County Clerk

PETITION FOR DISCONTINUANCE OF HIGHWAY AND LAYING OUT
OF NEW HIGHWAY.

To the Honorable Board of County Commissioners
of Gallatin County, Montana:

The undersigned, free-holders of road district No, 4 of Gallatin County, State of Montana, and taxable therein for road purposes hereby petition your Honorable Board to discontinue that certain highway in road district No. 4 in said county and state described as follows:

Commencing at the southeast corner of the northeast quarter of section seventeen (17) township two (2) south of range five (5) east, and running thence west half a mile along the dividing line between the lands of Mrs. A. J. Rowland and E. A. Bradley to the south^{west}~~east~~ corner of the northeast quarter of said section seventeen (17); thence running south one-fourth mile along the line dividing the lands of E. A. Bradley and E. B. Lanne to the south^{west}~~east~~ corner of the northeast quarter of the southwest quarter of said section seventeen (17); thence running west one and one-fourth mile through the lands of E. B. Lanne to the northwest corner of the southeast quarter of the southwest quarter of section eighteen (18), township two (2) south of range five (5) east. The said road being known as road No. 22 established June 1884 on the map of the county surveyor of said Gallatin County, Montana.

Your petitioners further pray your Honorable Board to open and lay out a new highway ^{60 feet in width} in said road district No. 4 of said Gallatin County, Montana, along the following described course:

Commencing at the southwest corner of the northwest quarter of the southwest quarter of section eighteen (18), township two (2) south of range five (5) east; thence ^{north} one-half mile along the dividing line between the lands of E. B. Lamme and John Collett; thence continuing north one-fourth of a mile along the dividing line between the lands of E. B. Lamme and Rudolph Michel to the northwest corner of said section eighteen (18).

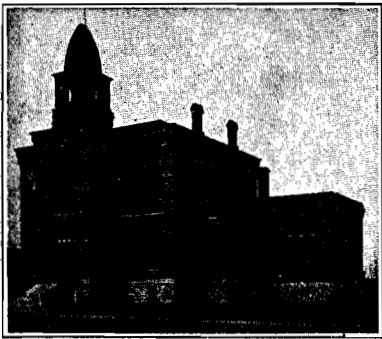

Your petitioners further represent and show that the owners of the lands through ^{which} and over ^{which} said road hereby petitioned to be discontinued, and through ^{which} and over ^{which} the road hereby petitioned to be opened and laid out, consent to the discontinuance of the road first hereinabove described, and to the opening and laying out of the new highway last hereinabove described.

Your petitioners further show that the laying out of said proposed new road will be advantageous to the residents of said road district and of said county because of the fact that there is now no road north and south in said vicinity for a distance of about four miles, and that the laying out of said new road would entirely dispense with the necessity for the further continuance and maintenance of the said road proposed to be abandoned, hereinabove described and that the laying out of said proposed new road would accommodate a larger number of people than said road proposed to be discontinued.

Dated this first day of May, 1905.
