Honorable board of
County Commissioners
I will read the Board
Petition and I went and
seen Acosta and he said
he would not put his
name on the petition
but if the county would
give the posts and set them
he would put the wire on
and give twenty feet of
ground. so of course that is
all I can do is to tell

you what they will do.
hoping you will favor
is all you can.

Very Truly Yours
