County Clerk

Petition for Road

Change in width of road

To The Hon. Board of County Commissioners, of Gallatin County, Mont.:

THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents and freeholders in Road District No. Three, in the County of Gallatin, State of Montana, and taxable therein for road purposes, when the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that a County Road Sixty feet in width, ~~to be~~ a public highway, to be laid out, located, and established, be changed to forty feet in width.

And show

- (a) The general route of the proposed road.
- (b) Over what lands it is proposed to be established.
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto.
- (e) Who of them do not consent.
- (f) The probable cost of such right-of-way where such consent is not had.
- (g) The necessity for and advantages of the proposed road as follows, to-wit:

(a) Along the west and north sides of the S.E. quarter of section 19, township one north, range five east

(b) Same as at present

(c) James M. Moore of the part over which the change is asked for.

(d) Yes.

(e) None.

(f) No cost.

(g) As the route is entirely over good ground and therefore a forty foot right of way is ample for all road purposes, James M. Moore asks permission to set his fence west and north to within twenty feet of the west line and north line of said S.E. quarter of section 19, township one north, range five east.

The object in asking for this change is that James M. Moore may get the benefit of the land that is now in the right of way.
