EXAMINERS' NOTES

All receipts, disbursements, fees, bank balances, cash and depository securities were verified during the examination.

The cash balances of the County Treasurer were in agreement with similar accounts as kept by the County Clerk and Recorder.

The County Treasurer's records indicate an overdraft of \$243.83 in the Fair Fund. Over-

Friday THE 8th DAY OF November 1940

drafts in any fund should not be tolerated. When warrants drawn against depleted funds are presented, they should be registered and paid in their order of registration when funds are accumulated.

The present Treasurer is following a precedent of former Treasurers in receipting for delinquent personal and first half real estate tax collections. Instead of issuing a delinquent receipt for the first half after it is delinquent November 30th, each year, he issues a current tax receipt with the interest and penalty added. Though this is not in accordance with the procedure as set forth by the statute and by this department, we will authorize its continuance for the purpose of determining whether or not it is an improvement over the present practice.

The claims for the period examined were found to be in exceptionally good form, all being properly itemized and approved. We do find, however, a few claims the legality of which we doubt. Claims Nos. 629-642 and 659 on the General Fund contain per diem charges by the three County Commissioners for a trip to Meteteetsee, Wyoming to inspect scrapers. We know of no law which would authorize a trip to another State at the expense of the County, for the purpose of inspecting a piece of road machinery as was apparently the case in this instance.

In our last report we called your attention to the fact that the law with reference to the collection of license fees had not been strictly observed. We find that upon receipt of said report, the Treasurer made every possible effort to collect all delinquent licenses. He was unable to collect the license fee from the Bozeman Bottling Works at Bozeman, and on November 3, 1939, he filed a written request with the County Attorney asking that proper papers be prepared against said company so that the license fee could be collected by court action. Up to the present time almost a year having elapsed, no action has been taken by the County Attorney. This matter should have your immediate attention and the County Attorney should perform his sworn duty.

All of the officers have filed suitable official bonds and same have been approved by the District Judge and filed as required by statute.

No County fair was held during the past year and therefore no special fair examination was made.

A great many old estates have small cash balances in the Treasurer's accounts. The County Attorney, the Treasurer and the Administrator should take the matter up with the District Judge and endeavor to find some possible means by which these old balances may be eliminated.

As previously noted, a substantial reduction was made in the outstanding indebtedness of the County during the last fiscal year, which is very commendable.

Respectfully submitted,

A. E. WILLIAMSON,
First Assistant State Examiner.

E. J. BECKETT,
Deputy State Examiner.

WHEREAS, there has been appropriated for the fiscal year 1940-41 the sum of \$1340.00 for Account 202-A-1, County Clerk's Extra Help; and

WHEREAS, a greater amount of extra help than was anticipated has been necessary in the County Clerk's office on account of the work required in connection with the Selective Service Act passed by Congress since the making of the budget, the unusually heavy last minute registration for the General Election, and the necessary work in determining whether the electors were eligible to vote on the tax measures, and, as a result of the above, said appropriation for extra help is insufficient and inadequate; and

WHEREAS, it appears that an additional appropriation in the sum of Two Hundred Dollars (\$200.00) will be necessary to pay said Judges and Clerks; and

WHEREAS, since the making of the budget for the fiscal year 1940-41 the purchase of a new hot water tank for the Poor Farm has become necessary on account of the bursting of the old tank, which could not have been foreseen at the time of the making of said budget and consequently no appropriation for such item was made at the time of the making of said budget; and

WHEREAS, it appears that the sum of One Hundred Twenty Dollars (\$120.00) will be necessary

Monday THE 18th DAY OF November 1940

189612-CHRONICLE PUB. CO.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of the County of Gallatin, State of Montana, in extra session assembled and two members thereof being present and concurring in the deliberation of said Board as required by law, that the above mentioned appropriations be made and credited to the proper accounts in order to meet the mandatory expenses as required by law without further notice of hearing.

Monday THE 16th DAY OF December 1940

County Commissioners' Office,
Bozeman, Montana.

The Honorable Board of County Commissioners met at the above named office in extra session on Monday, the 16th day of December, A. D., 1940, at nine o'clock A. M.

Those present were the Hon. W. M. Alberda, Chairman, Hon. P. H. Gaffney, and Hon. R. L. Frank, as Commissioners, and Bess Fowler, Clerk and Recorder, as Clerk to the Board.

The following proceedings were had and done, to-wit:

Minutes of the previous meeting were read and approved.

Assessor Evans reported to the Board that he had hired Alice Hale as assistant in his office beginning today. The Board set her salary at \$125.00 per month.

The Board sold to H. P. Sheldon of Belgrade Lots 11 & 12, Block 13, Crescent Addition to Belgrade, for the appraised price of \$5.00 per lot, a total of \$10.00. The County Attorney was ordered to draw a deed.

The Board sold to Louis J. Uhlrich of Bozeman Lots 19 & 20, Block 12, Butte Addition to Bozeman, at \$67.50 per lot, a total of \$135.00, this being 90% of the appraised value. The County Attorney was ordered to draw a deed.

Dr. Smith reported he had put Jack Chase in the home of Mrs. Clara Crouse for a few days' care at County expense.

Commissioner Frank reported to the Board that Steve O'Donnell, Sup't of the Poor Farm, had reported to him on Saturday, December 14th, that the motor in the stoker at the Farm had burned out and could not be repaired. He was authorized to purchase a new motor at a cost of \$17.50.

The Board authorized hospitalization at County expense for Robert Kincaid, who was admitted to the hospital on December 15th.

The Board considered the following road petitions:

Petition #582 presented by J. H. Border and others, asking that 2.7 miles of Road #232 be closed;

Petition #583 presented by B. S. Adams and others, requesting that 1 mile of County road located on the East & West centerline of Section 1, T1N, R1E be closed;

Petition #585 presented by the Willow Creek School Board, asking that portions of certain streets and an alley adjoining the Willow Creek School Grounds be closed; and

Petition #586 asking that the old Bridger Road from the Flour Mill houses east to the foot of the Chas. Papke Hill be closed, inasmuch as the new Bridger Road is now open and cares for the traffic formerly using this old road.

The Board decided to hold hearings on these petitions and set the following dates for such hearings:

The hearing on Road Petition #582 was set for February 10, 1941 at ten o'clock A. M.; on Road Petition #583 for February 10, 1941 at two o'clock P. M.; on Road Petition #585 for February 13, 1941 at ten o'clock A. M.; and on Road Petition #586 for February 13, 1941 at two o'clock P. M.

The Clerk was ordered to post notices for an extra session beginning Wednesday, December 18th, 1940, not to exceed two days.

The Board adjourned at five o'clock P. M.

Tuesday THE 17th DAY OF December 1940

89612-CHRONICLE PUB. CO.

County Commissioners' Office,
Bozeman, Montana.

The Honorable Board of County Commissioners met at the above named office in extra session on Tuesday, the 17th day of December, A. D., 1940 at nine o'clock A. M.

- - - -

Those present were the Hon. W. M. Alberda, Chairman, Hon. P. H. Gaffney, and Hon. R. L. Frank, as Commissioners, and Bess Fowler, Clerk and Recorder, as Clerk to the Board.

- - - -

The following proceedings were had and done, to-wit:

- - - -

Minutes of the previous meeting were read and approved.

- - - -

The Chairman was authorized to approve a National Surety Corporation bond in the sum of \$1185.00, which bond was furnished by Bert Bliler as called for in his contract with Gallatin County for the furnishing of lumber, which award was made to him on November 23rd.

- - - -

The Board entered into a written contract with Dr. C.S. Smith, County Physician, in accordance with the appointment given him on December 7th, 1940.

- - - -

The Board examined and discussed Road Petition #587 laid before them, asking that a road be laid out and built beginning at the Northeast corner of Sec. 14, T1N, R4E, thence running east along the north lines of Sections 14 and 13 a distance of two miles to the Northeast corner of said Section 13. On motion made and carried, the Board denied this petition because of two roads, the "Swamp Road" and the "Compromise Road", which the road petitioned for would connect, running parallel to each other and taking care of the traffic for the present. The two parallel roads mentioned need rebuilding and must be taken care of before the County can build any new roads in that vicinity.

The Board adjourned at five o'clock P. M.

In the case of Mrs. Josie Merrill wherein she complains that the County Assessor has placed an exorbitant value on her bar fixtures and also that the assessment was made against Abigail Smart, whose property she alleges the fixtures are not, and because of this alleged exorbitant assessment she has requested the Board to reduce the valuation to what she feels is a reasonable value. She states she will then pay the taxes on that valuation or she offers to pay taxes on the valuation fixed by the Assessor if the Board will agree to refund that part of the taxes which she alleges to be exorbitant or illegal. The Board refused, feeling they have no legal authority to act at this time.

Concerning Mrs. Abigail Smart, she was notified of this assessment by the Assessor in due time to bring her grievance to the attention of the Assessor, which she did not do. The Board took under advisement the question as to whether the erroneous assessment against Mrs. Smart could be cancelled at this time.

- - - - -

The Board approved the application of Mrs. W. J. Dykes of Logan to the Montana Liquor Control Board for a license to retail liquor in Logan for the year 1941.

- - - - -

The City Commissioners and the City Manager came before the Board to talk over the possibility of the City and County establishing jointly a short wave broadcasting station. The question was discussed and while it was agreed that such a station would be of much value, especially to the sheriff and the police, sufficient data was not at hand to enable the Board to come to any decision. It was agreed to proceed at once to procure the necessary data.

- - - - -

Mrs. Clara Crouse reported to the Board that Dr. Smith, County Physician, had placed Wm. Alexander in her home for a few days' care.

- - - - -

County Commissioners' Office,
Bozeman, Montana.

The Honorable Board of County Commissioners met at the above named office in extra session on Thursday, the 6th day of February, A. D., 1941, at nine o'clock A. M.

Those present were the Hon. P. H. Gaffney, Chairman, Hon. R. L. Frank, and Hon. W. M. Alberda, as Commissioners, and Bess Fowler, Clerk and Recorder, as Clerk to the Board.

The following proceedings were had and done, to-wit:

Minutes of the previous meeting were read and approved.

On motion made and carried the Board went out to the vicinity of Shed's bridge where it had been reported that water is running across the road, presumably from an irrigating ditch. The Board found water running on the road but were unable to determine the source of the water as it came from a distance. It was decided it would be necessary to make further investigation.

Then inspected the upper Madison road. Found this road in fair condition.

The Board telephoned the State Commissioners' organization in Helena regarding some proposed legislation.

The Board sent a telegram to H. H. Hess, Chairman of the Committee on Affairs of Cities, at Helena, protesting the diversion of part of the auto license money to cities.

The Board contacted the local Farm Bureau and they stated they would also send a telegram opposing this proposed bill.

The Clerk was ordered to post notices for an extra session beginning Monday, February 10th, 1941, not to exceed two days.

The Board adjourned at five o'clock P. M.

Dave Vogel objected to the road being closed for the reason that it would isolate him from his pasture and prevent him from getting to the headgate of the dam without going through Clyde Williams' field.

Ed Vogel objected to the closing of this road because he stated it would prevent him from getting to the heading of his ditch without going through Clyde Williams' field.

Charles Papke objected to the closing of the section of this road located above the Fish Hatchery for the reason that he has several cabins for rent located there and they would not be accessible from the new road.

Mrs. Frank Gottlob objected to the closing of the road for the reason that the approach to the new road is too steep and cannot be used during the winter months when it is covered with snow and ice.

Wm. Winters, Malcolm Story, Clyde Williams, the Forestry Department and the Fish Hatchery offered no objections.

The Board decided to view the road again before arriving at a decision.

Saturday THE 6th DAY OF September 19 41

County Commissioners' Office,
Bozeman, Montana.

The Honorable Board of County Commissioners met at the above named office in extra session on Saturday, the 6th day of September, A. D., 1941, at nine o'clock A. M.

Those present were the Hon. W. M. Alberda, Chairman, and Hon. R. L. Frank, as Commissioners, and Bess Fowler, Clerk and Recorder, as Clerk to the Board.

The following proceedings were had and done, to-wit:

Minutes of the previous meeting were read and approved.

The Board sold to Edith M. Boyd of Three Forks Lot 3, Block 29, O. P., Three Forks, at the reappraised price of \$10.00.

County Agent Woolley asked the Board to have two frame buildings on the County Fair grounds moved to another location. He stated he had taken this up with the Fair Board and had their permission to do so. These buildings are to be used for the mixing of grasshopper poison and the storing of weed control equipment. On motion made and carried, the Board went down to look this matter over and decided to have the buildings moved.

County Commissioners' Office,
Bozeman, Montana.

The Honorable Board of County Commissioners met at the above named office in extra session on Thursday, the 9th day of October, A. D., 1941, at nine o'clock A. M.

Those present were the Hon. P. H. Gaffney, Chairman, Hon. R. L. Frank, and Hon. W. M. Alberda, as Commissioners, and Bess Fowler, Clerk and Recorder, as Clerk to the Board.

The following proceedings were had and done, to-wit:

Minutes of the previous meeting were read and approved.

At ten o'clock A. M., in accordance with the notice hereto attached, the Board held a hearing on the petition received on September 17th, 1941, for the creation of a weed control and weed seed extermination district. No one appeared to protest the creation of the district and written consent for the formation of the district was received from owners of more than 51% of the agricultural land in the district. The Board, deeming the creation of said district desirable and for the best interest of all persons interested, on motion made and unanimously carried, declared the district created. This district contains 16,160 acres and is to be known as Valley Center District #2. The boundaries of said district are as follows:-

EXAMINER'S NOTES

The cash in office, cash in banks, bank securities, receipts, disbursements and official bonds were verified by the Examiner.

All cash fund balances as shown by the County Treasurer were in agreement with similar accounts as kept by the County Clerk.

Among the trust accounts of the Clerk of the District Court, we find a great many old accounts that have been inactive for many, many years. We would urgently request that the County Attorney and the Clerk of Court take the matter up with the Judge and endeavor to make some disposition of as many of these old accounts as possible, either by returning same to the rightful owner or by escheating same to the state.

The record of the Coroner is very incomplete as to the description and identifying marks of the deceased. This record should be filled out completely as one never knows when some of this information might become very important in establishing certain facts relating to the deceased.

We are informed that the Coroner is in the Army and the work is being done by a Deputy Coroner. Now that we are at war, there is virtually no chance of the Coroner returning for some time and it might be advisable to declare the office vacant and to appoint some one who is in a position to personally hold the office and to care for the duties of the office. There is some doubt as to the legality of the present procedure as there is no lawful authority for the appointment of a Deputy Coroner.

Among the accounts of the Public Administrator we find a great many old estate balances which have been carried along unchanged for many years. Some of these date back to the terms of former Administrators Heidel and Gracey. We would urgently recommend that the County Attorney check over these old estates and call them to the attention of the District Judge in an effort to eliminate as many as possible by distribution to the proper heirs or by escheating to the State of Montana as provided by law.

The claims for the period were in very good form, properly itemized and duly approved by the Chairman of the Board of County Commissioners. The only claims that might be criticised were the claims of the Probation Officer, such as No. 3169, which should be approved by the Judge of the District Court before being allowed for payment by the County Commissioners.

The reduction of the Outstanding Indebtedness in the amount of \$34,467.58 during the last fiscal year speaks well for the administration of the affairs of Gallatin County.

Respectfully submitted,

A. E. WILLIAMSON,
First Assistant State Examiner.

The Honorable Board of County Commissioners met at the above named office in regular session on Tuesday, the 5th day of May, A. D., 1942, at nine o'clock A. M.

Those present were the Hon. F. E. Gaffney, Chairman, Hon. R. L. Frank, and Hon. W. M. Alberda, as Commissioners, and Bess Fowler, Clerk and Recorder, as Clerk to the Board.

The following proceedings were had and done, to-wit:

Minutes of the previous meeting were read and approved.

Various claims were presented to the Board by the Clerk, and after due consideration, warrants were ordered drawn in payment of same.

In response to letters sent out by this Board on April 29th to the Clerk and Trustees of the Rea School District, J. E. Norton, one of the trustees, reported that it would be satisfactory to use the school house in that district as a polling place on the condition that the County clean the building after it is used.

The Board agreed to do this and decided to change the polling place in Liberty Precinct from the Frank Gray place to the Rea schoolhouse on account of inadequate parking space at the present place.

The County Clerk was so notified as posting of notice of registration must be made by May 7th.

The Board considered a petition signed by W. W. Cloyd and others for abandoning a portion of County Road No. 39 described as follows:

That portion of County Road No. 39 beginning at a point on the north line of Sec. 30, T1N, R5E, said point being one-fourth mile east of the Northwest corner of said Sec. 30; thence due south 3/4 mile to the intersection of said County Road No. 39 and County Road No. 1 (the Penwell Road).

The Board, having discussed the abandoning of said road with the Surveyor and being familiar with the road in question, ordered notices sent by registered mail to the abutting landowners, E. R. Yates of Meridian, Idaho and Beloit College, c/o H. A. Bolinger, City, of their intention to abandon this road and requested that objections, if any, be made to the Board within thirty days.

A special highway transportation permit was issued to John Flikkema to move a house 28 ft. x 32 ft. x 18 ft. high over the County road beginning at a point 1/4 mile south of the Vincent School, thence north over County roads No. 537 and 527 to the Amsterdam Elevator, a distance of 4 1/2 miles.

The Clerk was ordered to post notices for an extra session beginning Thursday, May 7th, 1942, not to exceed two days.

EMERGENCY RESOLUTION

WHEREAS, there was set up as a part of the budget for Gallatin County for the fiscal year commencing July 1, 1941 and ending June 30, 1942, an account designated #209A, Wages and Salaries for Sheriff, and there was appropriated therefor the sum of \$9,230.00 for said fiscal year; and

WHEREAS, because of the happening of the emergency and the contemplated construction of a training camp by the War Department, there was precipitated an immediate necessity for the preservation of order, public property and public health, and whereas, because of the conditions which exist, it is necessary to maintain a deputy sheriff at West Yellowstone and necessary funds are not available under the appropriation provided by the budget;

NOW, THEREFORE, BE IT RESOLVED, That an emergency exists within the purview and scope of Section 4613.6, R.C.
