduce the salaries of deputies.

"The Sixteenth Legislative Assembly, 1919, amended Section 3118, Revised Codes of Montana, 1907, as it was amended by Chapter 85 of the Session Laws of 1909, and Chapter 132 of the Session Laws of 1911; by that Chapter 222, Laws of the Sixteenth Legislative Assembly, the salaries of the Deputies are fixed in each instance at a minimum; that is, each and every salary stated reads so that it is preceded by the words: "At a rate of not less than", so that, by the first Section of that Chapter, each rate named is the minimum rate under which the County Commissioners may not go in fixing compensation of the Deputies name; the second Section in that Chapter states that the Commissioners shall have power to fix the compensation allowed any Deputy or Assistant under the Act where any Deputy or Assistant is employed for a period of less than one year and provides that the compensation shall not, in any event, be to exceed the rates fixed by this act for similar Deputies for such Deputies or Assistants who are employed for less than the year.

Chapter 204, Seventeenth Legislative Assembly, 1921, amends Section 2 of Chapter 222 of the Sixteenth Legislative Assembly, 1919, so that it reads: "That the Board of County Commissioners have the power to fix compensation allowed any Deputy or Assistant under this Act" and then goes on to provide that where any Deputy or Assistant is employed for less than a year, they shall receive compensation only for that portion of the year which they actually work and further provides that the rate of such compensation shall, in no event, exceed the rate fixed for similar Deputies or Assistants which would be the minimum rate for such similar Deputies or Assistants and, then, further provides that the Board shall have power to fix and determine the number of all Deputy County officers, provided, however, that the number of said Deputies shall not be greater than the maximum fixed by law.

Chapter 204 does not give the Board of County Commissioners any authority to fix the salary of Deputies or Assistants at a rate that is lower than the minimum rate as fixed by Chapter 222 of the Sixteenth Legislative Assembly but merely gives them the power to fix any rate that they may see fit above that; the payment of a salary to any Deputy or Assistant at a less rate than that fixed by Chapter 222, except that the Deputy or Assistant be such Deputy or Assistant for a period of less than one year, would be illegal and I believe that the Examiner would be derelict in his duty if he did not make note of such matter and object to it.

Motion made by Com Darlinton, seconded by Com Duncan and unanimously carried that the Board order the salaries of deputies to remain as now placed by law.

#

#

Dr Kading, County Health Officer, reported that Mrs Geo Gates had the small pox and had no means to take care of herself; the Board ordered Auditor Lay to investigate this case and to call Dr Piedalue, County Physician, to attend her.

This Lease being for right-of-way along Projects M-N-O-D. #

Treasurer Bell presented a communication to the Board from the Northern Pacific Railway Company asking for a refund of \$93.41 account of erroneous payment. The Board ordered Treasurer Bell to take the matter up with the State Treasurer and ascertain if it would be possible to collect that portion of the taxes paid to the State. #

W J Durston met with the Board relative to the connecting of city water main to the water connection on his farm to extend same to the County Poor Farm; Mr Durston informed the Board he would rather this water connection would not cross his property but would ask no compensation if same was necessary but insisted that the County select right-of-way along county road and not interfere with his interests. The Board agreed to take this matter up and compile cost of this construction. #

The Board adjourned at 5:00 o'clock P. M. #

The Honorable Board of County Commissioners met at the above named office on Monday the 20th day of February, A. D. 1922, at 9:00 o'clock A. M.

#

#

Those present being Hon J E Moore, Chairman, Hon B S Duncan and Hon G W Darlinton, Commissioners, and J H Harris, County Clerk as Clerk to the Board.

#

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

Com Moore reported to the Board that on Saturday, February 18th, Supervisor Stephenson of Belgrade met with him relative to coming road work and stated he would like to be appointed as full time maintainer or road supervisor or both on some road in his vicinity; also informed him there was a plow belonging to Gallatin County near the Vandyke ranch in the Helland Settlement; that Wm Taylor met with him and asked if it was the intention of the county for him to continue the culvert work on the Madison Valley which he did not complete last fall and that he informed him he thought it was the desire of the Board that he should complete this work according to his contract and that the Board would notify him of their intentions; Mr Taylor further stated he expected to paint the steel of the east Cameron bridge as soon as possible and Com Moore informed him that the Board might want him to paint the Fenwell Bridge also; Com Moore reported that Supervisor Collett met with him relative to bridge near the Blanchard ranch up West Gallatin Canyon and stated that he had taken out logs to repair abutment and would make repairs as soon as weather would permit; and that Mr Collett made application for road supervisor. Motion made by Com Darlinton, seconded by Com Duncan and carried that the Board approve the above work.

#

#

Com Moore reported to the Board that on Saturday, February 18th, Supervisor Cloninger met with him and asked for permission to run a telephone line from Salesville due west crossing the river at the Carter Bridge and west to south side to his ranch along hill road. Com Moore informed Mr Cloninger the Board would take this permit up at their next meeting. The Board approved the above work.

Motion made by Com Duncan, seconded by Com Darlinton and carried that the Board grant this permit to Mr Cloninger.

#

#

Com Darlinton reported that on Saturday, February 18th he met with Mr Lanstrum, Mr Edy and Mr Spann of the State Highway Commission, Mr Lynch of the Bureau of Public Roads, and a committee from Three Forks and Willow Creek, at Helena and Project #169 was discussed, also Project Q of the Bond Issue; Mr Lanstrum stated that Mr H G Dunbar had threatened to serve injunction against the construction of Project #169 and that until a decision was made in court in the matter he would decline to sign contract for the construction of this Project, and advised that a friendly suit be filed to test the legality of change in location and type of surface, and advised that this be done at as early a date as possible and he would advertise same and sign contract if a favorable decision was rendered in the lower court.

Com Darlinton informed the Board that he interviewed Attorney General Rankin relative to Project #169 and was informed that if it was to the benefit and best interests of the citizens of Gallatin County and do the most good to the most people; he believed the Board would be justified in the change of location and type of surface on this Project, and that he was willing to give a written opinion to this effect.

#

#

Com Darlinton reported that with reference to Project Q-out of Willow Creek-Mr Lanstrum informed him that the Harrison-Cardwell Project in Madison County might still be designated as the permanent route for the Yellowstone Trail and if this was done it would settle the location for Project Q where it now is near Willow Creek, and advised that no action be taken regarding this Project until the Harrison-Cardwell or Jefferson Canyon route was definitely designated as a permanent route.

The Board approved the above work of Com Darlinton.

#

#

Motion made by Com Darlinton, seconded by Com Duncan and carried that the Board advise the State Highway Commission that they had decided to have a friendly suit filed to test the legality of change in location and type of surface of Project #169.

#

#

Paul Brittan met with the Board relative to cattle slaughtered stating that he had taken up the matter of compensation for same with the State Veterinarian but had received none to date and asked if the Board would not take the matter up for him; the Board advised him to write the office at Helena and if he received no reply they would take the matter up for him.

RESOLUTION IN RE: AMERICAN NATIONAL BANK, THREE FORKS.

WHEREAS the American National Bank of Three Forks, County of Gallatin, State of Montana, was, by Resolution of its Board of Directors, closed at 5:00 o'clock P. M. on the 8th day of February, 1922, and said Bank is now in the hands of T W Dwyer, National Bank Examiner; AND WHEREAS, the County Treasurer of the County of Gallatin, State of Montana, did have on deposit in said Bank on said date public moneys of the County of Gallatin in the sum of \$14,326.09; AND WHEREAS, pursuant to the provisions of Section 4767, Political Code, Revised Codes of Montana, 1921, the deposit of said fund, so held by the American National Bank of Three Forks, is secured by a bond taken by the County Treasurer to insure the safe and prompt payment of such deposit on demand, to-wit: the bond of the United States Fidelity and Guaranty Company in the sum of \$15,000.00, executed to J H Harris, as County Treasurer and unto his successors in office and unto the State of Montana, dated March 2, 1917, which bond was executed and delivered pursuant to the order of the Board of County Commissioners made and given on the 5th day of March, 1917, and was duly approved by the Board of County Commissioners on the 16th day of March, 1917, and was in full force and effect on the 8th day of February; that the principal in said bond was originally the Three Valleys State Bank of Three Forks; that, after the execution of said bond, the Three Valleys State Bank was reorganized as a National Bank under the name of the American National Bank of Three Forks, and said bond was, annually, renewed by a certificate of renewal for and on behalf of the American National Bank of Three Forks; that the last certificate of renewal was made and given on the 2nd day of March, 1921, for one year, expiring on the 2nd day of March, 1922;

AND WHEREAS there is now due to the County of Gallatin the sum of \$14,326.09, together with interest at the rate of 2 1/2% on daily balances from December 31, 1921, to date;

NOW, THEREFORE, BE IT RESOLVED AND IT IS HEREBY ORDERED that W D Bell, County Treasurer of the County of Gallatin, and the successor to J H Harris, forthwith make demand upon the American National Bank of Three Forks, the United States Fidelity & Guaranty Company, for the payment of said deposit so held by the American National Bank on the 8th day of February, 1922, together with interest thereon as provided by law to date of payment; that such demand shall require payment of such deposit and interest on daily balances at the rate of 2 1/2% from the 31st day of December, 1921;

AND IT IS FURTHER ORDERED that in case payment of said deposit and interest is not made to the County Treasurer on or before the 1st day of April, 1922, the County Attorney be, and he is hereby, instructed to commence the necessary and proper action against the American National Bank, the United States Fidelity & Guaranty Company, to enforce the payment thereof;

Passed and adopted by the Board of County Commissioners at a regular session thereof held this 6th day of March, 1922.

RESOLUTION LEVYING A POLL TAX FOR THE CARE AND MAINTENANCE OF THE INDIGENT SICK, OR OTHERWISE, DEPENDENT POOR OF THE COUNTY OF GALLATIN.

WHEREAS, Paragraph 5 of Section 4465, Political Code, Revised Codes of Montana, 1921, provides: "4465" The Board of County Commissioners has jurisdiction and power under such limitations and restrictions as are provided by Law:

5. To provide for the care and maintenance of the indigent sick or otherwise dependent poor of the County; erect and maintain hospitals therefor or otherwise provide for the same; and to levy the necessary tax therefor, per capita, not exceeding \$2.00, and a tax on property not exceeding one-fifth of one per cent, or either of such levies when both are not required and to expend not to exceed five per cent of any such levy for the collection of said tax, or of any part thereof."

AND WHEREAS Section 2273, Political Code, Revised Codes of Montana, 1921, provides:

"2273 PERSONS LIABLE TO POLL TAX. Every male inhabitant of this State over twenty-one and under sixty years of age, except paupers, insane persons and Indians not taxed, must, annually, pay a poll tax of \$2.00."

AND WHEREAS the Supreme Court of the State of Montana, in the case of State, ex rel Pierce, et al, vs. Gowdy, 203 Pacific, 1115, has held and decided:

"We are of the opinion that the object of Section 4 of article 12 of our Constitution was to relegate to the several counties the whole subject of taxes for county purposes, and that thereby the legislature is denied authority to impose any tax on the inhabitants of a county for county purposes. San Francisco v. Ins. Co., 74 Cal. 113, 15 Pac. 380, 5 Am. St. Rep. 425. In view of what has been said it is not necessary to give consideration to the uniformity requirement of the Constitution. Section 11 of art. 12. Attempt being made by the act to levy a per capita tax in fixed amount, to be collected by the several counties for county purposes, we must hold it to be in excess of the legislative power, and therefore void."

AND WHEREAS there is nothing in said decision of said Supreme Court that denies to the Board of County Commissioners the power and authority to levy a poll tax, as provided by Section 4465, super, but that, on the contrary the Board of County Commissioners has such authority to levy such tax for the purposes set forth in said Section 4465, Par. 5 supra and in Sections 2273 to 2295, inclusive, Political Code, Revised Codes of Montana, 1921;

AND WHEREAS, it is deemed and considered necessary and advisable that a poll tax or per capita tax be levied on every male inhabitant of the County of Gallatin over twenty-one and under sixty years of age, except paupers, insane persons and Indians not taxed for the purposes of providing, in part, for the care and maintenance of the indigent sick, or otherwise dependent poor of the County;

NOW, THEREFORE, BE IT RESOLVED AND IT IS HEREBY ORDERED that a poll or per capita tax of \$2.00 be, and the same is hereby, levied upon every male inhabitant of the County of Gallatin over twenty-one and under sixty years of age, except paupers, insane persons and Indians not taxed;

That the collection of said tax and the distribution of the proceeds thereof be had pursuant to the provisions of Section 2274 to 2295 of the Political Code, Revised Codes of Montana, 1921, and that the Assessor, Treasurer and County Clerk be governed accordingly;

AND IT IS FURTHER ORDERED that a copy of this Resolution be delivered to and filed with the County Assessor, the County Clerk and Recorder and the County Treasurer and that they, and each of them, shall proceed with the collection of said poll or per capita tax as herein provided and according to the provisions of Sections 2274 to 2295, super.

RESOLUTION LEVYING A PER CAPITA ROAD TAX FOR THE CARE AND MAINTENANCE OF THE COUNTY ROADS WITHIN GALLATIN COUNTY .

WHEREAS Section 1617, the Political Code, Revised Codes of Montana, 1921, provides:

~~1617. Road Tax Levy - General Road Tax.~~

For the purpose of raising revenue for the construction, maintenance and improvement of public highways, the Board of County Commissioners of each County in this State shall, annually, levy and cause to be collected a general tax upon the taxable property in the County of not less than two mills and not more than five mills on the Dollar which shall be payable to the County Treasurer with other general taxes. There is, also, established a general road tax of \$2.00 per annum on each male person over the age of twenty-one years and under the age of fifty years inhabitant within the County, and payable by each person liable therefor at any time within the year. The collection of these taxes shall be under the direction of the Board of County Commissioners; taxes from free-holders to be collected the same as other taxes and from non-free-holders as Commissioners may direct; provided, that the foregoing provisions of this Section shall not apply to incorporated cities and towns which, by Ordinances, provide for the levy and collection of a like general tax and a like special tax within such cities and towns for road, street and alley purposes. The moneys collected under the provisions of this Act shall belong to the General Road Fund of the County."

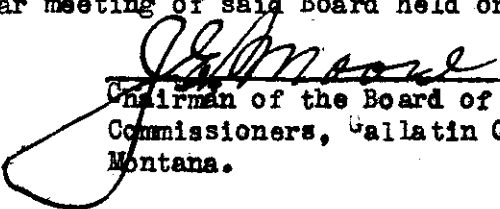

AND WHEREAS, it is deemed and considered necessary and advisable that a poll tax or per capita tax be levied on every male inhabitant of the County of Gallatin over twenty-one years of age and under the age of fifty years, except those persons between the foregoing ages living within incorporated cities and towns which have an Ordinance or Ordinances providing for the levy and collection of a general and special road tax within such cities and towns for road, street and alley purposes, for the purpose of raising revenue for the construction, maintenance and improvement of public highways;

NOW, THEREFORE, BE IT RESOLVED AND IT IS HEREBY ORDERED that a poll or per capita tax of Two Dollars (\$2.00) be, and the same is hereby, levied upon every male person over the age of twenty-one years and under the age of fifty years inhabitant within the County of Gallatin, except such male person as may be inhabitant of an incorporated city or town which, by Ordinance, provides for the levy and collection of a like per capita or poll tax within such city or town for road, street and alley purposes;

That the collection of said tax shall be had pursuant to the provisions of Section 2274 to 2294, inclusive, of the Political Code, Revised Codes of Montana, 1921, and that the Assessor, Treasurer and County Clerk be governed accordingly, keeping in mind that provision of Section 1617 which provides that taxes from free-holders are to be collected the same as other taxes and from non-free-holders as Commissioners may direct;

AND IT IS FURTHER ORDERED that a copy of this Resolution be delivered to and filed with the County Treasurer, the County Clerk and Recorder and the County Assessor, and that they, and each of them, shall proceed with the collection of said poll or per capita tax as herein provided and according to the provisions of Sections 1617, and 2274 to 2294, inclusive, of the Political Code, Revised Codes of Montana, 1921.

"THIS AGREEMENT, Made and entered into this 20th day of January, A. D. 1922, by and between the County of Gallatin, a legal subdivision of the State of Montana, the party of the first part, and Farmers' Canal Company, a corporation whose principal place of business is Bozeman, Montana, and R A Walton, of Gallatin County, Montana, the parties of the second part;

WITNESSETH:

WHEREAS the party of the first part is the owner of certain ground for the purposes of a road 40 feet wide, being 20 feet on each side of the common section line between Sections One and Two in Township Two South, Range Five east, M P M in Gallatin County, Montana; and,

WHEREAS, the Farmers' Canal Company, one of the above parties to the party of the second part, is the owner of a certain ditch which formerly ran adjacent to said roadway and which has now shifted into said roadway; and

WHEREAS R A Walton is the owner of the fence along said roadway; and

WHEREAS, the party of the first part and the parties of the second part have agreed to enter into a Lease for the term of fifteen (15) years from the date hereof for the purpose of determining and saving title to said ground in the party of the first part; and for the purpose of permitting the parties of the second part to maintain the ditch as it is now built for the period of fifteen years;

NOW, THEREFORE, the party of the first part, for and in consideration of the sum of One Dollar (\$1.00) in hand paid by the parties of the second part, the receipt whereof is hereby acknowledged, and of the covenants hereinafter provided, agrees that the said parties of the second part may maintain the said ditch on the east side of a certain roadway, being a roadway 40 feet wide and lying 20 feet on each side of the common section line between Sections One and Two, in Township Two south, Range Five east, M P M, for the period of fifteen years, beginning on the 20th day of January, A. D. 1922, and ending on the 20th day of January A. D. 1937.

The parties of the second part hereby agree that, upon the termination of this Lease by lapse of time or by notice from the party of the first part after the period herein prescribed and during their tenancy at will, if such be the case, they will remove the said ditch from the roadway and land herein described belonging to the party of the first part and fill said ditch and remove the fence now standing upon the land belonging to the County and place it upon the line between the County roadway and the adjoining property, at their own expense;

IT IS FURTHER HEREBY AGREED between the party of the first part and the parties of the second part that this Lease is made for the purpose of determining and saving title to and in the party of the first part herein, and for the purpose of permitting the parties of the second part ample time within which to remove their ditch and replace their fence so as to be no great expense to the parties of the second part;

AND IT IS FURTHER UNDERSTOOD that, if the provisions of this Lease as to removal of the ditch and rebuilding of the fence are not carried out by the parties of the second part hereto, within the time prescribed herein, any holding thereafter shall be, under the terms of this Lease and a tenancy at will, terminable by a notice in writing from the party of the first part herein by registered mail addressed to either party of the parties of the second part and deposited in the United States Postoffice at Bozeman, Montana; and, upon failure of the parties of the second part to then remove said ditch and fence hereinbefore mentioned, the party of the first part may, at its option, remove said ditch and said fence and charge the expense thereof to the parties of the second part and recover the cost as is the case of any account;

AND IT IS FURTHER UNDERSTOOD AND AGREED that this Lease does not attempt and does not set forth the proportionate and respective rights of R A Walter and Farmers' Canal Company and their title and ownerships are not considered herein by either of the parties hereto and their rights and liabilities so far as this contract is concerned as between themselves are not herein determined;

IN WITNESS WHEREOF, the party of the first part hereto has hereunto affixed its signature by its Chairman of its Board of County Commissioners, and the parties of the second part have hereto affixed their signatures, Farmers' Canal Company, a Corporation, by its President, attested by its Secretary, and R A Walton for himself.

In the matter of the application for Federal Aid on Federal Aid Project No. 169, the Three Forks-Carpenter Road Commissioner Darlington offered the following Resolution, which on motion duly made and carried was adopted, Commissioners Moore, Darlington and Duncan voting.

WHEREAS, Under the provisions of the Act of Congress approved July 11th, 1916, entitled "An Act to provide that the United States shall aid the States in the construction of rural post roads and for other purposes" (39 Stat. 355) known as the Federal Aid Road Act, the State of Montana has been apportioned certain funds for the purposes set forth in said Act, to be expended under the supervision of the State Highway Commission, subject to the inspection and approval of the United States Secretary of Agriculture or his agents and in accordance with the Laws of the State of Montana and regulations of the said Secretary of Agriculture, and the said State Highway Commission in reference thereto, and,

WHEREAS, the County of Gallatin through its Board of County Commissioners desires to avail itself of the benefits of said Act in the construction or improvement of that certain road in said county known as The Three Forks-Carpenter project in manner set forth in a "Project Statement" prepared and to be submitted by said State Highway Commission to said Secretary of Agriculture on behalf of said county.

THEREFORE BE IT RESOLVED, that the said county, through its duly elected, qualified and acting board of county commissioners, does hereby apply to the State Highway Commission for such Federal Aid as, together with funds to be appropriated by said county for the purpose, will pay the cost of such project, and,

BE IT FURTHER RESOLVED, that said county agrees with the State Highway Commission that in the event of the approval by the said Secretary of Agriculture of the application as set forth in the project statement referred to, it will appropriate and set aside and deposit with the State Treasurer of the State of Montana the sum of Thirty-one Thousand, Seven Hundred Fifty 57/100 Dollars (\$31,750.57), being 46.96% of the cost of said project as determined by reconnaissance estimate, and further agrees that if the sum so set aside or appropriated by said county is not sufficient, with the amount of Federal Aid that is received, to complete the project according to the approved plans and specifications, said county will appropriate and deposit with the State Treasurer sufficient additional funds to fully complete the project according to such plans and specifications.

BE IT FURTHER RESOLVED, that the funds so set aside and appropriated shall be expended for the purpose herein set forth under the supervision and direction of the said State Highway Commission.

BE IT FURTHER RESOLVED, that said county agrees that it will from time to time, at its own expense, perform such work and make such needed repairs on said road as will at all times maintain a reasonably smooth serviceable surface considering the type of road; it being understood that such maintenance shall not be held to include extraordinary repairs or reconstruction.

The minutes of the last meeting were read and ordered approved.

#

#

The Board was served with Notice of Appeal from Order transferring Territory from School District 68 to School District 52.

#

#

Joe Blings reported culvert and bridge in Godfrey Canyon in bad condition; board agreed to investigate same.

#

#

Com Darlington reported that on Saturday, May 13th, he inspected channel cut by Rugman at Erwin bridge and that a large head of water was going through same and work was completed; that he inspected work being done by drag line crew on Lower Madison Road; reported work progressing satisfactory; inspected road being graded by Zilliox from Logan Trestle to top of Madison Hill and work progressing very satisfactorily.

Motion made by Com Duncan, seconded by Com Darlington and carried that the Board approve the above work.

#

#

Motion made by Com Darlington, seconded by Com Duncan and unanimously carried that the Board go to Three Forks and meet with D P Fabrick and Ray Matter of Three Forks and E U Leh and Mr Andrews of Trident relative to connection of Trident Road with the Yellowstone Trail.

The Board reported that they inspected both proposed routes for this connection and it was decided that it would be satisfactory to people of Trident and Three Forks to establish connecting road from present Yellowstone Trail about one-eighth mile west of second bridge, thence south through the Douma ranch and along line between the Stovenour and Frank Gaffkey property to intersect Project 169.

The Board reported that they interviewed Mr Frank Gaffkey relative to right-of-way for Project #169; Mr Gaffkey informed them that more than four rods had been staked out for this right-of-way as originally asked for, thus segregating more of his property and making same useless; Mr Gaffkey agreed to donate right-of-way of four rods in length and the county to pay at rate of \$45. per acre for additional land used for the construction of this road and for that which is segregated from his other land and made useless.

#

#

The Board interviewed Mr D P Fabrick of the Adams Realty Co and Mr Clark Maudlin Sr relative to fence across their land on Project H. The Board reported that in view of the fact that several other land owners had refused to fence rights-of-way across their property that Mr Fabrick and Mr Maudlin stated they did not feel they should fence right-of-way across their land.

It was agreed between Mr Maudlin and the Board that the county build fence along one side of right-of-way and he construct the fence on the other side at his own expense.

It was agreed with Mr Fabrick that the County furnish fencing and that the Adams Realty Company would construct fence at their own expense across their land.

#

#

The Board advised Mr Matter to inform Mr T C Sherman that the county would accept his terms for right-of-way across his property whereby the county was to pay Mr Sherman \$50 for strip and fence right-of-way; the Board also asked Mr Matter to inform Mrs Ferrell and Mrs Kennedy and others that the county would fence rights-of-way donated by them.

#

#

The Board inspected the twelve foot bridge constructed by N P Nelson and Elmore west of Erwin Bridge road; reported same completed satisfactorily and ordered W A Stephenson to straighten small ditch east of this bridge and put in culvert to conform to change in road made necessary in the construction of bridge.

#

#

#

#

The Board met with Supervisor Rugman at Manhattan and inspected road west of Milwaukee depot; decided that this road needed grading for about one-half mile and should be raised about one foot and new culvert placed in same.

#

#

The Board went to the F Shadoan ranch on the Number Two road relative to his crossing the road with a lateral from Warm Spring Canal; the Board reported that they did not deem this necessary and so advised Mr Shadoan not to cross road with a ditch or turn water down road as he had previously done.

#

#

The Board accompanied by Supervisor Rugman went to the East Gallatin Road about three miles from the Kinckel bridge and inspected conditions there; reported culverts in bad condition and mud hole in road making road impassable; the Board ordered Supervisor Rugman to repair same as soon as possible.

#

#

The Board inspected cribbing along West Gallatin River; reported cribbing down for about three-fourths mile near Central Park Bridge and ordered Supervisor Rugman to throw in heavy trees and cable same to bank to protect bank from river.

#

#

The Board ordered Supervisor Rugman to pull out drift trees above Central Park Bridge.

#

#

The Board went to Belgrade and interviewed J J Heck relative to installing scales being put in by the County and the Town of Belgrade; Mr Heck submitted a bid of \$270; the Board interviewed Mayor Heidel relative to this bid and it was decided that this amount was too high and agreed to take the matter up with other parties.

Proposal B-	\$1120.83	
Total-		\$1120.83

After full consideration of all bids, motion made by Com Duncan, seconded by Com Darlington and unanimously carried that the contract for Proposal A be awarded to B P Melchert and for Proposal B to J N Brown N Sen, they being the lowest bidders.

Mr Brenden reported that while grader was working on Sour Dough Road making new grade a culvert had been covered up and 150 yards of his ditch thrown into grade making it impossible for him to get irrigating water across road.

The Board ordered Com Moore to investigate same and he reported that conditions were as Mr Brenden stated; the matter was taken up with Surveyor Waldorf; inspection was made and it was agreed that Surveyor Waldorf make a survey for placing culvert over road and a survey for ditch be made on Monday May 22nd.

Arrangements were made with supervisor Huff whereby he and Mr Brenden would put culvert over road and construct ditch as soon as survey was made.

Mr Copeland and Mr Miller met with the Board relative to barb wire for fencing rights-of-way along Three Forks and Willow Creek Projects; the Board agreed to take the matter up and inform the Copeland Lumber Co of their decision.

Motion made by Com Darlinton, seconded by Com Duncan and carried that the board, at the request of the Board of Broadwater County, go to Clarkston and inspect new ferry boat constructed by Booher and Hensley.

The Board reported ferry boat completed, painted and operating across the river; and that it was decided by the two Boards of Commissioners that ferry boat would operate better by moving east end of cable up river 100 feet, thereby getting better use of the river current for operation of boat.

Booher and Hensley agreed to make this change and set base of tripod in concrete and anchor with railroad rail set in concrete several feet under ground at an expense of \$200 and that it was agreed for them to do this work, they to furnish all material except any additional cable that might be needed.

It was agreed between the two Boards of Commissioners to order Booher and Hensley to cover top deck of ferry boat with asphalt to make same water proof; this work to be done on a force account basis and the two counties to furnish material.

#

#

The Board inspected road from Logan to Clarkston and in the vicinity of Clarkston, reported same in good condition.

#

#

#

#

The Board ordered Com Moore to accompany Mr Beatty and Mr Mooney over Section B of Project 44 and Section D of Project 82.

#

#

Messrs Lamson and Inabnit of Sedan met the Board and requested that the road in front of the Sedan School House be changed by moving same about 45 feet to one side of present location for a distance of about 400 feet in length in order to leave room for suitable play grounds at the school, stating that this would cost but little and would be to the betterment of the road; they further stated that the school district owned this land and all parties were agreeable to this change.

Motion made by Com Duncan, seconded by Com Darlinton and carried that the board order Supervisor Evans to make this change in the road.

#

#

Supervisor Sam Lane met the Board and discussed water conditions and road work in his district; the Board ordered him to be on guard against high water and to use all necessary means possible for the protection of bridges and to keep the Yellowstone Trail open to traffic; the Board ordered him to widen road at elbow bend on the Trident road as soon as convenient.

#

#

Martin Flynn met the Board and stated that the citizens of Logan were doing some protective work to change the channel of the Gallatin in order to throw it away from the town and asked that the County furnish them 100 pounds of powder to assist them in this work. Motion made by Com Darlinton, seconded by Com Duncan and carried that the Board authorize Mr Flynn to secure 100 pounds of powder left in the Nelson Story powder magazine by Road Supervisor Burrell.

#

#

#

Motion made by Com Darlinton, seconded by Com Duncan and carried that the Board inspect the Erwin Bridge and go over Supervisor Parsons' District with him.

The Board reported that they layed out work for Supervisor Parsons repairing hole near the Sorrells ranch, and that it was decided to change road to the east side of gulch, then to cross gulch with high culvert and cut down grade on hill and surface same with gravel. Mr Sorrells agreed to give right-of-way with exception of necessary land which would have to be taken off plowed ground, for which he asked at the rate of \$50.00 per acre.

Motion made by Com Duncan, seconded by Com Darlinton and carried that the Board agree to pay Mr Sorrells at the rate of \$50.00 per acre for land taken from his plowed ground.

The Board ordered Surveyor Waldorf to make survey for this proposed work and ordered Supervisor Parsons to do work as soon as possible.

#

#

The Board went to Lower Dry Creek and inspected Bridge on the East Gallatin near the Nelson ranch; reported bridge across north slough in very bad condition and owing to the fact that the river had changed so that channell was now dry, it was decided that a large corrugated iron culvert should be placed in slough.

This matter was taken up with Mr Nelson who stated he would like to purchase timber from old bridge and if county desired he would remove bridge and do grading necessary for placing culvert in exchange for this lumber.

Motion made by Com Duncan, seconded by Com Darlinton and carried that the Board agree to Mr Nelson's proposition.

The Board ordered the truck crew to go to Project #44 and gather up about two loads of cement rock which had accumulated there during construction and haul same to upper Sour Dough Bridge and riprap creek below bridge.

#

#

The Board met with H B McCay relative to placing a beam box on scales installed at belgade by the town of Belgrade and County of Gallatin; Mr McCay ordered same at his own expense.

#

#

The Board was informed that the west approach to bridge on Project #12 on the roadwater side was being washed out; the Board called Com Myers and notified him of same.

#

#

The Board met with Mr Marcus of the firm of Rich, Marcus and Crowe relative to iron pipe he secured from the County in 1920, also the matter of purchasing some cable from him; Mr Marcus informed the board to bill his company for this pipe and he would sell this cable to the county at a price agreeable to both parties.

#

#

The Board met with Supervisor Clark relative to the West Gallatin Canon Road; Mr Clark submitted blue prints for rights-of-way on same and arrangements were made to interview parties relative to securing deeds for said rights-of-way.

#

#

Bradley Bros met the board and requested that two 15" culverts be furnished to be placed in front of the Anderson School House to carry waste water along the road and stated they would install culverts without cost to the county.

#

#

Phil Aldritt met the Board and asked for some #8 caps, powder and about 2 shovels and 1 pick to use on work on Bear Creek; the Board ordered same furnished.

#

#

Com Darlinton inspected grading work being done on the Madison by Jake Zilliox between the Steve Mc Donnell ranch and the Anderson ranch; reported same very satisfactory.

RULES AND REGULATIONS GOVERNING THE BOARD OF EQUALIZATION.

I.

The Board of County Commissioners will sit as a Board of Equalization commencing on the third Monday in July in each year and continue in session until the business of Equalization is disposed of but not later than the second Monday in August.

II.

No assessment as returned by the Assessor shall be lowered or raised or any reductions or additions thereto or changes therein made, except as provided by Sections 2562 and 2562 inclusive, of the Political Codes of Montana, 1907, and amendments thereto.

III.

No assessment shall be lowered or reduced unless the party affected thereby or his agent makes and files with the Board a written application therefor, verified by his oath, stating the particular items sought to be lowered or reduced and the facts upon which it is claimed such reduction should be made.

IV.

No assessment shall be lowered or reduction granted unless the person or the agent making the application attend and answer all questions pertinent to the inquiry relative thereto, and the Board has authority to sub-poena such witness as it may deem in its discretion proper and necessary.

V.

The Assessor or his deputy shall be present at all sessions of the Board and aid and assist the Board in all matters that may come before it.

VI.

If the Board decides to raise or increase the assessment of any person, firm or corporation, it shall declare its intention so to do by an order regularly entered upon its minutes, which order shall designate the name of the person, firm or corporation whose assessment is to be raised or increased, the amount or quantity thereof, and the date when a hearing thereon will be had, which hearing shall be at least ten days from the date upon which the order is made, and it shall be the duty of the Clerk to notify all persons interested by letter deposited in the post office postpaid, and addressed to the person, firm or corporation interested at least ten days before the date of hearing and action is taken, of the day fixed when the said matter will be investigated, and if the person, firm or corporation, or his or their agent, fail to appear at the time specified in said notice, they will be deemed to have waived their rights and the contemplated raise or increase will be made permanent on the date of hearing without any further action by this Board.

VII.

No reductions shall be made, of any assessment of any persons, firm or corporation on account of bona fide debts owing by him or them, unless such persons, firm or corporation, has listed solvent credits and the reductions of such bona fide debts from the gross amounts of solvent credits will include only such debts secured or unsecured as may be owing by such person, firm or corporation. No debt is to be so deducted unless the statement shows the amount of such debts as stated under oath in the aggregate.

VIII.

When partial payments have been made on a trust deed, mortgage or lien, the same shall not be allowed as a reduction on any assessment unless it be shown that such payments were made prior to the first Monday in March of the year in which the assessment was made.

IX.

During the session of the Board of Equalization it may direct the Assessor to assess any taxable property that has escaped assessment or to add to the amount, number or quantity of the property when a partial or incomplete list has been returned and make and enter new assessments (at the same time cancelling previous entries), when the assessment made by him is deemed by the Board so incomplete as to render doubtful collection of a tax, provided that any proceedings hereunder shall be had as provided in Rule VI.

It is hereby declared to be the intention of this Board to raise the assessment of the following named persons on property in the amount set opposite their respective names and the time and place for hearing on said contemplated raise is hereby fixed for the 27th day of July, at 10:00 o'clock A. M. at the office of this Board in the City of Bozeman, said County and State, at which time and place the said respective persons may appear and show cause, if any there be according to law, why said raise should not be made final, and the Clerk is hereby instructed to give due and legal notice to each of said persons as provided by law.

No persons appeared and no changes were made.

Memorandum of Agreement made this 17th day of July, 1922 by and between the County Commissioners of Gallatin County, State of Montana, hereinafter called the Cooperator and the Secretary of Agriculture hereinafter called the Secretary under and pursuant to the provisions of the Federal Highway Act, and the Rules and Regulations of the Secretary of Agriculture.

Whereas the State Highway Department of the State of Montana acting for and in behalf of Gallatin County, submitted on the 19th day of December, 1917, a request for the improvement of a Forest Road; and

Whereas in accordance with the Rules and Regulations promulgated by the Secretary, plans, specifications and estimates for this road have been prepared.

NOW, THEREFORE, in consideration of the several promises to be fully performed by each as hereinafter set forth, the cooperator and the Secretary do hereby mutually agree as follows:

Article I.

Funds for the construction of said project will be made available in the following manner;

TOWIT: By the Secretary one hundred thousand dollars (\$100,000) from funds made available by Act of Congress approved November 9, 1921.

Article II.

The project covered by this Agreement includes the following road and bridges, described in detail in the annexed plans and specifications and located between station five hundred ninety (590) (approximately) and station nine hundred sixty (960) (approximately) of a survey made by the Bureau of Public Roads, in the County of Gallatin and in the Gallatin National Forest, a distance of approximately seven (7) miles. This project is locally known as the Beaver Creek Section of the West Gallatin road.

Article III.

The Secretary will construct or cause to be constructed to final completion said project in strict compliance with the plans and specifications hereto annexed and made a part hereof, in accordance with the Federal Highway Act and the Rules and Regulations of the Secretary and subject to the following conditions:

(a) It is agreed that the construction work on this project may be performed by contract or by the Secretary on his own account as may be found by the Secretary to be most advantageous to the Cooperator and the Federal Government.

(b) It is agreed that any minor changes in grade or alignment due to unforeseen contingencies or made desirable by conditions developing during the progress of the work may be made by the Secretary or his authorized representative, and

(c) It is agreed that the work covered by this agreement will be undertaken as promptly as may, in the opinion of the Secretary, be in the interest of the Cooperator and the Federal Government and that it will be carried on to completion with all reasonable speed.

Article IV.

Payment. As the work covered by this agreement progresses, the Secretary will from time to time draw warrants on the Secretary of the Treasury for the payment of the cost thereof.

When the work covered by this agreement has been completed, and whenever during the prosecution of the work formal request for same is made, the Secretary will prepare and submit to the Cooperator, a detailed statement of all expenditures made.

Article V.

The Secretary will maintain said project out of the balance of any funds herein provided or from any Federal funds which have been, or will be, made available and for a period of two years after completion of construction.

In witness whereof the parties hereunto have affixed their signatures and official seals, the Cooperator on the day and year first above written, and the Secretary on the 17th day of July, 1922.

The minutes of the last meeting were read and ordered approved.

The Board met for the purpose of discussing the number of mills on which each \$100 of valuation of property for each fund would be levied.

Cons Moore and Darlington, Engr Rader of the State Highway Commission and Attorney Bunker inspected road from Bozeman to Park County Line and made survey to determine the feasibility of putting an underpass or subway under Northern Pacific Railway tracks at West End and Blair. The Board reported these sites feasible.

The Board met with Com Jenson of the Park County Board at Livingston and explained the above plan to him; Mr Jenson informed the Board that he would take this matter up with the other members of his Board and he assured the Board that Park County would be willing to cooperate to the extent of their resources on any work that might be done at these points.

Mr Eugene Thorndike of Willow Creek informed the Board that the county scales at that place weighed 60# off to each 1,000 weight and that the farmers were hauling their grain and desired same corrected; the Board informed Mr Thorndike that the matter would be attended to at once.

The Board received the following Lease #36676 covering culvert at Manhattan:-

No 36676

NORTHERN PACIFIC RAILWAY COMPANY, hereinafter called the Company, hereby permits Gallatin County, Montana, hereinafter called the second party, to construct, operate and maintain upon its right-of-way and beneath its track at Manhattan station, Montana, a 24 inch pipe culvert 30 feet long intersecting the center line of the easterly leg of the wye track at a point therein distant 325 feet, more or less, westerly, measured along said center line from the easterly Head Block (station 8381 plus 77) of said leg of said wye track.

This permission is granted upon the following terms:

1. The second party will pay all taxes and assessments that may be levied or assessed against the improvements.
2. The entire cost shall be borne by the second party; the division superintendent of the Company will decide what portion if any of the work will be done by the Company, and for such portion the second party will pay the Company the estimated cost before the work is done; if the actual cost exceeds the estimate, the second party will pay the additional amount when called upon; if the actual cost is less than the estimate, the Company will repay the surplus. All work hereunder by the second party shall be done in a first-class workmanlike manner to the satisfaction of the division superintendent of the Company, and in accordance with plans and specifications which he may prescribe or approve. The division superintendent of the Company shall have the right at any time when in his judgment it becomes necessary or advisable, to require any material used in the work to be replaced with the same or with material of a more permanent character; also to require additional work or changes of location as a matter of safety or of appearance, or on account of additional tracks being laid, change of grade, or for any other reason connected with the operation of the railroad of the Company; all of which shall be done at the expense of the second party in the manner herein provided.
3. The second party agrees that the improvements shall not at any time damage the railroad or structures of the company, or be a menace to the safety of its operation; and to indemnify and save harmless the Company from all loss and damage to its tracks, roadbed, structures, rolling stock and other property, and from injuries to persons, occasioned by the improvements.
4. This permit cannot be transferred or assigned by the second party without the written consent of the Company.
5. If the second party shall at any time cease to maintain and operate the said culvert or shall fail faithfully to perform every agreement of this instrument, the Company may forthwith terminate this permit and may forthwith expel the second party from its premises; and at the end of the permit the second party will restore the premises of the Company to their former state.

The Board interviewed Jos Parent relative to moving fence on state land which is crossed by the new Madison Road. The Board reported that Mr Parent agreed to having fence moved by the time grader reached this place.

The Board inspected the road work being done by Supervisor Darlington grading in culverts on new Madison Road; reported work satisfactory.

The Board interviewed Jake Zilliox who stated that in grading road on west side of Madison Valley he was meeting with difficulties which made it impossible to do the work under the terms of his contract. Motion made by Com Duncan, seconded by Com Darlington and carried that the Board agree to allow Jake Zilliox and his engineer \$5.50 per day while doing this work.

The Board ordered Jake Zilliox to grade Darlington cross lane and decided to have drag line stop in front of the Merriman ranch and grade road from that place to the E A Rice southeast corner with grader and caterpillar; ordered the drag line crew to proceed as above layed out.

The Board inspected the new road from the Block ranch to the Yellowstone Trail; reported same satisfactory.

The Board inspected Project "H" and interviewed Surveyor Waldorf and his assistant, Mr Taylor, relative to Project "H" and Trident Road connecting with Project 169. Surveyor Waldorf stated that upon the completion of Project "H" there would be a balance of about \$2500. to the credit of this Project and that in his opinion this would surface the Yellowstone Trail from Three Forks City Limits to the commencement of Project "H".

The Board decided this would be the best disposition of this surplus money and instructed Mr Waldorf to take up the matter with the Three Forks Chamber of Commerce and see if this arrangement would meet with their approval.

The Board ordered Mr Waldorf to interview Mr Downer, contractor of Project #169, and ascertain if he would build the Trident connection at the same rate he is constructing #169.

#

#

The Board ordered the truck crew to unload a carload of coal at Logan and haul same to the Madison Valley for use by the drag line.

The Board received a communication from Daniel N Miles requesting that this Board name five measures for the betterment of Montana which they would suggest be enacted by the next Legislature and naming the five measures which Park County favored.

After carefully discussing this the Board wrote Mr Miles stating that they favored his measure to give the County Treasurer authority to collect automobiles taxes, same to go into county road fund; the measure to forbid Commissioners from loaning or using county machinery for their own personal use; the measure to put a two cent tax on gasoline but suggesting that instead of the entire tax going to the State Highway Commission that a cent and a half be used toward a fund to meet Federal money for construction of main trunk roads and one-half cent be used for maintenance; that this Board thought the present laws of taxation would be adjusted by the fall election; that they did not think a measure giving only real estate owners the right to vote on Bond Issues would be constitutional; and suggesting that this Board favored a measure compelling property owners to cut brush along property paralleling county road; a law favoring the creation of Improvement Districts for the permanent improvement of county roads whereby a majority of property owners along certain roads could create such districts.

#

THIS AGREEMENT, Made and entered into this 24th day of October, A. D., 1922, by and between the County of Gallatin, a legal subdivision of the State of Montana, the party of the first part, and H S Buell, of Bozeman, Montana, the party of the second part:

WITNESSETH:

WHEREAS the party of the second part is the owner and entitled to the fee in and to a certain plot of ground situated in the northeast corner of the northwest quarter of section 27, township 1 south of Range 5 east, which contains gravel suitable for surfacing roads; and

WHEREAS the party of the first part desires to open a gravel pit and to remove therefrom gravel for the purpose of surfacing roads;

NOW, THEREFORE, IT IS HEREBY AGREED by the party of the party of the second part, for and in consideration of certain payments, covenants and agreements, hereinafter mentioned, to permit the party of the first part to open a gravel pit on the northeast corner of the northwest quarter of Section 27, in township 1 south of Range 5 east, T14N., said gravel pit to be opened between a certain ditch belonging to J E Moore and the County Road and the gravel is to be taken from a point as close as practicable to that certain ditch; The party of the first part agrees to open that pit and to remove therefrom gravel as is needed for the purpose of surfacing adjoining roads and to pay the party of the second part the sum of ten cents (\$.10) per cubic yard, measured by the load as taken out of said pit, and payable in warrants drawn on the General Road Fund of Gallatin County;

IN WITNESS WHEREOF the parties hereto have hereunto set their hands, the party of the first part by its Board of County Commissioners by its Chairman, attested by its Clerk, and the said party of the second part has hereunto affixed his signature, all as of the day and year first above written.

In the matter of the application for Federal Aid of Federal Aid Project No 177 Logan Hill Road Commission Aajker offered the following Resolution, which on motion duly made and carried was adopted, Commissioners Aajker, Darlinton and Moore voting.

WHEREAS, Under the provisions of the Act of Congress approved July 11th, 1916, entitled "An Act to provide that the United States shall aid in the construction of rural post roads and for other purposes" (39 Stat 355) known as the Federal Aid Road Act, the State of Montana, has been apportioned certain funds for the purposes set forth in said Act, to be expended under the supervision of the State Highway Commission, subject to the inspection and approval of the United States Secretary of Agriculture or his agents in accordance with the laws of the State of Montana and regulations of the said Secretary of Agriculture, and the said State Highway Commission in reference thereto, and,

WHEREAS, the County of Gallatin through its Board of County Commissioners desires to avail itself of the benefits of said Act in the construction or improvement of that certain road in said county, known as The Logan Hill project in manner set forth in a "Project Statement" prepared and to be submitted by said State Highway Commission to said Secretary of Agriculture on behalf of said county.

THEREFORE BE IT RESOLVED, that the said county, through its duly elected, qualified and acting Board of County Commissioners, does hereby apply to the State Highway Commission for such Federal Aid as, together with funds to be appropriated by said county for the purpose, will pay the cost of such project, and,

BE IT FURTHER RESOLVED, that said county agrees with the State Highway Commission that in the event of the approval by the said Secretary of Agriculture of the application as set forth in the project statement referred to, it will appropriate and set aside and deposit with the State Treasurer of the State of Montana the sum of Three Thousand Forty Nine & 15/100 Dollars (\$3049.15), being 46.96% of the cost of said project as determined by reconnaissance estimate, and further agrees that if the sum so set aside or appropriated by said county is not sufficient, with the amount of Federal Aid that is received, to complete the project according to the approved plans and specifications, said county will appropriate and deposit with the State Treasurer sufficient additional funds to fully complete the project according to such plans and specifications.

BE IT FURTHER RESOLVED, that the funds so set aside and appropriated shall be expended for the purpose herein set forth under the supervision and direction of the said State Highway Commission.

BE IT FURTHER RESOLVED, that said county agrees that it will from time to time, at its own expense, perform such work and make such needed repairs on said road as will at all times maintain a reasonably smooth serviceable surface considering the type of road; it being understood that such maintenance shall not be held to include extraordinary repairs or reconstruction.

Complaint having been made to the Board that Mr Wm Bacus of Logan was neglecting his family and using the money he earned for gambling and other pleasures, the Board requested Deputy Sheriff Boyd at Logan to bring Mr Bacus before them. After discussing this matter Mr Bacus agreed to take care of his family and agreed that deputy sheriff Boyd be ordered to see that he paid for his groceries etc. The Board instructed Mr Boyd to secure work for Mr Bacus whenever possible. In the matter of the appeal of R V Spain asking that certain of his lands in District #5 transferred to District #44 consisting of 320 acres, the Board proceeded to hear the arguments of both school districts; motion made by Com Aajker, seconded by Com Darlington that the Board take same under advisement. G L Miller met the Board and asked if it was the intention of the Board to have the Road Supervisor construct Road #521 past the Winters' ranch; the Board informed him that they did intend for the Supervisor in that district to do this work and ordered Mr Miller to cut and peel timbers sufficient for two stock passes and fills for same.

RESOLUTION LEVYING A POLL TAX FOR THE CARE AND MAINTENANCE OF THE INDIGENT SICK, OR OTHERWISE, DEPENDENT POOR OF THE COUNTY OF GALLATIN.

WHEREAS, Paragraph 5 of Section 4465, Political Code, Revised Codes of Montana, 1921, provides:

"4454***The Board of County Commissioners has jurisdiction and power under such limitations and restrictions as are provided by law:

5. To provide for the care and maintenance of the indigent sick or otherwise dependent poor of the County; erect and maintain hospitals therefor or otherwise provide for the same; and to levy the necessary tax therefor, per capita, not exceeding \$2.00, and a tax on property not exceeding one-fifth of one per cent. or either of such levies when both are not required and to expend not to exceed five per cent of any such levy for the collection of said tax, or of any part thereof."

AND WHEREAS Section 2273, Political Code, Revised Codes of Montana, 1921, provides:

"2273 PERSONS LIABLE TO POLL TAX. Every male inhabitant of this State over twenty-one and under sixty years of age, except paupers, insane persons and Indians not taxed, must, annually, pay a poll tax of \$2.00.***"

AND WHEREAS the Supreme Court of the State of Montana, in the case of State, ex rel Pierce, et al, vs. Gowdy, 203 Pacific, 1115, has held and decided:

"We are of the opinion that the object of section 4 of article 12 of our Constitution was to relegate to the several counties the whole subject of taxes for county purposes, and that thereby, the legislature is denied authority to impose any tax on the inhabitants of a county for county purposes. San Francisco v. Ins. Co., 74 Cal. 113, 15 Pac. 380, 5 A. St. Rep. 435. In view of what has been said it is not necessary to give consideration to the uniformity requirement of the Constitution. Section 11 of art. 12. Attempt being made by the act to levy a per capita tax in fixed amount, to be collected by the several counties for county purposes, we must hold it to be in excess of the legislative power, and therefore void."

AND WHEREAS there is nothing in said decision of said Supreme Court that denies to the Board of County Commissioners the power and authority to levy a poll tax, as provided by Section 4465, ~~supra~~ but that, on the contrary, the Board of County Commissioners has such authority to levy such tax for the purposes set forth in said Section 4465 Par. 5 supra. and in Sections 2273 to 2295, inclusive, Political Code, Revised Codes of Montana, 1921;

AND WHEREAS it is deemed and considered necessary and advisable that a poll tax or per capita tax be levied on every male inhabitant of the County of Gallatin over twenty-one and under sixty years of age, except paupers, insane persons and Indians not taxed, for the purposes of providing, in part, for the care and maintenance of the indigent sick, or otherwise dependent poor of the County;

NOW, THEREFORE, BE IT RESOLVED AND IT IS HEREBY ORDERED that a poll or per capita tax of \$2.00 be, and the same ~~is hereby~~, levied upon every male inhabitant of the County of Gallatin over twenty-one and under sixty years of age, except paupers, insane persons and Indians not taxed;

That the collection of said tax and the distribution of the proceeds thereof be had pursuant to the provisions of Section 2274 to 2295 of the Political Code, Revised Codes of Montana, 1921, and that the Assessor, Treasurer and County Clerk be governed accordingly;

AND IT IS FURTHER ORDERED that a copy of this Resolution be delivered to and filed with the County Assessor, the County Clerk and Recorder and the County Treasurer and that they, and each of them, shall proceed with the collection of said poll or per capita tax as herein provided and according to the provisions of Sections 2274 to 2295, ~~super~~.

Mr Garnett of Willow Creek reported that Mr Henry Howls, a resident of Willow Creek was unable to care for himself and without funds. The Board agreed to investigate the case.

RESOLUTION LEVYING A PER CAPITA ROAD TAX FOR THE CARE AND MAINTENANCE OF THE COUNTY ROADS WITHIN GALLATIN COUNTY.

WHEREAS Section 1617, the Political Code, Revised Codes of Montana, 1921, provides:

"1617. Road Tax Levy - General Road Tax. For the purpose of raising revenue for the construction, maintenance and improvement of public highways, the Board of County Commissioners of each County in this State shall, annually, levy and cause to be collected a general tax upon the taxable property in the County of not less than two mills and not more than five mills on the Dollar which shall be payable to the County Treasurer with other general taxes. There is, also, established a general road tax of \$2.00 per annum on each male person over the age of twenty-one years and under the age of fifty years inhabitant within the County, and payable by each person liable therefor at any time within the year. The collection of these taxes shall be under the direction of the Board of County Commissioners; taxes from free-holders to be collected the same as other taxes and from non-free-holders as Commissioners may direct; provided, that the foregoing provisions of this Section shall not apply to incorporated cities and towns which, by Ordinances, provide for the levy and collection of a like general tax and a like special tax within such cities and towns for road, street and alley purposes. The moneys collected under the provisions of this Act shall belong to the General Road Fund of the County."

AND WHEREAS, it is deemed and considered necessary and advisable that a poll tax or per capita tax be levied on every male inhabitant of the County of Gallatin over twenty-one years of age and under the age of fifty years, except those persons between the foregoing ages living within incorporated cities and towns which have an Ordinance or Ordinances providing for the levy and collection of a general and special road tax within such cities and towns for road, street and alley purposes, for the purpose of raising revenue for the construction, maintenance and improvement of public highways;

NOW, THEREFORE, BE IT RESOLVED AND IT IS HEREBY ORDERED that a poll or per capita tax of two dollars (\$2.00) be, and the same is hereby, levied upon every male person over the age of twenty-one years and under the age of fifty years inhabitant within the County of Gallatin, except such male person as may be inhabitant of an incorporated city or town which, by Ordinance, provides for the levy and collection of a like per capita or poll tax within such city or town for road, street and alley purposes;

That the collection of said tax shall be had pursuant to the provisions of Sections 2274 to 2294, inclusive, of the Political Code, Revised Codes of Montana, 1921, and that the Assessor, Treasurer and County Clerk be governed accordingly, keeping in mind that provision of Section 1617 which provides that taxes from free-holders are to be collected the same as other taxes and from non-free-holders as Commissioners may direct;

AND IT IS FURTHER ORDERED that a copy of this Resolution be delivered to and filed with the County Treasurer, the County Clerk and Recorder and the County Assessor, and that they, and each of them, shall proceed with the collection of said poll or per capita tax as herein provided and according to the provisions of Sections 1617, and 2274 to 2294, inclusive, of the Political Code, Revised Codes of Montana, 1921.

#

#

Motion made by Com Darlinton, seconded by Com Aajker and carried that the Board write the following letter to R D Rader, District Engineer, State Highway Commission:-

"Operating under the new highway legislation passed by the legislature this year, Gallatin County expects to have \$30,000. available in 1923 and \$30,000. available in 1924 for use on Federal Aid Projects. We desire to make application for State and Federal Aid to match these funds on the following basis of apportioning costs of construction:- Government 53%, State 15% and County 32%.

"Following are the projects on which we desire to have this money expended:- (1) Project 201, Belgrade west to Project 82; (2) Bozeman to Salesville on the Gallatin Way; and (3) Bozeman Hill on Yellowstone Trail between Bozeman and Livingston.

"We request that application be made for these projects in the order named. As our money available in 1923 will not be sufficient to complete the first two projects named, we suggest that the Bozeman-Salesville Project be split into two projects, A and B, and that A be constructed in 1923 and be made of such length as to require all of the \$30,000. not used on Project #201. The "B" project and the Bozeman Hill Project would then be constructed in 1924, according to our plan.

"We shall appreciate it if you will transmit this information to the Highway Commission for early action."

#

#

Nelson Story Jr met the Board and discussed the State Highway Commission and the different Federal Aid Projects and stated that he deemed it good policy to apply to the State Highway Commission for government aid, specifying how much money would be available from County so as to secure government funds.

W D Bell, Treasurer, met with the Board stating that the Security Bank & Trust Company had requested the cancellation of their Indemnifying Bond to him in the sum of \$50,000. signed by H S Buell, A G Berthot, A C Roecher, E J Hines, J L Ketterer and W N Purdy, as Sureties, and the substitution therefor of a Personal Bond in the sum of \$30,000. signed by Security Bank & Trust Company as Principal and H S Buell in the sum of \$25,000., A C Roecher in the sum of \$10,000., A G Berthot in the sum of \$10,000., E J Hines in the sum of \$10,000., and W N Purdy in the sum of \$5,000. as Sureties.

Motion made by Com Aajker, seconded by Com Darlinton and unanimously carried that the Board order Indemnifying Bond in the sum of \$50,000. cancelled and and Bond in sum of \$30,000. as above listed substituted therefor and said Bond together with property statements of the Sureties thereon, is hereby accepted and approved.

The matter of depository Bond of the Manhattan State Bank for deposit of county money was taken up by the County Treasurer. Attention was called to the fact that the Bond of the Manhattan State Bank as Principal, and the U S F & G CO as Surety for \$30,000. was cancelled and that the U S F & G CO had offered a similar Bond in the sum of \$10,000. as a substitute therefor. The matter was discussed and on motion of Com Aajker, seconded by Com Darlington and unanimously carried it was ordered that the Manhattan State Bank furnish a Corporate Surety Bond in the sum of \$10,000. and additional securities in the sum of \$20,000. to be approved by the Board of County Commissioners, in lieu of and as a substitute for said \$30,000. Bond of the U S F & G CO, said substituted securities and the whole thereof to be furnished to indemnify the County Treasurer, his successor in office, the State of Montana, and the County of Gallatin against any and all loss occasioned by reason of the County Treasurer's deposit of public moneys in and with the said Manhattan State Bank.

On motion duly seconded and carried it was ordered that the corporate surety bond of the Manhattan State Bank as Principal and the U S F & G Co as Surety for the sum of \$10,000. be approved, and the same was so ordered.

On motion duly seconded and carried it was ordered that an agreement be entered into between the Board of County Commissioners acting for the County of Gallatin and the Manhattan State Bank relative to additional security to be furnished, a copy of which agreement is as follows:-

"THIS AGREEMENT, Made and entered into by and between the Manhattan State Bank, a corporation, organized and existing under and by virtue of the laws of the State of Montana, the party of the first part, and the Board of County Commissioners of the County of Gallatin, State of Montana, acting for the said County of Gallatin, the party of the second part;

WITNESSETH:

WHEREAS the said party of the first part has been designated a depository for public moneys by the said party of the second part, and the said party of the first part has, by Resolution of its Board of Directors, furnished the County Treasurer of Gallatin County certain negotiable securities for the purpose of indemnifying him, the said County Treasurer, and his successors in office and the State of Montana against any and all losses which may result or arise because of the deposit of money by the said W D Bell, County Treasurer, in said Bank, as aforesaid, or his successors in office; AND WHEREAS, the County Treasurer of Gallatin County has deposited with said party of the first part and the said first party has furnished certain securities, listed as follows:

- Madison Dike & Drain Bonds, No 4 to 17 inclusive, each in the denomination of \$500.00
- Town of Manhattan, Special Improvement District Warrants, Improvement District No. 12, No 201 to 230, inclusive, each in the denomination of \$100.00
- Also, warrants of said District No 376 to 575, inclusive, each in the denomination of \$100.00

NOW, THEREFORE, IT IS HEREBY AGREED by and between the parties hereto that the said listed securities are indorsed, assigned and set over in favor of said County of Gallatin, and, in case of failure of the said first party to pay on demand to the said County Treasurer, or his successors in office, all public money belonging to the said County, then and in that event, the said County of Gallatin may realize on said listed securities by selling and disposing of same at public or private sale, with or without notice, and out of the proceeds of said sale to apply the same to cover and reimburse said County for any and all losses occasioned by failure of said first party to pay said deposits on demand. However, it is mutually agreed that, in case all of such deposits are paid on demand, then and in that event, the above listed securities shall be returned to the said party of the first part and this Agreement shall be null and void, otherwise, to remain in full force and effect.

IN TESTIMONY WHEREOF, the said first party has caused these presents to be subscribed and its corporate seal affixed by its Vice President and Cashier, its officers in this behalf duly authorized, empowered and acting, and the party of the second part has caused these presents to be subscribed and the corporate seal of said County affixed by the Chairman of the Board of County Commissioners and the Clerk thereof, its officers in this behalf duly authorized, empowered and acting.

"Memorandum of Agreement made this 20th day of March, 1923, by and between the County Commissioners of Gallatin County, Montana, hereinafter called the Cooperator, and the Secretary of Agriculture, hereinafter called the Secretary, pursuant to the provisions of Section 23 of the Federal Highway Act, approved November 9, 1921, and the Rules and Regulations of the Secretary of Agriculture promulgated thereunder.

"Whereas, the State Highway Department of the State of Montana acting for and in behalf of Gallatin County, the Cooperator, submitted on the 19th day of December, 1917, a request for the construction of the forest road hereinafter described; and

"Whereas, in accordance with the rules and regulations promulgated by the Secretary, plans, specifications, and estimates for this road have been prepared:

"Now, Therefore, in consideration of the several promises to be fully performed by each, as hereinafter set forth, the Cooperator and the Secretary do hereby mutually agree as follows:

Article I.

"Funds for the construction of said project will be made available in the following manner, to-wit:

"By the Secretary, one hundred thousand dollars (\$100,000.00) from funds made available by Act of Congress approved November 9, 1921.

"By the Cooperator, all unused balances deposited by the Cooperator in the United States Treasury for the construction of the following sections of the West Gallatin road, for which cooperative agreements were entered into between the Secretary and the Cooperator, the Cooperator known in said agreements as the Local Authority, said agreements dated as of the date signed by the Secretary,

Cold Springs Section Dated February 24, 1921,
Portal Creek Section, Dated February 24, 1921,
Burnt Flat Section, dated May 7, 1921,
Asbestos Creek Section dated May 7, 1921,

said unused balances being approximately ten thousand seven hundred twenty-six dollars (\$10,726.00).

Article II

"The project covered by this agreement includes the following road and bridges, described in detail in the plans and specifications hereto annexed, and located between station five hundred ninety (590) approximately and station nine hundred sixty (960) approximately, Bureau of Public Roads Survey, in the County of Gallatin and within the Gallatin National Forest, approximately seven (7) miles in length. The project is locally known as Beaver Creek Section of the West Gallatin Road.

Article III

"The Secretary will construct said project to final completion, or cause the same so to be constructed, in accordance with the plans and specifications hereto annexed and made a part hereof, and subject to the following conditions:

"(a) The construction work may be performed by contract or by force account or by both, as may be found by the Secretary to be most advantageous.

"(b) Any minor changes in grade or alignment, due to unforeseen contingencies or made desirable by conditions developing during the progress of the work, may be made by the Secretary or his authorized representative.

the _____ day of _____ 19

(c) The work covered by this agreement shall be undertaken as promptly as circumstances will permit and carried to completion with all reasonable speed.

Article IV

The Cooperator's share of the cost of said project shall not in any event exceed the sum of the balances referred to in Article I hereof, which sums have been made available by deposit in the Treasury of the United States in accordance with the Act of Congress approved June 30, 1914 (38 Stat. 415, 430) entitled "An Act making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1915."

Article V

Payment.- As the work covered by this agreement progresses the Secretary will from time to time draw warrants on the Secretary of the Treasury for the payment of the cost of the work, which payment shall be presumed to have been made out of the funds provided by the Cooperator and by the Secretary, in equal amounts, and until all of the funds provided by either the Cooperator or the Secretary shall have been expended, when payments will then be made out of the remaining funds provided by the terms of this agreement. In the event the cost of construction exceeds the estimate by not to exceed ten per cent (10%) of the federal allotment herein provided, additional funds sufficient to complete the project will be made available by the Secretary; and in the event the cost of construction shall exceed the estimate by more than ten per cent (10%) of the federal allotment herein provided, additional funds will be provided as determined by mutual agreement between the Cooperator and the Secretary.

"When the work covered by this agreement has been completed, and whenever during the prosecution of the work formal request for same is made, the Secretary will prepare and submit to the Cooperator a detailed statement of all expenditures made.

Article VI.

"The Secretary will maintain said project out of funds which have been or will be made available for a period of two years after completion of construction. The Cooperator agrees to maintain the project and pay all the costs thereof after the expiration of the first two years after the completion of construction.

"In witness whereof the parties have hereunto affixed their signatures and official seals, the Cooperator on the day and year first above written and the Secretary on the---day of March, 1923.

The Honorable Board of County Commissioners met at the above named office on Wednesday the 28th day of March, A. D. 1923, at 9:00 o'clock A. M.

#

#

Those present being Hon J E Moore, Chairman, Hon G W Darlington and Hon John H Aajker, Commissioners, and J H Harris, County Clerk as Clerk to the Board.

#

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

Forest Supervisor Clark met the Board and presented a blank deed for right-of-way for Targhee Pass road across land in Section 20, Township 13 South, Range 4 East, supposed to belong to Mr John J Parmer, and asked the Board to take up with Mr Parmer the matter of his signing this deed.

The Board wrote Mr Parmer and asked if he would inform them what damages, if any, he asked for this right-of-way.

#

#

C W Overstreet met the Board and asked what progress was being made toward the securing of right-of-way for the Bozeman-Salesville Road; after discussing this matter motion made by Com Aajker, seconded by Com Darlington and carried that the Board order Com Moore to accompany Mr Overstreet to Butte to interview Mrs Ellis relative to right-of-way across her property for this road.

#

#

Road Supervisor Cassie met the Board and reported that all tools belonging to his district had been turned over by former Supervisor Reinhardt to Supervisor Henderson of Upper Dry Creek and it would be necessary for him to have a complete line of tools.

Mr Cassie reported the second bridge across Sixteen Mile east of Maudlow was in need of riprapping and he thought the abutment would go out; the Board agreed to investigate this bridge and other matters pertaining to his district on the 29th of March, 1923.

#

#

Mr and Mrs Gullie of Three Forks met the Board relative to purchasing small building belonging to Gallatin County at Three Forks; the Board agreed to investigate and make a price on same.

#

#

At the request of J J Stucky, Coms Moore and Darlington went to the Sheds Bridge and layed out work riprapping east bank above bridge; the Board reported that they deemed it advisable to send truck crew and capstan to assist Mr Stucky in this work and to remove drift logs from river above bridge and anchor along bank.

Mr Jos Theobald informed the Board they could secure extra trees needed for this work from him at a price of \$.25 each for small and medium sized trees.

#

#

The Board interviewed Mr Allen Sales relative to right-of-way across his property for Bozeman-Salesville Road; Mr Sales informed the Board he would consider this matter and report his decision.

Motion made by Com Aajker, seconded by Com Darlinton and unanimously carried that the Board enter into the following lease with D P Stone and that Com Moore as Chairman be ordered to sign same:-

"THIS AGREEMENT, Made and entered into this 31st day of March, A. D. 1923, by and between the County of Gallatin, a legal subdivision of the State of Montana, the party of the first part, and D P Stone, of the County of Gallatin, State of Montana, the party of the second part:

"WHEREAS there is now located a certain drainage ditch on the right of way of the County road in the County of Gallatin, adjacent to the south right of way line thereof, the said south right of way line being 30 feet distant from and parallel to the center line of said right of way, which center line is more particularly described as follows:

"Beginning at the Northwest corner of the East Half of the Northeast Quarter (E $\frac{1}{2}$ NE $\frac{1}{4}$) of Section Twenty-nine (29), Township One North, Range Four East (T1N, R4E), thence running easterly along the north lines of Sections Twenty-nine (29) and Twenty-eight (28) of the above township and range a distance of approximately one (1) mile to the Northeast corner of the West Half of the Northeast Quarter (W $\frac{1}{2}$ NE $\frac{1}{4}$) of said section twenty-eight (28);

"AND WHEREAS the party of the second part is the owner and in possession of the land south of and adjacent to the above described ditch and right of way;

"AND WHEREAS the said party of the second part has and maintains a legal fence along the south bank of said ditch, inclosing said property of the said second party, which fence he finds unable to maintain due to the fact that the fence posts are set upon the edge of the south embankment of said ditch and which embankment washes and caves;

"AND WHEREAS said drainage ditch tends to destroy said fence;

"AND WHEREAS, if the said fence were placed on the north side of said ditch and, paralleling the same and not to exceed a distance of two feet from the north bank thereof that the said fence would be located upon firm ground and would not interfere with the use of the said right of way for highway purposes;

"AND WHEREAS the party of the first part and the party of the second part have agreed to enter into a Lease for the term of ten years from the date hereof for the purpose of determining and saving title to said ditch and ground in the party of the first part and for the purpose of permitting the party of the second part to construct and maintain a substantial fence of woven wire 32 inches high, two barbwire on top, posts one rod apart along the north side of said ditch adjacent to the said property for the period of ten years and to abandon the fence now located along the south bank of said ditch;

"NOW, THEREFORE, the party of the first part, in consideration of the sum of One Dollar (\$1.00) in hand paid it by the said party of the second part, the receipt whereof is hereby acknowledged and the agreements and covenants herein contained to be performed by the said party of the second part, agrees that the said party of the second part may maintain said fence, as aforesaid, along the north bank of said ditch and adjacent to the lands of the said second party for a period of ten years, beginning March 31, 1923, and ending March 31, 1933, provided that the said second party will build and maintain said fence and keep said ditch free and clean of all obstructions caused by his livestock; said first party to keep same free and clean of all weeds, grasses and sediment so as not to interfere with the free flow of said ditch as a drainage canal; and provided further that said fence be built and maintained by the said second party without expense to the said party of the first part;

"IT IS FURTHER AGREED by and between the parties hereto that this Lease is made for the purpose of determining and saving title to said ditch and property to the party of the first part herein and it is given for the purpose only of permitting the party of the second part permission to maintain a fence on the north side of said ditch;

"IT IS FURTHER PROVIDED that said fence is to be removed from the said north side of said ditch at the expiration of this Lease and, if the provisions as to removal are not carried out by the party of the second part, as herein prescribed, any holding over thereafter shall be under the terms of this Lease and a tenancy at will, terminable by notice in writing from the party of the first part herein by registered mail addressed to the party of the second part and deposited in the United States Postoffice at Bozeman, Montana, and, upon failure to remove said fence, the party of the first part may, at its option, remove said fence and charge the expense thereof to the party of the second part and to recover costs as in the case of an account;"

#

#

J A Harader and H L Casey met the Board and discussed progress for financing the Bozeman-Salesville Road; it was decided that owing to lack of funds it would be impossible to build extension from the Huffine Lane to Salesville this year but to go forward with the construction of road from Bozeman to Power Line and to secure right-of-way to Salesville.

#

#

Engr Rader met the Board and submitted certain highway maintenance estimates on Federal Aid Projects in Gallatin County for 1923 and asked that the County participate on a fifty-fifty basis; the Board agreed to consider this matter.

#

#

The Board called Geo K Clarke and asked him to meet with the Board on Saturday, March 31st, relative to Surety Bond of Home State Bank covering county deposits.

#

#

The Board inspected Project K; reported water running over road from south out of the Emery field doing considerable damage to grade south of the Aajker ranch; the Board decided there was not sufficient drainage and it would be necessary to put in large culvert just west of turn at the Aajker corner.

#

#

Judge Law met the Board relative to the Murray family and he advised that the County Attorney take necessary steps to bring into court, when action could be taken.

#

#

Mr Kester of the Berger Manufacturing Co met the Board and discussed culverts etc.

#

#

The Board received a communication from Attorney Peterson stating the Northern Pacific Railway Company had denied petitions filed with the Board of Railroad Commissioners for acquiring electric warning signals at railroad crossings two miles west of Bozeman and one mile east of Manhattan; and that he had been advised the Board of Railroad Commissioners would be in Bozeman April 11th and would meet with the Board and discuss the situation.

Commissioners' Journal _____ Term, 19__

_____ the _____ day of _____ 19__

Monday the 2nd day of April 19 23

County Commissioners' Office,
Bozeman, Montana.

The Honorable Board of County Commissioners met at the above named office on Monday the 2nd day of April, A. D. 1923, at 9:00 o'clock A. M.

#

#

Those present being Hon J E Moore, Chairman, Hon G W Darlinton and Hon John H Aajker, Commissioners, and J H Harris, County Clerk as Clerk to the Board.

#

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

Motion made by Com Darlinton, seconded by Com Aajker and carried that the Board go to Willow Creek and interview Melissa Green relative to straightening the road west from Willow Creek to new Jefferson Bridge by going across her property; the Board reported she declined to consider the matter.

#

#

The Board interviewed citizens of Willow Creek relative to road matters in that vicinity and were informed that in view of the attitude of Melissa Green it would be advisable to not proceed with permanent improvement of road in present location but to change road at curve northwest of cemetery.

Paul Woodward was interviewed regarding change in road which would necessitate closing corner of the Woodward Estate; Mr Woodward stated he was willing this be done and would interview other heirs and report their decision.

It was decided that if this could be secured this would eliminate mud conditions there.

The matter of changing the \$3750 of the Bond Issue money voted for Project "J"-from Willow Creek to Willow Creek Bridge was discussed and the using of same as an extension on Project I-Q over Harrison -Willow Creek divide; the Board was informed that the majority of the people would favor this as being better than using on project originally voted on. Mr E J Thorndike agreed to circulate a petition requesting this and same be used to change road near Willow Creek cemetery.

#

#

The Board inspected Project I-Q; reported same in good condition but in need of dragging and made arrangements for Supervisor Lane to drag as soon as light drag could be sent to him.

#

#

The Board inspected Project "H"- reported same in good condition.

#

#

The Board inspected buildings in Three works belonging to the County which Mr Gullie wished to purchase; motion made by Com Darlinton, seconded by Com Aajker and carried that the Board place a price of \$75. each on the two buildings. The Board informed Mr Matter their price and asked him to notify Mr Gullie.

#

#

Coms Moore and Aajker and Surveyor Waldorf inspected Baker Creek, staked out proposed site for Bridge to be constructed by Mr Hokanson; interviewed Mr Hokanson and agreed to furnish and place culvert to be placed about one-half mile west over irrigating ditch, Mr Hokanson et al to make necessary fills after county placed culvert.

#

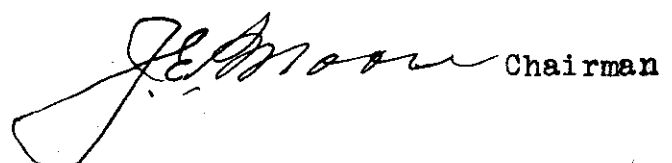

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

Assessor Cowan and Treasurer Bell appeared before the Board and requested permission to employ a stenographer to be used by their offices as long as work necessitated at a salary of \$100. per month.

Motion made by Com Darlinton, seconded by Com Aajker and carried that their request be granted.

#

#

Various bills against Gallatin County were presented to the Board by the Auditor; after due consideration the Board approved same and instructed the Clerk to issue warrants on the different funds of the county for same.

#

#

The Board answered correspondence relative to Old Age Pensions and decided to write Secretary of State C T Stewart for a certified copy of the law pertaining to same in order to proceed.

#

#

County Health Officer Piedalue met the Board and he was ordered to give medicine and medical care to the inmates of the county jail; he agreed to do this at once.

#

#

The Board ordered the truck crew to take 5,000 feet bridge lumber, six piling and spikes to the Madison for use of Supervisor Darlinton in his district; and tools etc for road purposes sent to Supervisor Bohart at Wilsall and R P Cassie at Audlow and Sam Lane at Willow Creek.

#

#

J W Strachan of Logan interviewed the Board and stated that the Gallatin River was washing its south bank at the east end of the town and if not checked would seriously damage the residents of River Street and perhaps change its course entirely and make new channel north of the Northern Pacific Depot. The Board agreed to inspect same.

The Honorable Board of County Commissioners met at the above named office on Wednesday the 4th day of April, A. D. 1923, at 9:00 o'clock A. M.

#

#

Those present being Hon J E Moore, Chairman, Hon G W Darlinton and Hon John H Aajker, Commissioners, and J H Harris, County Clerk as Clerk to the Board.

#

#

The following proceedings were had and done, to-wit:-

#

#

The minutes of the last meeting were read and ordered approved.

#

#

Motion made by Com Aajker, seconded by Com Darlinton and carried that the Board order the Clerk to advertise for sale Lots 1 and 2, 27 and 28, Block I, Rouse's First Addition to Bozeman, sale to be held Saturday, April 21st, at 10:00 o'clock A. M.

#

#

Various bills against Gallatin County were presented to the Board by the Auditor; after due consideration the Board approved same and instructed the Clerk to issue warrants on the different funds of the County for same.

#

#

Motion made by Com Darlinton, seconded by Com Aajker and carried that the Board meet Supervisor Elings at Amsterdam and go over road matters with him; the Board reported road near Vincent School House in very bad condition and decided the only way to repair same would be to secure right-of-way from the Buell Land Co above ditch on west side of present road for about one-quarter mile, then to follow the abandoned right-of-way of the old Low Line Canal about one-quarter mile through the property owned by G O Arnold and construct a large bridge about 16 foot in length near the Vincent School House and drain from bridge into Camp Creek. The Board decided to take this matter up with the land owners, Messrs Arnold and Buell, and if possible secure right-of-way for change. The Board ordered supervisor Elings to temporarily repair road in order that farmers might get feed hauled.

#

#

The Board decided to raise grade near Vincent Siding about 300 feet and make drain from present culvert to Camp Creek.

#

#

The Board inspected the Nixon Gulch Bridge being torn down by Contractor Mougey; reported work progressing satisfactorily.

#

#

At the request of Mr Strachan and other residents of Logan the Board inspected the Gallatin River at Logan; reported river washing its south bank at the east end of the town and if not checked would seriously damage the property and was very liable to change its course entirely and make new channel north of the Northern Pacific Depot; decided that about 20 cars of rock should be used to riprap and change current to the north side of the river.

As the property now being destroyed belonged to the Northern Pacific Railway Company, the Board decided to take this matter up with Superintendent Jacobus at Livingston and suggest that his company deliver this rock at Logan and the County place same in river.

#

#

The Board and Surveyor staked out bridge across Perks Canal near the Ulmer ranch on new proposed Ulmer road.

#

#

C B Conant informed the Board that about 100 tons of rock had slid onto road above Squaw Creek in West Gallatin and blocked same; the Board agreed to investigate same at once.

#

#

The Board made arrangements with Mr Landers at Logan for the renting of house to Mr Wm. Davis, a county charge, at the rate of \$3.00 per month from April 1st.

#

#

the

day of

19

The Board and Surveyor Waldorf went over proposed change in road from Westlake Siding to Amsterdam following the east side of Camp Creek Railroad; the Board informed Messrs Arnold, Westlake and Ecton that if they would secure right-of-way the County would consider matter of construction road, it being understood that if this change was made, a strip of road about one mile in length be abandoned, thus putting road in better location.

In the matter of the maintenance of state highway improvements constructed within Gallatin County, Montana and particularly referring to that certain resolution passed and adopted by the State Highway Commission of Montana on March 21, 1923, a copy of which resolution is hereto attached, Commissioner Darlinton offered the following resolution which on motion duly made and carried was adopted, Commissioners Moore, Darlinton and Aajker voting.

WHEREAS the State Highway Commission of Montana has resolved to assume responsibility for and to prosecute the maintenance of Federal Aid Highway improvements constructed within the several counties of the state, in conformity with certain provisions and stipulations expressly set forth in said resolution and whereas the county of Gallatin through its duly qualified and acting Board of county commissioners desires to avail itself of the benefits of said resolution: now, therefore

BE IT RESOLVED that for and on behalf of said county its board of county commissioners does hereby assent to and accept all of the provisions of said resolution: and,

BE IT FURTHER RESOLVED that said county agrees with the State Highway Commission that it will and by this resolution hereby does appropriate and set aside the sum of Two thousand seven hundred forty two and 50/100 (\$2742.50) being fifty per cent (50%) of the estimated cost of said maintenance for the following road or roads in said county, to-wit:

Federal Aid Project Nos. 12, 40, 41, 44A, 44B, 76A, 82A, 82B, 169 and 177.

BE IT FURTHER RESOLVED that the moneys so set aside and appropriated, or an amount equivalent to one-half the actual cost of such maintenance shall be paid or remitted as provided in the resolution herein referred to and hereto attached.

#

#

Copy of Resolution of State Highway Commission.

"In the matter of the maintenance of state highway improvement constructed under the provisions of the Federal Aid Road Acts of July 11, 1916, November 9, 1921, etc. and under the supervision of the State Highway Commission of Montana, Assistant Commissioner Templeton offered the following resolution which on motion duly made and carried was adopted, all members of the Commission voting Aye.

"WHEREAS, the said Highway Commission has been prosecuting vigorously the construction of needed improvements to certain state highways within this state, such improvements representing a considerable investment on the part of the state, counties and Federal Government; and

"WHEREAS, the interests of the public and the requirements of the Federal Highway Act of November 9, 1921, demand that these improved highways be adequately maintained, and

"WHEREAS, by virtue of the provisions of Chapter 139 of the Revised Codes of Montana 1921, the State Highway Commission is authorized to provide for such maintenance;

"NOW, THEREFORE BE IT RESOLVED, that the State Highway Commission hereby declares its intention to assume responsibility for the proper maintenance of those Federal Aid highway improvement projects constructed within the state under its direction, and to participate in the cost of such maintenance, under and in conformity with the following conditions, to-wit:

"1. All maintenance activities carried on under authority of this resolution shall be under the direct control and supervision of the State Highway Commission, and the Chief Engineer of the said State Highway Commission is hereby directed to carry out and enforce the provisions hereof.

"2. The scheme or plan of highway maintenance shall be that commonly referred to as the patrol system.

"3. All patrolmen or other persons engaged in such maintenance shall be employed by, and subject to dismissal by the State Highway Commission.

"4. All payrolls and expense claims arising from the maintenance work herein authorized shall be paid in the manner prescribed by the State Highway Commission and hereafter announced.

"5. This resolution shall apply to all counties within which Federal Aid road projects have been constructed under the direction of this department provided said county agrees to appropriate and does appropriate for use and expenditure by the State Highway Commission an amount equivalent to fifty per cent (50%) of the actual cost of maintaining the mileage of such highway improvement projects within the boundaries of the county.

"(a) The maximum liability of the county is hereby expressly understood to be one-half (1/2) the actual cost.

"(b) The county shall by resolution regularly passed and adopted agree to pay or remit promptly its proportionate share of said maintenance expenditures within the county for the previous month.

"6. The Chief Engineer is hereby authorized to agree with the Board of County Commissioners of the several counties for the use of suitable and available county owned tools, machinery or equipment required for authorized maintenance within the county, provided however, that such county owned tools, machinery or equipment shall be continuously available, to and under the control of the State Highway Commission.

"7. All repairs to tools, machinery or equipment occasioned by their use under the provisions of this resolution shall be included in the cost of maintenance operations conducted.

"8. The responsibility hereby assumed for the maintenance of Federal Aid Highway improvement projects referred to shall not extend beyond the "maintenance season" which is presumed to end about November 1, 1923, and which shall be understood to end when, in the opinion of the Chief Engineer, weather and traffic conditions justify a suspension of aggressive maintenance operations and the release of patrolmen. Thereafter such maintenance work as may be deemed necessary by the respective counties will be performed by and at the expense of said counties.

"BE IT FURTHER RESOLVED, that the State Highway Commission shall and by this resolution hereby does appropriate and set aside the sum of sixty thousand dollars (\$60,000.00) being fifty percent of the cost of said necessary maintenance of and to the roads or improvement projects in the counties listed and described on the attached sheet.

"BE IT FURTHER RESOLVED, that the terms and provisions of this resolution shall become effective within the several counties upon the passage and adoption by the Board of County Commissioners of said county of a resolution referring to and accepting the provisions hereof and appropriating fifty percent (50%) of the estimated cost of maintenance operations within said county.

"State of Montana)
County of Lewis & Clark) ss.

I, E A Redington, Secretary of the State Highway Commission of the State of Montana do certify that the foregoing is a true and correct copy of a minute entry appearing on the record of a meeting of the State Highway Commission held on the 21st day of March, 1923.
E A Redington
Secretary".

Motion made by Com Aaker, seconded by Com Darlinton and carried that petition be granted.

#

#

The Board received a communication from Frank Gaffke relative to fence along his property for right-of-way for Project #169, and land cut up between road and Gallatin Valley Railway.

The Board wrote Mr Gaffke that they had left word with Mr Ray E Matter at Three Forks to notify him to proceed to build this fence and to get material from the Copeland Lumber Co., also that they were willing to pay him at the rate of \$45.00 per acre as per conversation of last summer for the land cut up, and the only reason same had not been paid for was that no claim had been filed.

#

#

Engr Rader met the Board and stated that Mr Lynch of the Bureau of Public Roads had approved Federal Aid Project known as Belgrade-Salesville road from Huffine road south to Salesville.

#

#

Engr Rader informed the Board it would be impossible to construct Belgrade-Salesville Road further than Cottonwood Bridge and keep within the \$10,000. prescribed by law for construction of one project and that it would be necessary to raise \$1500. more to construct road to Salesville City Limits.

The Board went to Salesville and interviewed Mr Shadoan, Mr Frank Stone and Mr Anceney and Mr Shelton relative to raising this additional \$1500. The Board reported that they were informed that these parties believed this amount could be raised by private subscription in Salesville and vicinity and agreed to take same up and report.

#

#

H L Casey and J A Harader met the Board and were informed that it would be necessary to raise \$4500. by donation, in Bozeman and along Huffine Road if the Bozeman-Salesville Road was to be completed. They agreed to take this matter up with the Chamber of Commerce immediately and endeavor to raise this money.

#

#

#

The Board wrote H Dale Cline, wire chief of the Rocky Mountain States Tel & Teleg Co., that they desired him to meet with them and determine what should be done to properly care for his company's poles running west of Catholic Cemetery where the Board intended to put in drag line road; also where the Board contemplates moving steel structure over streams along road leading from Logan to Three Forks where his company's line is now located.

#

The Board asked Attorney Peterson to give an opinion relative to grader crew making up time lost by wet weather etc, informing him that account of lack of funds and scarcity of labor the Board did not intend to put out but the one crew and if this crew was not allowed to make up time thus lost the work contemplated would not be completed.

#

At the request of Supervisor Lane the Board went to Three Forks and inspected work under construction on the Bellach road. The Board ordered him to complete same.

The Board inspected road from the Con Lane ranch to the Lane School House; reported road rough and only about thirty feet wide. Mr Lane informed the Board he would set back fence and donate ground to widen road if County would give him the two old bridges which he wished to purchase and which are located on the abandoned concrete road and which the county had offered to him for \$50.

The Board considering this a reasonable offer agreed to same.

#

The Board inspected Project 12; reported same in good condition. Inspected Jefferson Slough bridge near Old Town Three Forks; reported approaches on each end of bridge in bad condition and decided to have same jacked and new timbers put in.

RESOLUTION IN RE: AMERICAN NATIONAL BANK OF THREE FORKS

WHEREAS, W D Bell, County Treasurer of the County of Gallatin, State of Montana did upon the 12th day of May, A. D. 1923 make demand and draw upon the American National Bank of Three Forks for the payment of the sum of Fourteen Thousand Five Hundred Dollars (\$14,500.); and

WHEREAS, the said American National Bank of Three Forks did upon said date refuse and fail to pay said deposit to the order of said W D Bell, County Treasurer, and did return said draft to the said County Treasurer with an endorsement thereon "payment declined as Bank is not in position to pay. E W McPhail, Cashier"; and

WHEREAS, the County Treasurer of the County of Gallatin, State of Montana did have on deposit in said Bank on said date public moneys of the County of Gallatin in the sum of Fourteen Thousand Five Hundred Dollars (\$14,500.), which funds the aforesaid draft were intended by said County Treasurer to withdraw; and

WHEREAS, pursuant to provisions of Section 4767-Political Code Revised Codes of Montana, 1921, the deposit of said funds was held by the American National Bank of Three Forks and secured by a certain Corporate Surety Bond taken by the said County Treasurer to secure the safe and prompt payment of such deposit on demand, to-wit: the Bond of the American National Bank of Three Forks as Principal and the United States Fidelity & Guaranty Company of Baltimore, Maryland, as Surety, in the sum of Fifteen Thousand Dollars, (\$15,000.), executed to W D Bell as Treasurer of Gallatin County, Montana, his successor in office and unto the State of Montana, dated May 15th, 1922, which Bond was executed and delivered pursuant to the Order of the Board of County Commissioners made and given on the 5th day of March, A. D. 1921, and was duly approved by the Board of County Commissioners May 19th, 1922, and was in full force and effect upon May 12th, 1923; and

WHEREAS, there is now due to the County of Gallatin, State of Montana, the sum of Fourteen Thousand Five Hundred Dollars (\$14,500.) together with interest at the rate of two and one-half per cent (2½%) per annum on daily balances from March 31st, 1923, to date;

NOW THEREFORE BE IT RESOLVED AND IT IS HEREBY ORDERED that W D Bell, County Treasurer of the County of Gallatin, State of Montana make demand upon the United States Fidelity & Guaranty Company of Baltimore, Maryland, the Surety mentioned in said Bond, for the payment of said deposit so held by the American National Bank of Three Forks on the 12th day of May, 1923, together with interest thereon as provided by law to date of payment; that such demand shall require the payment of such deposit and interest on daily balances at the rate of two and one-half per cent (2½%) per annum from the 31st day of March, 1923, and it is further ordered that in case payment of said deposit and interest is not made to the County Treasurer on or before the first day of June, 1923, the County Attorney be and he is hereby instructed to commence necessary and proper action against the American National Bank of Three Forks and the said Surety, the United States Fidelity and Guaranty Company of Baltimore, Maryland, to enforce payment thereof.

Passed and adopted by the Board of County Commissioners in regular session on the 12th day of May, A. D. 1923.

The Board received the following agreement from the C M & ST P RY CO for right-of-way for F A P #177 - Logan Hill Road.

"THIS AGREEMENT, made this 5th day of May, 1923, by and between the Chicago, Milwaukee & ST Paul Railway Company, a Wisconsin corporation, hereinafter called the "Railway Company", and the COUNTY OF GALLATIN, a municipal corporation of the state of Montana, hereinafter called the "County",

"WITNESSETH:

"That each of the parties hereto in consideration of the covenants and agreements to be kept and performed by the other of said parties, as hereinafter set forth, hereby covenants and agrees to and with such other party as follows:

"1. The Railway Company is the owner of a right of way extending across the northeast quarter of section thirty-six (36), in township two (2) north, of range two (2) east M.P.M., in Gallatin county, Montana, over and along which it operates a railway.

"2. That the County is desirous of locating, constructing and maintaining a highway upon and along portions of said right of way situated in said section thirty-six (36), the location thereof to be as more particularly hereinafter described, and the Railway Company is willing to grant such privileges upon the conditions hereinafter set forth.

"3. The Railway Company hereby grants the County permission to occupy and use, for the purpose aforesaid, the following described portion of the right of way of the Railway Company on the northeasterly side of its track, viz:

"All that portion of said Railway Company's right of way in said section thirty-six (36), lying northeasterly of a line drawn 15 feet southwesterly of the following described center line of highway:

"Beginning at a point in the northeasterly line of the right of way of said Railway Company 75 feet northeasterly, measured at right angles to the center line of said main railway track, of station 1058+34 of the engineer's stations of the main line of said railway; thence 169.4 feet northwesterly to a point 41 feet northeasterly, measured at right angles to the center line of said main railway track, of station 1060 of said engineer's stations; thence 100.3 feet northwesterly to a point 32.5 feet northeasterly, measured at right angles to the center line of said main railway track, of station 1061 of said engineer's stations; thence 100 feet northwesterly to a point 32.0 feet northeasterly, measured at right angles to the center line of said main railway track of station 1062 of said engineer's stations; thence 400 feet northwesterly to a point 40.0 feet northeasterly, measured at right angles to the center line of said main railway track, of station 1066 of said engineer's stations; thence 30.4 feet northwesterly to a point 45 feet northeasterly, measured at right angles to the center line of said main railway track, of station 1066+30 of said engineer's stations; thence 70.0 feet northwesterly to a point 45.8 feet northeasterly, measured at right angles to the center line of said main railway track, of station 1067 of said engineer's stations; thence 120.6 feet northwesterly to a point in the northeasterly line of said Railway Company's right of way where said line is intersected by a line drawn at right angles to the center line of said main railway track and through station 1068+17 of said engineer's stations.

"The said portion of right of way so described is about one mile east of Logan, in said county and state, and is more particularly shown colored green on the map hereto attached, marked Exhibit "X", and hereby referred to and made a part hereof.

"4. It is understood and agreed that the rights and privileges hereby granted are so granted subject to the observance and performance by the County of all and singular the following covenants and agreements to be by it observed, kept and performed; and that for a default in, or failure to perform, any of said covenants or agreements, the said Railway Company may, at its option, cancel and annul each and all or any of the rights and privileges hereby granted.

"(a) That said land shall be used solely for the purposes of a public highway and that the County shall not use or appropriate said land, or any thereof, for any other use whatsoever and shall not grant any easement or right to use any portion thereof to any public utility.

the _____ day of _____ 19____

"(b) That said roadway constructed over and along said land shall be constructed and maintained in a good and safe condition for public travel; that the expense of the construction and maintenance of such roadway shall be borne and paid by the County, and the Railway Company shall not be assessed for, or in anywise made liable for, any of the expense of the construction or maintenance of such road, or of the construction of fence referred to in paragraph (e) hereof.

"(c) That the County shall, and it hereby agrees that it will, indemnify and save harmless the Railway Company from any and all damages and claims for damages whatsoever, arising from or growing out of the construction of said highway upon said tract of land or the granting of the license herein contained, or from anything done or permitted to be done by the County under the terms and provisions hereof.

"(d) That in the event the destruction of noxious weeds growing on said parcel of land shall be required by any law or lawful order or regulation, either now in existence or hereafter enacted or promulgated, the County shall and will, at its own cost and expense, destroy or procure the destruction of such noxious weeds, and that it shall and will save the Railway Company free and harmless from all costs and penalties which might otherwise accrue against the Railway Company, its successors or assigns, by reason of any failure to so destroy or cause the destruction of such noxious weeds.

"(e) That the County shall bear and pay all of the cost and expense of relocating any and all poles, guy wires, telephone and telegraph wires and all other railway facilities which it shall be found necessary to move in order to construct said highway upon the above described land. The County shall, and hereby agrees that it will, also construct a good, substantial, legal fence along the southwesterly line of the strip of land along which easement is hereby granted; Provided, that any or all right of way fences now constructed on the northeasterly line of said strip of land may be removed and relocated along the southwesterly line of said strip as a part of the fence to be constructed by the County along such southwesterly line. All of said work shall be done and said fence connected with the remainder of the Railway Company's right of way fence at the sole cost and expense of the County. Said fence as relocated shall be so reconstructed as to form a good, substantial, legal fence.

"(f) That the County shall protect all ditches and water courses upon the Railway Company's right of way which intersect said highway, by constructing and maintaining, as a part of the grade of said highway, adequate culverts or bridges for the purpose of carrying said highway over such ditches or water courses without interference with the flow of the water therein.

"(g) The County hereby abandons all right to maintain those two certain highway crossings heretofore maintained over and across the right of way and tracks of the Railway Company, one of which is in the southeast quarter of the northeast quarter of said section thirty-six (36), at station 1057+90 of the engineer's stations of said railway, and shown on said Exhibit by being colored red and lettered "A"; and the other in the southwest quarter of the northeast quarter of said section thirty-six (36), at station 1057+72 of the engineer's stations of said railway, and shown on said Exhibit by being colored red and lettered "B".

"(h) That the County shall not, by reason of the privileges herein granted, assert or acquire title to said tract of land, or any portion thereof, adverse to the title of the Railway Company.

"5. The failure of the Railway Company to exercise any option hereby reserved unto it to end and determine said grants, or any thereof, for any breach by the County of the covenants or agreements, or any thereof, to be kept and performed by the said County, as hereinbefore provided, shall not be construed as terminating such conditions or waiving such covenants or stipulation, and the said Railway Company may, for any future breach of such covenant or agreement, or of any covenant or agreement hereinbefore set forth, end and determine the rights and privileges hereby granted, or any thereof. Any right of forfeiture hereby reserved shall not be construed to be an exclusive remedy, but the Railway Company may assert against the County, either in addition to such right of forfeiture or without exercising such right, any cause of action, at law or in equity, for any breach of any covenant, agreement or condition herein provided to be kept or performed by the County which it would have had if no right of forfeiture were reserved.

"The County shall and will save harmless and indemnify the Railway Company from and for any and all losses and damages, including incidental costs, which in anywise result to the Railway Company from any breach of any obligation herein assumed by the County.

"6. It is further understood and agreed that if at any time the Railway Company shall require for railway purposes the use of any portion of its said right of way which is occupied by said highway, the County shall, and it hereby covenants and agrees that it will, within one hundred and twenty (120) days after receipt of written notice from the Railway Company, remove its said highway from said portion of said Railway Company's right of way and relocate the same elsewhere at its expense, and the license to use said portion of said right of way for the highway hereby granted shall, at the termination of said period, end and determine.

"The County also agrees, upon any termination of this agreement, to reimburse the Railway Company for all of the cost and expense of replacing such telegraph poles, guys, wires and railway facilities as may have been moved on account of the construction of said highway as hereinbefore provided at their former locations, or at such reasonable locations as may then be designated by the Railway Company; and upon any termination hereof the County shall, at its expense, remove said fence from the southwesterly side of said tract and restore the same to its former location on the northeasterly side of said tract of land and connect the same at both ends with the then existing northeasterly right of way fence of the Railway Company.

"Such right of the Railway Company to end and determine the license hereby granted unto the County to use any portion of said Railway Company's right of way for highway purposes,

if the said Railway Company shall require the use of the same for railway purposes, shall be a continuing right and shall not be exhausted by the exercise thereof as to any single portion less than the whole of the said easement hereby granted unto the County for said highway.

"The covenants and agreements of either party, hereinbefore set forth, shall bind the successors and assigns of such party, and the benefits hereof inuring in favor of either party shall inure in favor of the successors and assigns of such party as well.

"IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed in their respective names, by their agents or officers thereunto duly authorized, and their corporate seals to be hereunto affixed. Done in duplicate originals the day and year first herein written.

"CONTRACT

"THIS AGREEMENT, Made and entered into this 24th day of May, A. D. 1923, BY AND BETWEEN The Pioneer Construction Company, a corporation, of Bozeman, Gallatin County, Montana, the party of the First Part, and the Board of County Commissioners, acting for and in behalf of the County of Gallatin, State of Montana, the party of the second part,

"WITNESSETH:

"WHEREAS, the contract for the construction of Federal Aid Project #201 has been let to the party of the first part, and

"WHEREAS, the County of Gallatin cannot exceed the sum of Ten Thousand Dollars (\$10,000.) in the application of its funds in aid of said Project, and

"WHEREAS, there will be a deficit which the County of Gallatin cannot appropriate as its share of the cost of said Project, and

"WHEREAS, the State Highway Commission of Montana, by Resolution duly adopted May 14th, 1923, did appropriate from revenue to be credited for the two fiscal years from July 1st, 1923, to June 30th, 1925, funds sufficient to make up said deficit,

"NOW THEREFORE in consideration of the premises and the consent of the Second party now obtained that said contract be completed without undue delay, the party of the first part accepts the offer of the said State Highway Commission as outlined by said Resolution and the said Second Party does hereby assign and set over and transfer to the said first party all its right, title and interest in said appropriated funds as outlined in said Resolution and the said First Party in consideration thereof hereby releases and discharges the said Second Party from any liability for the cost of said Federal Aid Project #201 in excess of Ten Thousand Dollars (\$10,000.).

"IT IS EXPRESSLY AGREED by the parties hereto that the assignment herein referred to shall cover only so much of the sum mentioned in said Resolution of the State Highway Commission as shall actually be necessary to make up the balance due on the cost of said construction.

"IN WITNESS WHEREOF the party of the First Part has caused these presents to be executed by its President with the corporate seal affixed, such act being duly authorized, and the Board of County Commissioners has likewise caused these presents to be executed by its Chairman, this 24th day of May, A.
