 same, over which the proposed road passes, and probable cost of constructing the said road, as follows:

The width of the proposed road is 40 feet.

The description of the center line is as follows to-wit:—

 4 said T. & R. to the Belgrade road or (Flannery Lane)
 the terminus of the road as described in the petition,
 the length of the proposed road is $4\frac{3}{4}$ miles,
 the line of the proposed road is defined by the U.S.
 Sec. Corners and subdivision lines. The portions

from the starting point to the N.W. Corner of Section 22 will require surveying to properly establish the line of the road, from said N.W. Corner of Sec 22 to the terminus was surveyed in Jan. 1903 and all U.S. Gov. Corners are marked with iron monuments, the ground over which the proposed road passes is nearly level and suitable for road building except three swampy places on Section 22, which are short and can be drained.

The lands over which the proposed road passes and names of the owners thereof are shown on the annexed map. The probable cost of constructing the proposed road is as follows, on the portion from the starting point to the N.W. Cor. of Sec. 22.

For Culverts,	\$5600
For Grading,	22000
On the remaining portion of the road,	
for culverts & bridges,	50850
for grading,	12000
Total probable cost,	\$90450

2. The names of the land owners who consent to give the right of way, and we hereto attach their written consent, as follows:

Mrs. May M. Jones gives right of way.
J.H. Wells " " " " and donates \$25.00
Chas. Border. ^{see Road No. 211} Chas. A. Buckes.
through Jones and old the right of way has been secured.
see Road No. 211 & Jones will donate \$50.00

3. The names of the land owners who do not consent, and the amount of damages claimed by each, as follows:

M.H. Allen claims \$75.00 and fence.
Chas. Beck will give all the right of way on line between his land and and the east side of Allen's land for the east of 3/4 mile of fence, or will give all the right of way between his land and Allen's a distance of 3/4 mile and fence same for \$475.00

Pat Tashy claims damages for land at \$20.00 per acre 365 acres \$73.00
for fence \$175.00
\$248.00

4. The estimate of damages in excess of benefits to the owner of any land over which it is proposed to run the highway, as follows:

To M.H. Allen for 1/2 of right of way on N. side of NE 1/4 of SE 1/4 of Sec 22 \$75.00
For 1/2 mile of fence at 45¢ per rod 72.00
Total to Allen 147.00

To Chas. Beck for 1/2 of right of way on S. side of SE 1/4 of NE 1/4 of Sec 22 75.00
For 1 mile of fence at 45¢ per rod 144.00
Total to Beck 219.00

We believe the benefits to Pat Tashy will fully equal the damages, as he has no public road to his land.

5. The following facts, bearing upon the subject, which may be of importance to the Board:

While this proposed road will be more expensive to construct than the road petitioned for by A. T. Hamilton et al and revised on Nov. 21 1904, WE believe it to be a more satisfactory road and of greater public benefit.

We believe said road _____ to be practical and _____ of public utility and necessity and do _____ recommend the establishment of the same.
