Petition For Road

No. 507....

To the Honorable Board of County Commissioners of Gallatin County, Montana:

Gentlemen:

We, the undersigned free holders of Road District No. One..... of Gallatin County, Montana, residing on or adjacent to the following proposed County Road, do hereby petition your honorable body to establish same as a County Road, beginning at... The crossing.....

where the present Yellowstone trail crosses the N P & Gallatin Valley road west of Logan, thence in a westerly direction & paralleling the Gallatin Valley Ry to the City of Three Forks being on the north side of said railway right of way the entire distance, and said road to be made a government project to be ultimately hard surfaced with cement. Our estimate for first cost not including the hard surface, but with the understanding that the government assume one half of preparing lands, granted for this purpose, as a serviceable graded highway.

We believe the cost of constructing this road will not exceed \$ 5000.00 exclusiv of bridge, there being no steep grades, few culverts, one bridges necessary on the route as proposed; the soil is adapted to road construction, and

We consider this road necessary for the convenience of public travel, and especially for the residents of this district, and further for the following reasons, viz:

that it will shorten trans continental highway, be protected at all times from water damage from Madison River by being built in lee of 2 Railway embankments. Induce Park to Park travel via Bozeman, Boulder, Helena & Glacier
