On motion made and carried, the Board made a trip to the vicinity of Three Forks and Willow Creek to look over the Lane road. The Board arranged to have gravel hauled into at least two bad mudholes so that the road would be passable until the County can gravel the road later. The Board also viewed the road running from Highway No. 10 to Trident where there is a large pipe crossing the borrow pit which Mr. Feistner had complained about. The Board found the pipe to be in good condition and could not see that any difficulty would arise on account of animals burrowing under the pipe.

GENERAL COMMENTS

Official Bonds are on file, properly signed and approved.

Cash on hand, Bank Balances and Investments were verified.

The system in use in lieu of Delinquent Tax Receipts, used for the payment of Delinquent Taxes between December 1st and May 31st following, is not in accordance with prescribed forms recommended by the Examiner's Office. Delinquent Tax payments for this period can only be verified by a tax audit. We suggest that the recommended system be adopted for your next year's collection.

At present there are large amounts carried in the Personal Tax account and the Motor Vehicle Tax account. We recommend that distributions be made at the end of each month's business of both of these accounts. The Tax Deed account in the Clerk and Recorder's Office is set up from appraised valuations instead of the actual cost or value of original taxes against the property at the time of taking Tax Deed. An actual inventory must now

Tuesday THE 15th DAY OF July 19 46

(Examiner's Report Continued)

be made and the Tax Deed account should be adjusted to conform to the inventory; then as sales are made any loss or gain should be handled through the Loss and Gain account provided for that purpose.

The Public Administrator has several very old accounts that should be escheated. Several of these accounts date back ten to fifteen years and more.

We recommend that Justices of the Peace be asked to make monthly reports instead of quarterly.

In checking the Justice Dockets of Justice Dean Houseman at West Yellowstone, we were unable to find any receipts for payments made to the County Treasurer. The Only verification that could be made was through the records of the County Treasurer, and reconciliation could not be made with records in the Justice Docket.

The Officers and personnel were very courteous and cooperative during this examination.

Respectfully submitted,

A. J. KALBERG,
Deputy State Examiner

EXAMINER'S COMMENTS

Claims are well itemized and approved by proper officials.

Minutes are up to date and signed.

Accounts are all in reconciliation with County Treasurer and Clerk and Recorder's accounts.

We question the legality of the investment fund; this defeats the purpose of the budget law.

Respectfully submitted,

The Board had a meeting with the City Commissioners and it was agreed that in case the law does not require that the members of the Gallatin Field Board be bonded that the resolution between the City and the County creating this Board be amended to read that no bond be required by the members.

County Welfare Supervisor Muller with Neal D. Kinyon of 121 Broadway, Bozeman, met the Board and discussed the case of Mr. Kinyon who was injured while in the employ of the City. He claims to have payments due him from the Industrial Accident Board but in case he does not receive these payments the Board of County Commissioners agreed to pay for \$20.00 worth of groceries at Sawyer's for Mr. Kinyon and his family.

The Board agreed to pay for fuel used by G. M. Lowe of Bridger Canyon in plowing snow off the road for a distance of approximately 15 miles.

Ralph G. Page, Manager of the East Gallatin Sanitarium and the Three Forks Sanitarium, reported to the Board that Herman Herrin had left the East Gallatin Sanitarium and that he could not control him so as to move him to Three Forks. HiOctane gasoline (tank wagon) increased from \$.20 to \$.21½;

On motion made and unanimously carried, the following Resolution was adopted:

WHEREAS, there is now located on what is commonly known as the Gallatin County Fair Grounds, a building, known as the Grandstand, which is owned by the County of Gallatin, Montana, and managed and operated by its Board, termed the Gallatin County Fair Board;

WHEREAS, Homer Fisher, the then and presently acting Secretary of the Gallatin County Fair Board, called to the attention of the Board of County Commissioners of Gallatin County, Montana the physical condition of said Grandstand;

WHEREAS, the Gallatin County Fair Board further informed this Board of County Commissioners of Gallatin County, Montana, that they were unable to renew their insurance because of the decrepit and poor physical condition of said Grandstand;

WHEREAS, the Board of County Commissioners, on September 12, 1947, made a thorough and complete inspection of the Grandstand building located on the County Fair Grounds and determined that it was impossible to use it further for its avowed purposes without complete repair on the floor and removal of the roof, and that the estimated cost of repairs would be at least Three Thousand (\$3,000.00) Dollars.

WHEREAS, the County Fair Board met with the Board of County Commissioners of Gallatin County, Montana on December 4, 1947 and discussed thoroughly the question of the present condition of this Grandstand located on the County Fair Grounds at Bozeman, Montana, and from such discussion it was decided that even with the suggested repairs, it was quite doubtful whether it would place the Grandstand in such a condition as that it would be insurable and that Gallatin County and the County Fair Board of said County could not use said grandstand without insurance coverage, for its avowed purposes, and that therefore, for the proper preservation of the County property, said Grandstand building should be condemned and sold, under the provisions provided for the sale of County property.

NOW, THEREFORE, Be It Resolved that the Grandstand located on the County Fair Grounds in the City of Bozeman, County of Gallatin, State of Montana, is in such physical condition that it is necessary for the preservation of the property of Gallatin County that it be condemned and sold and that the said Grandstand, in its present physical condition is not capable of satisfactory repair and that said Grandstand, in its present condition is not necessary for the conducting of the County's business;

BE IT FURTHER RESOLVED, That the Board of County Commissioners shall proceed, under the

Wednesday THE 17th DAY OF December 1947

statutory provisions, to sell said Grandstand, under the provisions of the law, as provided in Chapter 345 and Sections thereunder, as amended, Revised Codes of Montana, 1935.

Dated this 17th day of December, A. D., 1947.

County Commissioners' Office,
Bozeman, Montana.

The Board of County Commissioners met at the above named office in extra session on Friday, the 9th day of January, A. D., 1948, at nine o'clock A. M.

Those present were E. J. Parkin, Chairman, Wm. A. Wortman, and J. O. E. Nelson, as Commissioners, and Bess Fowler, Clerk and Recorder, as Clerk to the Board.

The following proceedings were had and done, to-wit:

Minutes of the previous meeting were read and approved.

The Clerk was ordered to post notice for an extra session beginning Monday, January 12, 1948, not to exceed two days.

On account of default in making payment and also because Ernest H. Haas had notified the Board by letter and had returned the contract to the Board stating that he did not intend to complete his contract with the County for the purchase of the following lots located in Northwest Townsite Company's First Addition to the Town of Three Forks, the Chairman was authorized to cancel said contract, which was dated March 11, 1946:

- Lots 2 to 6, incl. and 8 to 14, incl., Blk. V;
- Lots 1 to 3, incl. and 5 to 9, incl., Blk. VII;
- Lots 1 to 10, incl. and 12 to 14, incl., Blk. VIII;
- Lots 1 to 4, incl. and 6 to 14, incl., Blk. IX;

- Lots 1 to 6, incl. and 8 to 14, incl., Blk. XII;
- Lots 1 to 13, incl., Blk. XIII.

The Board wrote a letter to the County Treasurer notifying him of the cancellation of the contract and authorizing the cancellation of the 1947 taxes amounting to \$24.06 against said property, copy of which letter was sent to the County Clerk and to the County Assessor.

On motion made and unanimously carried, the following Resolution was adopted:

R E S O L U T I O N

WHEREAS, Section 4613.6, R. C. M., 1935, provides in part that in order to meet mandatory expenditures required by law, the County Commissioners may upon adoption, by unanimous vote of all members present at any meeting, the time and place of which all members shall have had reasonable notice, of a Resolution stating the facts constituting the emergency and entering the same upon their minutes, make the expenditures or incur the liabilities necessary to meet such emergency without further notice or delay; and

WHEREAS, the present Judge of the Eighteenth Judicial District, The Honorable Harry A. Bolinger, intends to call a jury term on January 28, A. D., 1948; and

WHEREAS, since the creation of the separate Eighteenth Judicial District for the County of Gallatin, State of Montana, there has been a tremendous increase in court business, necessitating the absence of Lee Hays, Clerk of the Court, from his own office; and

WHEREAS, the calling of the term of Court as proposed by The Honorable Harry A. Bolinger, Judge of said District, will mean an immediate preparation of jurors' lists for the trial of said cases; and

WHEREAS, the preparation of said jurors' lists is a long, tedious, and complicated business necessitating many man hours; and

WHEREAS, the present Clerk of the Court and his deputy, Evelyn Thompson, are completely occupied with the present business of the Court; and

WHEREAS, it appears that an appropriation in the amount of four hundred dollars (\$400.00) in addition to the sums already appropriated for the Clerk of the Court's budget for special help to prepare the necessary jurors' lists is necessary to meet the expenditures for extra help to prepare the said jurors' lists; and

WHEREAS, because of the existence of the above named facts there exists an emergency which could not have been foreseen at the time of the making of the Clerk of the Court's budget, due to the creation of a separate Judicial District, the illness of the present Judge, and the increased business of the present Court, and the lack of available help and time of the present Clerk of the Court's employees to prepare for said term of Court;

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of the County of Gallatin, State of Montana, in extra session assembled, all members thereof being present and concurring in the deliberations of said Board, as required by law, and deeming that a public emergency exists as hereinbefore set out, and that it is now necessary to make additional appropriations for the payment of mandatory expenses, as required by law, and that the sum of four hundred dollars (\$400.00) should be appropriated, set aside, and credited to the Clerk of the Court's budget for said extra help in addition to the sum of money heretofore appropriated and set aside in said Clerk of the Court's budget, and that his said budget be credited therewith in order that the proper authorities may make such expenditures and incur such liabilities as are necessary to meet such emergency without further notice of hearing.

The following proceedings were had and done, to-wit:

Minutes of the previous meeting were read and approved.

At ten o'clock A. M., in accordance with the Notice hereto attached, a hearing was held to consider the Petition presented by the County Clerk on August 12th, 1948 for the creation of Meadow View Public Cemetery District, after which the following Resolution was unanimously adopted:

RESOLUTION RELATING TO THE QUESTION OF THE CREATION OF MEADOW VIEW PUBLIC CEMETERY DISTRICT CONTAINING A TERRITORY CONSISTING OF A PORTION OF GALLATIN COUNTY, MONTANA, WITHIN THE FOLLOWING ELECTION PRECINCTS, NAMELY:-BELGRADE NO. 17, HILLSDALE NO. 19, MENARD NO. 23, MANHATTAN NO. 26, HOLLAND NO. 28 AND LOGAN NO. 29, APPROVING SAID PETITION FOR THE CREATION THEREOF, ORDERING THAT THE QUESTION OF CREATING SUCH PUBLIC CEMETERY DISTRICT BE DETERMINED AT THE NEXT GENERAL ELECTION NOVEMBER 2, 1948, AND IF CARRIED AT SUCH ELECTION THEN THE COUNTY COMMISSIONERS WOULD BE AUTHORIZED TO APPOINT TRUSTEES, AND ANNUALLY, AT THE TIME OF LEVYING COUNTY TAXES, FIX AND LEVY UPON ALL PROPERTY WITHIN SAID CEMETERY DISTRICT, SUFFICIENT TO RAISE THE AMOUNT CERTIFIED IN THE BUDGET BY THE BOARD OF CEMETERY TRUSTEES, AND THE TAX SO LEVIED SHALL NOT EXCEED ONE (1) MILL ON EACH DOLLAR OF TAXABLE VALUATION ON THE PROPERTY OF SAID DISTRICT.

WHEREAS, the County Clerk has heretofore, on August 12, 1948, presented a petition signed by more than twenty per cent (20%) of the citizens who are owners of land located within the proposed Meadow View Public Cemetery District, whose names appear as such owners of land upon the last completed assessment roll for state and county taxes of Gallatin County, Montana, for the year 1948, which land comprises a portion of Gallatin County and is included within the following election precincts, namely:-Belgrade No. 17, Hillsdale No. 19, Menard No. 23, Manhattan No. 26, Holland No. 28, and Logan No. 29, and the petition requests that the territory within the boundaries described be organized into the Meadow View Public Cemetery District;

WHEREAS, the said petition so filed and presented was carefully examined and investigated as to the method of ascertaining qualifications of signers and other investigations having been made and it having been found that the petition was in proper order and form and bears the requisite number of signatures of qualified petitioners and is in all other respects sufficient;

WHEREAS, the Board of County Commissioners accepted said Petition and ordered a Hearing before themselves at an extra session Tuesday, September 14, 1948, at ten o'clock A. M. at the Commissioners' Room in the Gallatin County Court House in Bozeman, Montana, and that notice of the time and place of hearing was given by publication for two weeks in the official paper of Gallatin County, the Bozeman Daily Chronicle, namely, on August 26th, September 2nd, and September 9th, 1948, and proof of publication thereof has been filed with the Clerk of this Board of County Commissioners;

WHEREAS at said time and place a hearing was had, all three of the Gallatin County Commissioners being present and participating therein, namely, E. J. Parkin, Chairman, Wm. A. Wortman, and J. O. E. Nelson, and the following persons were present, namely, John P. Roth, Neal I. McLees, Ray Rash, Mrs. Floyd Bates, Mrs. Guy Oman, Guy Oman, J.F. White, and Iva G. Lemons, petitioners, who were represented by their attorney, Lloyd M. Johnson, and there being no one present in opposition to said proposed creation of the Meadow View Public Cemetery District, the Commissioners proceeded with the hearing and heard the testimony and proofs offered by the petitioners;

AND THEREFORE, the Board of County Commissioners of Gallatin County finds as follows:

That the Meadow View Cemetery Association was incorporated April 2, 1896, and for the past fifty-two years the cemetery has been kept up and maintained by the voluntary contributions of money, labor and equipment on the part of a comparatively few people in the community whose relatives are buried there; and that the burden of maintaining the cemetery is too great for the few people to carry and should be a public responsibility;

That the creation of the public cemetery district will be a distinct benefit to the area included within the district, and in order that adequate and proper burial facilities may be assured for the future, the creation of the proposed district should be approved.

THEREFORE, BE IT RESOLVED, by the County Commissioners of Gallatin County, Montana, in extra session assembled, all three Commissioners being present and voting unanimously therefor, that the proposed Meadow View Public Cemetery District should be created, said district containing a territory consisting of a portion of Gallatin County, Montana, within the following election precincts, namely: Belgrade No. 17, Hillsdale No. 19, Menard No. 23, Manhattan No. 26, Holland No. 28 and Logan No. 29, and the boundaries of the proposed district are definitely described in the petition as follows:

GENERAL COMMENTS

Receipts, disbursements, cash in office, bank balances, investments and depository securities were verified.

Funds on deposit were fully protected by pledged legal securities.

Official Bonds were on file, properly signed and approved.

Current Tax Receipts covering first half of taxes for any year, that should be cancelled on account of delinquency, on December 1st, are used as a delinquent receipt from December 1 through May 31. This is not according to prescribed system.

Justices of the Peace should remit all fines and fees each month.

Claims for the period were examined and found to be well itemized, signed and approved prior to payment. We wish, however, to mention Claim Number 980, Warrant Number 7061, Amount \$25.24, covering trip to Helena. We find no provision whereby this claim should be allowed. Also trips of Commissioners to north of Columbus to view a scraper, or a member to Big Timber to look at a shovel. Commissioners may not be paid per diem or expense for such trips. We refer you to Section 443, R. C. M., as amended and also Opinion Number 274, Volume 19 of Opinions of the Attorney General.

Under minutes of the Board of November 20, 1947, the Board rented from the Western Construction Equipment Company a Model 205 Koehring Dragline at \$600.00 per month, beginning December 1st, 1947. On May 20, 1948, after a call for bids, the Commissioners purchased from the above company a used Model 205 Koehring Dragline for \$8,650.00. This, apparently, was the same machine the County had been renting for several months at \$600.00 per month, in which case this dragline cost the County over \$12,000.00.

We also wish to call Commissioners' attention to Opinion 130, Volume 22 of the Attorney General.

We wish to thank the officers for their fine cooperation during the examination.

Respectfully submitted,

C. H. Lowe,
J. A. Buley,
Deputy State Examiners

Upon learning that Senator Zales Ecton is in Bozeman and might be able to give some assistance in procuring aid the meeting was adjourned until three o'clock P. M.

At three o'clock P. M. the meeting was called to order by Wm. A. Wortman, Chairman of the Board of County Commissioners.

Those in attendance, besides the Board of County Commissioners, were stockmen of Gallatin County, businessmen of Bozeman, members of the press and radio, County Agent Shaw, Senator Zales Ecton, W. W. Lessley, Chairman of the Red Cross, and other interested persons.

The meeting was turned over to Hollis Elliott of the Bozeman Chamber of Commerce.

Mr. Elliott stated that the purpose of this meeting is to discuss the situation as it exists today, and called on Surveyor Waldorf to give the group a report on county road clearing operations.

Mr. Waldorf stated that he had called Scott P. Hart, State Highway Engineer and State Co-ordinator for Livestock Preservation, to whom he has to give a complete financial report of the county road fund. In addition he stated that all county equipment is being used and also that the county is putting into operation all privately-owned bulldozers and that additional equipment would be needed to cope with the situation. Mr. Waldorf stated that he had been advised by Mr. Hart that equipment would be sent to this county to aid in clearing of roads.

Senator Ecton stated that Federal assistance would not be made available until definite and specific cases are reported requiring emergency assistance of such magnitude that it is beyond County and State facilities.

On motion by George Sinton the meeting was adjourned.

The Board made arrangements with Dick Hill of the Bozeman Aviation Service to make a survey by air over Trail Creek, Anceny, Madison, Cottonwood Canyon, Maudlow, Springhill, Horseshoe Hills and Sedan, in an endeavor to learn of people in need of food, fuel or medical aid.

It was agreed that a blanket or other dark object should be displayed in a conspicuous place around the farmstead indicating that aid is needed, whether it be for food, fuel or sickness. The planes would land if possible and learn what is needed. Mr. Neath of the KXLQ radio station agreed to give this radio publicity tonight and in the morning.

The air survey is to be at County expense. All food, fuel or medical supplies will be at the expense of the individuals served.

The cost of the aerial survey is to be \$10.00 to \$11.50 per plane per hour dependent upon the planes used. It was estimated this survey could be made for approximately \$60.00.

The Board adjourned at five o'clock P. M.
