County Clerk

Petition for Road.

To The Hon. Board of County Commissioners, of Gallatin County, Mont.:

THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents of and freeholders in Road District No. 7, in the County of Gallatin, State of Montana, and taxable therein for road purposes, where the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that a County Road Forty feet in width, to be a public highway, to be laid out, located and established.

And show

- (a) The general route of the proposed road.
- (b) Over what lands it is proposed to be established.
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto.
- (e) Who of them do not consent.
- (f) The probable cost of such right-of-way where such consent is not had.
- (g) The necessity for and advantages of the proposed road as follows, to-wit:

(a) starting at the Center of Section One (1) running west one half mile to a point in the center of the east line of Sec (2) 3. S. 5. E. in Gallatin County, Montana.

(b) On the half section line between the N.W. $\frac{1}{4}$ and the S. W. $\frac{1}{4}$ of Section One (1) Tp. 3. S. 5. E.

(c) T. F. Stevenson and J. N. Ramsay

(d) *T. F. Stevenson & J. N. Ramsay*

There is now about a thirty foot road there but it is not exactly on the line between to two half sections, and it being too narrow to do the proper grading to make a desirable county road. And it is the only cross road south of the south end of the J. L. Patterson Ranch, making a distance of about three miles to the Mountains with only one road, running from what is called the Middle Creek road to what is called the west Sourdough road.
