We, W. C. Papke, Acting County Surveyor of Gallatin County,  
and C. W. Cramer, County Commissioner of Gallatin County,  
State of Montana, viewed the road described in Road Petition  
No. 608;

"That portion of the County Road which is on the line  
between Sections 34 and 35, T 2 N., R. 1 East and being  
south of U. S. No. 10 and north of the C. M. St. P. &  
P. Railway. Said portion of Road being west of Three Forks  
overpass and being 3200 feet long, more or less."

We found, (1) that the road had a wire gate across it at both  
ends, (2) that there are no families or persons living adjacent  
to said road (3) that the road has not been traveled on during  
this year and 4th that there sufficient roads in the vicinity  
to get to and upon said land adjoining said road:

Now in view of the foregoing facts, We recommend that the  
above mentioned road be closed and abandoned

Attention: Mr. Allen T. Hargrove

Gentlemen:

I received your registered letter dated September 14, in regard to Road Petition No. 608.

If the abandonment of this road would decrease the value of my property, I would certainly object to such a procedure.

However it has been a great many years since I resided in Montana, and I am not familiar with the present conditions.

I have five acres of land, described as the North 1/2 of Lot 11 in the 1st Subdivision of part of Section 35 in Township 2, North, Range 1 East of the Montana Meridian.

Yours very truly

(Mrs.) Agnes Goders

Yours Truly,

NOTICE TO PETITIONERS AND ADJOINING LAND OWNERS

ROAD PETITION NO. 608

This is to notify you of the action taken by the Board of County Commissioners on Road Petition No.608.

Due to the fact that this road is the only entrance to a group of Lots in Adams Investment Company First Subdivision adjoining the Town of Three Forks, Montana, and closing this road would isolate three parcels of land not owned by any Petitioner, the Board has unanimously agreed to leave the road open.
