Petition For Road

No.....

To the Honorable Board of County Commissioners of Gallatin County, Montana:

Gentlemen:

We, the undersigned free holders of Road District No. 11 of Gallatin County, Montana, residing on or adjacent to the following proposed County Road, do hereby petition your honorable body to establish same as a County Road, beginning at Near the south east

corner of the north east quarter of Sec. 5, Twp. 2S, R2E, and running near the draw in a southeasterly direction to the line between sections 4 and 9 about 40 rods east of the south west corner of Sec. 4, then in a southwesterly direction to the line between sections 8 and 9 then south to the south west corner of Sec. 9, then east to join the road near the north west corner of Sec. 15.

We believe the cost of constructing this road will not exceed \$..... there being steep grades, culverts, bridges necessary on the route as proposed; the soil..... adapted to road construction, and

We consider this road necessary for the convenience of public travel, and especially for the residents of this district, and further for the following reasons, viz:

This road will make it possible to extend R.F.D. No. 1 from Three Forks to accommodate the residents along this road and also the residents along the Elk Creek road

Chapter 72, Thirteenth Session 1913, Sections 1-2-18

CHAPTER IV

Section 1. Any ten, or a majority, of the free holders of a road district, taxable therein for road purposes, may petition in writing, the Board of County Commissioners to, establish, change or discontinue any common highway therein. When such a highway is petitioned for upon the dividing line between two counties, the same course must be pursued as in other cases, except that a copy of the petition must be presented

to the Board of County Commissioners of each County, who may appoint viewers to act jointly and the viewers so appointed must report their findings to both Boards.

Section 2. The petition must be set forth and describe particularly the highways to be abandoned, discontinued, altered or constructed, and if the same is to be altered, laid-out or constructed, the general route thereof, over what lands, who are owners thereof, whether

such of them as can be found consent thereto, and if not the probable cost of the right-of-way, where consent is not had, the necessity for, and advantage of the proposed road.

Section 18. Highways must be laid out and opened when practicable or upon subdivision or section lines, Provided, however, that the section shall not be construed to prevent oads being laid out on diagonal lines when public purposes shall be best subserved thereby.
