# Chapter 72, Thirteenth Session 1913, Sections 1-2-18

## CHAPTER IV

Section 1. Any ten, or a majority, of the free holders of a road district, taxable therein for road purposes, may petition in writing, the Board of County Commissioners to, establish, change or discontinue any common highway therein. When such a highway is petitioned for upon the dividing line between two counties, the same course must be pursued as in other cases, except that a copy of the petition must be presented

to the Board of County Commissioners of each County, who may appoint viewers to act jointly and the viewers so appointed must report their findings to both Boards.

Section 2. The petition must be set forth and describe particularly the highways to be abandoned, discontinued, altered or constructed, and if the same is to be altered, laid-out or constructed, the general route thereof, over what lands, who are owners thereof, whether

such of them as can be found consent thereto, and if not the probable cost of the right-of-way, where consent is not had, the necessity for, and advantage of the proposed road.

Section 18. Highways must be laid out and opened when practicable or upon subdivision or section lines, Provided, however, that the section shall not be construed to prevent oads being laid out on diagonal lines when public purposes shall be best subserved thereby.

Road Dist. No. **18**.....

Proceedings of County Commissioners on Petition  
for Closing the road running from  
Holloways; also one to close  
the road from Holloways  
north.

The following proceedings in reference to the above  
were done to-wit:

Extra session, Tuesday, May 17, 1927:

A petition having been brought to this office to close the road  
running from Holloway's west, signed by Ray Holloway's and others.  
Also one to close a road from R. Holloway's north, signed by J.  
Kiefer and others. The Board appointed Commissioner Morgan and the  
County Surveyor as viewers on both roads.

Extra session, Tuesday, September 13, 1927:

Viewers' report on closing roads No. 552 and No. 553 was received  
as follows:

VIEWERS' REPORT ON ROAD PETITIONS NO.  
552 and No. 553.

We, your viewers, appointed to view the locations of the roads  
proposed to be closed by Petitions No. 552 and No. 553 wish to  
report as follows:

(1) That we have viewed the locations of the roads proposed to  
be closed.

(2) That we make the following recommendations:-

That the road described in Petition #553 be closed and that  
the road described in Petition #552 remain open.

Our reasons are as follows:

The main purpose that either of these roads serve is as an  
outlet for the Ray Holloway farm. Mr. Holloway desires that the  
road described in Petition #552 be left open as it gives him an  
outlet on the gravel road much nearer Bozeman than the other  
road would provide. Furthermore, by closing the road described  
in Petition #553, the county could eliminate a large irrigation  
ditch culvert at the west end of said road, said culvert now  
being in bad condition, so that it will have to be replaced at  
considerable expense in case the road is left open.

Respectfully submitted,

S. D. Waldorf

The above report was adopted and Road #553 ordered posted for  
closing and hearing set for October 17, 1927.

#2

Extra session, Monday, October 17, 1927:

Time having arrived for hearing on closing Road No. 553, Mr. John Kiefer and Mr. H. H. Faber met the Board and stated that they did not wish to protest the closing of Road No. 553 but still insisted that Road No. 552 should be closed.

Inasmuch as there was no protest against closing Road #553, on motion made and carried the Board hereby ordered Road No. 553 closed east to Ray Holloway's gate.
