THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents and freeholders in Road District No. 3, in the County of Gallatin, State of Montana, and taxable therein for road purposes, when the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that a County Road 60 feet in width, to be a public highway, to be laid out, located and established.

And show

- (a) The general route of the proposed road.
- (b) Over what lands it is proposed to be established.
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto.
- (e) Who of them do not consent.
- (f) The probable cost of such right-of-way where such consent is not had.

(g) The necessity for and advantages of the proposed road as follows, to-wit:

(a) Starting at the south-east corner of north-east quarter of Section 34, Township 2 N., Range 3E. thence west about 100 rods to east side of a slough, thence in a north-westerly direction to west line of North-east quarter of Section 34.

(b) Over lands of J. W. Curtis.

(c) Jay W. Curtis.

(d) Yes.

(e) None.

(f) Not to exceed \$200.

(g) This change of road with a bridge at a point directly below confluence of East and West Gallatin Rivers will allow farmers of Horse Shoe Hill country, Little Basin and west part of Cottonwood Bench to get their crops to market. It is intended to abandon all of that part of the old road starting 100 rods West of the south-east corner of Section 34, T 2 N., R 3 E., running west to south-west corner of North-east quarter of Section 34 and thence north to point of intersection with new proposed road.

Note:-

The road as laid out does not agree with this petition but runs North from the center of Sec. 34 to the town of Manhattan.
