PETITION FOR CHANGING LOCATION OF  
COUNTY ROAD.

To the Honorable Board of County Commissioners of Gallatin  
County, Montana: *H. S. Buell*

The Undersigned, your petitioners, citizens of the United States, respectfully show and represent that they are a majority of the freeholders and owners residing upon the lands abutting what is known as the Lower Camp Creek County Road, in Road District No. *A 2 and 8*, in Gallatin County, Montana, <sup>and</sup> do hereby most respectfully petition your Honorable Body, in accordance with the provisions of Sections Nos. 1409 and 1410, Revised Codes of Montana, 1907, for the changing of the course of said county road where the same runs through West Half of Section Twenty-seven (27) in Township One (1) South of Range Three (3) East, in said County and State, so that the same shall follow the foot of the slopes to the north and west of the present line of road and in such manner as to leave the bottom land in said half section all in one field for convenience in the cultivation and irrigation thereof.

Moreover, we believe that said proposed change of road will result in making a more satisfactory road bed than could possibly be maintained where the present road runs, in that the new road bed will have better drainage and will at all times be free from damage <sup>from</sup> irrigation and irrigation culverts, as the laterals and distributing ditches on said lands will run along the lower side of said proposed new road bed.

H. S. Buell Land Company, the owner of said West Half Section 27 agrees to bear all cost and expense incident to changing said road in accordance with this petition and will put same in first class condition for travel.
