CITY OF BOZEMAN INITIATIVE

INITIATIVE NO. 19

The purpose of this ballot issue is to amend Chapter 3.24 of the Bozeman Municipal Code by raising the percentage at which development impact fees are charged for water, wastewater and street impacts. The proposed amendment would raise water and wastewater impact fees from fifty percent (50%) of the calculated charge to ninety percent (90%) on January 15, 1999. The proposed amendment would raise the street impact fee from ten percent (10%) of the calculated charge to seventy-five percent (75%) on January 15, 1999 and then from seventy-five percent (75%) to ninety percent (90%) on July 15, 1999.

FOR amending the Bozeman Municipal Code to raise the amount of development impact fees charged for water, wastewater and street impact fees.

AGAINST amending the Bozeman Municipal Code to raise the amount of development impact fees charged for water, wastewater and street impact fees.
