County Clerk

Petition for Road

To The Hon. Board of County Commissioners, of Gallatin County, Mont.:

THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents and freeholders in Road District No. Seven, in the County of Gallatin, State of Montana, and taxable therein for road purposes, when the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that a County Road 100 feet in width, to be a public highway, to be laid out, located and established. **to establish a new road around the hill, on top of what is known**

And show **as the Bridger divide, about a half mile in length,**

- (a) The general route of the proposed road.
- (b) Over what lands it is proposed to be established. **Lon Davies**
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto. **they do.**
- (e) Who of them do not consent. **none**
- (f) The probable cost of such right-of-way where such consent is not had.
- (g) The necessity for and advantages of the proposed road as follows, to-wit:

The greater part of the winter and the spring months the present road is almost impassable, and the proposed new route would make a good road the year around, we are satisfied that much of the work to make the proposed change would be donated by parties who would receive a great benefit thereby.

The only restriction to the right a way is that the fence be moved and left in as good condition as it is now.
