ATTEST: _____

Petition for Road

To The Hon. Board of County Commissioners, of Gallatin County, Mont.:

THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents and freeholders in Road District No. 12, in the County of Gallatin, State of Montana, and taxable therein for road purposes, when the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that a County Road fifty feet in width, to be a public highway, to be laid out, located and established.

And show

- (a) The general route of the proposed road.
- (b) Over what lands it is proposed to be established.
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto.
- (e) Who of them do not consent.
- (f) The probable cost of such right-of-way where such consent is not had.
- (g) The necessity for and advantages of the proposed road as follows, to-wit:

Said proposed road to begin near the center of Section 21 Twp 2 S of R 3. east. thence to run west on the center line of said Section 21 a distance of about $\frac{3}{8}$ of a mile to the intersection of the public road extending in a northerly direction; thence in a south-westerly direction about $\frac{1}{8}$ of a mile to the intersection of the public road at a point in or near the west line of the south west quarter of said Section 21; the road on the center line of said Section 21, to be a strip 20 feet in width off of the North $\frac{1}{2}$ of said Section and a strip 30 feet in width off of the South $\frac{1}{2}$ of said Section for the distance of said proposed road on said line.

The SW $\frac{1}{4}$ of said Section 21, is owned by Benton Norris
 " NW $\frac{1}{4}$ " " " " " " " " John Fork

The necessity and advantage of the proposed road is, that the amount of public road in the above mentioned locality will be decreased, and shortened, there will be less road to maintain, and so much ground will not be occupied by roads.

And your petitioners request that all of the present county road in the south west quarter of said Sec 21, be vacated and that the proposed road be used in lieu thereof.
