Mr. F. B. Rebbins,  
Wilsall, Montana.

Dear Sir:-

Your letter to Mr. Frank regarding the road petition I sent him has been referred to me. I will take the matter up with the Commissioners at their next meeting if you return the petition.

I believe however that the people interested in this change will have to provide as good a road where the change is asked for as the County now has before the Commissioners will permit the closing of the present road.

Yours very truly,

County Surveyor.

Dear sir -

I am enclosing letter from Mr. Robbins regarding road change.

The proposition he makes seems fair as if I am not mistaken there is a bridge on the road to be abandoned that I think would have to be replaced this year.

This change would benefit a great many new settlers in the district I am.

Dear Sir

Yours of  
y<sup>th</sup> is at hand will say  
I think if the County  
will furnish the material  
for the bridges I will  
do my share of the work  
in putting them in that  
is about all that would  
be to do. I think we  
could get the people  
to help fill in on the  
sides don't you think so  
Yours Respectfully F B Robbing
