To The Hon. Board of County Commissioners, of Gallatin County, Mont.:

THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents and freeholders in Road District No., in the County of Gallatin, State of Montana, and taxable therein for road purposes, when the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that a County Road 60 feet in width, to be a public highway, to be laid out, located and established.

And show

- (a) The general route of the proposed road.
- (b) Over what lands it is proposed to be established.
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto.
- (e) Who of them do not consent.
- (f) The probable cost of such right-of-way where such consent is not had.
- (g) The necessity for and advantages of the proposed road as follows, to-wit:

We would respectfully petition that road No 80. be changed and located further north, on the N.W. 1/4 of Section 4 T.35. R.4E. and constructed on an even and uniform grade ^{westward} from the foot of the hill and keeping below the crest of the hill and below the snow drifts which make the road impassable during the winter and spring. The hill on the road as it is at present is very steep and at times dangerous and as a large amount of grain will be hauled over said road, and the new bridge on the west Gallatin River and loaded at Atkins siding on the C.M. & P.S. Ry. We would respectfully request that the change be made
