County Clerk

Petition for Road.

To The Hon. Board of County Commissioners, of Gallatin County, Mont.:

THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents of and freeholders in Road District No. 9 in the County of Gallatin, State of Montana, and taxable therein for road purposes, where the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that the County Road No. 81, be changed as follows, feet in width, to be a public highway, to be laid out, located and established.

And show

- (a) The general route of the proposed road.
- (b) Over what lands it is proposed to be established.
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto.
- (e) Who of them do not consent.
- (f) The probable cost of such right-of-way where such consent is not had.
- (g) The necessity for and advantages of the proposed road as follows, to-wit:

Commencing on the Springhill road - No. 81 - about forty rods east of the Northwest corner of the ^{S 2 1/4 of the} Southeast quarter of Sec. 13, T. 1 N., R. 5 E. and make the present county road so as to run nearly North and South through the S. W. 1/4 of the S. E. 1/4 of Sec. 13, T. 1 N., R. 5 E.

(c) D. O. Holland is the owner of the land over which the proposed road will run, and he agrees to fence and make the roadbed as good as the present road, with the exception of building one bridge across an irrigating ditch - as the present road needs a new bridge across the same ditch.

(g) The change will shorten the present road, if anything, and will be equally as convenient to the public.
