CONSTITUTIONAL AMENDMENT 36
 If the Montana Board of Investments had the option of investing local government self-insurance funds in common stock, the total return on these funds would increase. The Montana Common Stock Pool twenty-four year average annual total rate of return is 15.8 percent compared to 10.1 percent on the Bond Pool. The actual total return increase will depend on the portion of funds invested in corporate stock and the relative performance of stocks and bonds.

FOR allowing a maximum of 25% of a local government group self-insurance program's assets to be invested in private corporate capital stock.

AGAINST allowing a maximum of 25% of a local government group self-insurance program's assets to be invested in private corporate capital stock.

CONSTITUTIONAL AMENDMENT 37
 FOR requiring that signatures be gathered in at least one-half of the counties rather than two-fifths of the legislative districts for constitutional initiatives.

AGAINST requiring that signatures be gathered in at least one-half of the counties rather than two-fifths of the legislative districts for constitutional initiatives.

CONSTITUTIONAL AMENDMENT 38
 FOR requiring that signatures be gathered in at least one-half of the counties rather than one-third of the legislative districts for statutory initiatives.

AGAINST requiring that signatures be gathered in at least one-half of the counties rather than one-third of the legislative districts for statutory initiatives.

CONSTITUTIONAL AMENDMENT 39
 If the Montana Board of Investments had the option of investing public funds in common stock, the total return on public funds invested would increase. The Montana Common Stock Pool twenty-four year average annual total rate of return is 15.8 percent compared to 10.1 percent on the Bond Pool. The actual total return increase will depend on the portion of funds invested in corporate stock and the relative performance of stocks and bonds.

FOR allowing the investment of public funds, including school trust funds, in private corporate capital stock in accordance with recognized standards of financial management.

AGAINST allowing the investment of public funds, including school trust funds, in private corporate capital stock in accordance with recognized standards of financial management.

INITIATIVE REFERENDUM NO. 117
 It is not possible to determine the financial impact of this proposal due to the uncertainties in the electricity and bond markets.

APPROVE House Bill 474, a bill that changes provisions of the deregulation of the electricity industry.

REJECT House Bill 474, a bill that changes provisions of the deregulation of the electricity industry.

INITIATIVE NO. 145
 Costs for assessing if acquisition of one or more hydroelectric facilities is in the public interest could be from \$6 to \$12 million. Purchase price and other costs are undeterminable now.

FOR creating a public power commission to purchase or condemn hydroelectric dams whose acquisition it determines to be in the public interest.

AGAINST creating a public power commission to purchase or condemn hydroelectric dams whose acquisition it determines to be in the public interest.

INITIATIVE NO. 146
 The initiative will annually require \$14 million of tobacco settlement funds currently deposited in the state general fund to be deposited: \$9.1 million into a fund for tobacco disease prevention and \$4.9 million into a fund for providing health insurance benefits to those who cannot afford or acquire them.

FOR dedicating 49 percent of Montana's yearly tobacco settlement funds for tobacco disease prevention and expanding access to health insurance programs.

AGAINST dedicating 49 percent of Montana's yearly tobacco settlement funds for tobacco disease prevention and expanding access to health insurance programs.
