County Clerk

Petition for Road

To The Hon. Board of County Commissioners, of Gallatin County, Mont.:

THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents and freeholders in Road District No. four, in the County of Gallatin, State of Montana, and taxable therein for road purposes, when the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that a County Road _____ feet in width, to be a public highway, to be laid out, located and established, in said district be changed

And show

- (a) The general route of the proposed road change means SW
- (b) Over what lands it is proposed to be established changed to A Blanchard
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto. Consents to gain Right of Way
- (e) Who of them do not consent.
- (f) The probable cost of such right-of-way where such consent is not had.

(g) The necessity for and advantages of the proposed road as follows, to-wit:

Change
~~to the west~~ Change
 Commencing at the Jack Smith Bridge
 to the east side of the River to the Residence
 of H. G. Blanchard. Such a road is
 already passable, a little work
 hereafter would make a good Road.
 Cost would probably not exceed
 the cost of mowing Bridge and
 \$200.00

The present Bridge is old, and
 will have to be repaired at a cost which
 would construct the bridge at the
 end of the proposed change, and
 at the proposed place of construction
 of the new Bridge, the Bridge will
 be much shorter.

The present Road is cut into
 by the River at a number of places
 and will soon be impassable
 unless repaired at great cost.
