REPORT OF ROAD VIEWERS.

ROAD NO. 253

TO THE HONORABLE BOARD OF COUNTY COMMISSIONERS OF GALLATIN COUNTY, MONTANA:

We, the undersigned Road Viewers, consisting of S. Cameron, H. Hurl, & C.M. Hopkins

appointed to view a proposed road running from the Godfrey Canyon Road at or near the S.E. Corner of Sec. 2 T. 25. R. 3 E. thence west, and north, and North East to said Godfrey Canyon Road in Sec. 26 T. 15. R. 3 E. as described in the annexed petition, say, That on the 26th day of April A. D., 1905 we assembled at the place designated in the petition, as the starting point of such proposed road and proceeded to view the same, and submit the following report:

1. The width of the proposed road, the description of the center line of the same, the length, how defined, the marks ~~and sources~~, grades, character of ground, description of the land and owners of the same, over which the proposed road passes, and probable cost of constructing the said road, as follows:

The width of the proposed road is 40 feet.

The description of the center line is as follows to-wit:

Beginning at a point in the Godfrey Canyon Road at or near the S.E. Corner of Sec. 2 T. 25. R. 3 E. thence west along the section line between sections 2 and 11 said T. & R. to the steep bluff near where Alva Weidenaar lives where we leave the line running to the south on a grade not exceeding 10% up the bluff thence north westerly back to the section line at the top of the hill thence along said section line to the hill between lands owned by Peter Alberda, John Weidenaar, where we leave the line running to the north on a grade not exceeding 10% up the hill, thence south west to said section line, thence west to the S.W. corner of section 2, thence north along the traveled road to J. Braabson's ditch on top of hill. to the east of the west line of Sec. 2 thence along said ditch, and north westerly along the top of the ridge to the west line of said Sec. 2 intersecting the same about 1/4 mile S. of the N.W. corner of said Sec. 2, thence north along said section line, and along the line between sections 34 and 35 T. 15. R. 3 E. To the north side of the gulch, thence running down said gulch through sections 35 and 26 and intersecting the said Godfrey Canyon Road on the S.E. 1/4 of Sec. 26 said T. & R.

The length of the proposed road is about 3 1/2 miles

The line of the proposed road is defined by blague posts and stakes. The grades will not exceed about 10% when properly graded. The character of the ground is suitable for road building. For description of land and names of owners

over which the proposed road passes see annexed map.
The probable cost of constructing this proposed road is as follows.

For bridges and culverts:

\$169.00

For Grading

225.00

Total probable cost.

\$394.00

2. The names of the land owners who consent to give the right of way, and we hereto attach their written consent, as follows:

John Weidemann consents on sec. line, but as this line is rough and expensive for road building we have revised the road to follow the traveled road to the east of the west line of sec. 2. Mr. Weidemann prefers this line and we believe will make no claim for damages.

3. The names of the land owners who do not consent, and the amount of damages claimed by each, as follows:

John Braaksma		\$ 120.50
P. Albeda	Stock Pass and	275.00
W. G. I. Co.		
H. H. Klugkist	Lessee of State Lands	175.00

4. The estimate of damages in excess of benefits to the owner of any land over which it is proposed to run the highway, as follows:

to John Braaksma for 1/4 acre of land at \$25.00	\$ 31.25	
" " " " 3/8 mile of fence @ 45¢ per rod	54.00	
		85.25
to P. Albeda on S.E. 1/4 of sec. 2 1/4 acre of land at \$25.00	31.25	
" " " " " 1/4 mile of fence @ 45¢ per rod	36.00	67.25
" State of Montana H. H. Klugkist Lessee 1 mile of fence		144.00
to all other land owners we believe the benefits will more than equal the damages. and have only allowed damages where they have roads.	296.50	

5. The following facts, bearing upon the subject, which may be of importance to the Board:

We find the road needed as an outlet for settlers, and as the community is rapidly settling up the need for the road will increase.

We believe said road _____ to be practical and _____ of public utility and necessity and do _____ recommend the establishment of the same.

Gentlemen:-

I herewith present to your honorable body a claim for \$192⁰⁰ as damages should the road petitioned for by J^m Broekema et al, N^o 253, be established as a County road, as the fence which it will be necessary for me to build will cost far more than that amount.

The viewers on above road did not allow me any damages but I think I should be allowed the above sum, viz \$192⁰⁰ or about one half of the cost of building fence necessary should the road be established.
