# Petition for Road

To The Hon. Board of County Commissioners, of Gallatin County, Mont.:

THE UNDERSIGNED, Your petitioners, Citizens of the United States, respectfully show and represent that they are residents and freeholders in Road District No....., in the County of Gallatin, State of Montana, and taxable therein for road purposes, when the road, hereinafter petitioned for, is to be located, laid out and established, if this petition be granted; that the proposed road is a public convenience, and, we think, the public good requires it.

Your petitioners do respectfully ask and petition that a County Road 30 feet in width, to be a public highway, to be laid out, located and established.

And show

- (a) The general route of the proposed road.
- (b) Over what lands it is proposed to be established.
- (c) Who are the owners thereof.
- (d) Whether such of them as can be found, consent thereto.
- (e) Who of them do not consent.
- (f) The probable cost of such right-of-way where such consent is not had.

(g) The necessity for and advantages of the proposed road as follows, to-wit: all in T.1.S.P.3.E.

(a) Beginning at the S.W. Corner of Section 36 & the S.E. corner of Section 35 thence northward along the line between these two sections to the N.W. Corner of Section 36 and the N.E. Corner of Section 35.

(b) John Schramck owns Section 36. John M. Dees owns Sec 35.

(c) Both owners consent.

(d) Right of way is donated

(e) Road is needed as an outlet to market for Bertel Kremer, Benepe, Watson et al. For the establishment of a Rural Delivery to serve more than 100 voters. And for the convenience of children in going to and from School as well as the public generally. Also as a means for the maintenance of peaceful relationship of the community. There are a number of ranchers who at present are compelled to go thru the fields of the owners of this property and considerable friction has developed on account of this. It would seem that the county should do so much as build this road as a peace measure to prevent the development of more friction

which may lead to violence.

Dear Sir

Enclosed find consent
