VIEWERS REPORT

W. C. Papke, a registered land Surveyor in the State of Montana, being qualified to act as a member of a Board of Viewers and Ralph Armstrong, County Commissioner of Gallatin County, State of Montana, having been appointed as a Board of Viewers for Road Petition No. 631, viewed said road on February 18, 1963 and wish to report:

"We examined said Petition No. 631 and find it to have sufficient signatures. We found that there are no people living along either side or adjacent to said Road, and that there is absolutely no use for the road described in the Petition No. 631. However, we found that there is one drainage structure (an 18" galvanized pipe) across said road, which could be taken up and used elsewhere. Upon further examination we found that this road is not used for School Bus Route or for Mail Route. We wish that the road be vacated and closed, thus relieve Gallatin County from further maintenance and responsibility of said Road."
