Mr. Ralph G. Page  
Three Forks, Montana

Dear Mr. Page:

This is to inform you that the Viewers of Road Petition No. 634, namely Ralph Armstrong and Bill Papke, reported to the Board of County Commissioners that this road remain open.

However, after discussing this matter with Harold Murdock of the Montana Power Company, we are of the opinion that a satisfactory solution is possible.

If an agreement with the Montana Power Company and you, as the owner of real estate in this area, is worked out satisfactory to all parties involved including Gallatin County, the Board may grant the request of the petitioners.

Should you work out an agreement, would you please show it to us when it is completed?

Very truly yours,

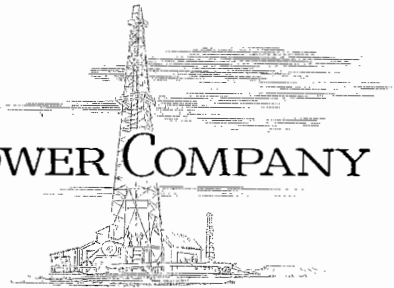

BOARD OF COUNTY COMMISSIONERS

Mr. Harry Droge, Chairman  
Board of County Commissioners  
Court House  
Bozeman, Montana

Dear Harry:

We have agreed on this date to allow Mr. Ralph Page of Three Forks to install a gate with a Montana Power Company padlock at the south end of his property, which is now used as a county road. Mr. Page has agreed to convey to us the roadway past the Montana Power gate station at the south end of his property by means of a warranty deed. He has also agreed to obtain a right-of-way easement for us from the heirs of Mr. Albro.

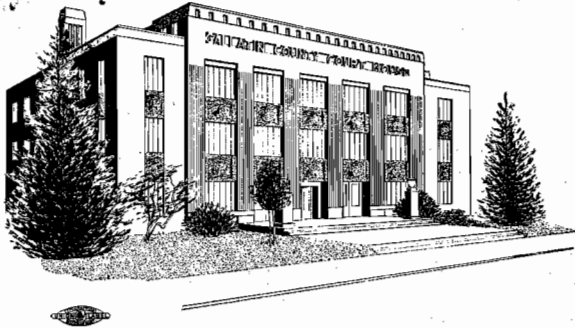

As far as we are concerned, this will satisfactorily allow us to maintain our gate station and gas lines that are in this area. As soon as we have prepared the warranty deed and the right-of-way easements, we will send them to Mr. Ray Bacon to have Mr. Page process them. It will be satisfactory, as far as we are concerned, to close this road as soon as possible.

Very truly yours,

Herold E. Murdock

### VIEWERS REPORT

W. C. Papke, a registered land surveyor in the State of Montana, being qualified to act as a member of a Board of Viewers and Ralph Armstrong, County Commissioner of Gallatin County, State of Montana, having been appointed as a Board of Viewers for Road Petition No. 634, viewed said Road on the 25th day of August, 1964, and wish to report:

"We examined said Petition No. 634 and find it to have insufficient signatures - one freeholder adjoining said road has not signed said Petition. We found that there are no people living along said road described in said petition; that there is another County Road in the area that serves the same purpose, if this road was closed. We agreed that this road remain open for reason above stated."
