Your petitioners do respectfully ask and petition that a County Road, sixty feet in width, to be a public highway, to be laid out, located and established, and show:— (a) The general route of the proposed road; (b) over what lands it is proposed to be established; (c) who are the owners thereof; (d) whether such of them as can be found, consent thereto; (e) who of them do not consent; (f) the probable cost of the right-of-way where such consent is not had; (g) the necessity for and the advantages of the proposed road as follows, to-wit:

Beginning at a point in the road leading from Logan to the Madison valley, at the foot of the hill East of the Moss place, on the N.E. 1/4 of Sec. 10 T. 1 N. R. 2 E. where the new road as constructed leaves the old road, thence along said new road, to the east of said old road, keeping along the foot of the bluffs, and intersecting said old road at the turn in the road where said old road runs west on the north side of John Crawley's house, ^{on the S. side of Section 10, said T. & R.} The portion of the old road from the above described starting point to the terminus of the proposed change, to be vacated and discontinued. The land over which the proposed change passes is owned by J. M. Malin, M. H. + W. E. Crowley, who consent to give the right of way and have constructed the proposed change which is now open + traveled, the proposed road is on a more uniform grade, on better material for a road, is no longer, and will save several crossings over a proposed irrigating ditch.
