REPORT OF ROAD VIEWERS.

ROAD NO. 349

TO THE HONORABLE BOARD OF COUNTY COMMISSIONERS OF GALLATIN COUNTY, MONTANA:

We, the undersigned Road Viewers, consisting of Fred M. Brown, W. W. Jenny
and W. M. Carpenter

appointed to view a proposed road running from the west 1/4 corner of sec. 33 T. 2 N. R
1 E.

to the north east corner of section 35 T. 2 N. R. 1 E.

as described in the annexed petition, say, That on the _____ day of _____
A. D., 1 _____ we assembled at the place designated in the petition, as the starting point of such proposed
road and proceeded to view the same, and submit the following report:

1. The width of the proposed road, the description of the center line of the same, the length, how
defined, the marks and sources, grades, character of ground, description of the land and owners of the
same, over which the proposed road passes, and probable cost of constructing the said road, as follows:

The cost will range from \$500 to \$1000

2. The names of the land owners who consent to give the right of way, and we hereto attach their written consent, as follows:

.....
.....
.....
.....

3. The names of the land owners who do not consent, and the amount of damages claimed by each, as follows:

.....
.....
.....
.....
.....

4. The estimate of damages in excess of benefits to the owner of any land over which it is proposed to run the highway, as follows:

.....
.....
.....
.....
.....

5. The following facts, bearing upon the subject, which may be of importance to the Board:

There is at present but one rancher practically needs this road as all others along the route have access to a county road.

This one rancher needs to cross his neighbors to get to a county road and that is unencumbered land.

We believe said road not to be practical and not of public utility and necessity and do not recommend the establishment of the same.
