PETITION NO 642

PETITION FOR ABANDONMENT AND
ESTABLISHMENT OF COUNTY ROAD

THE UNDERSIGNED, THE GALLATIN COUNTY AIRPORT BOARD,
hereby respectfully petitions the BOARD OF COUNTY COMMISSIONERS of
Gallatin County, Montana to abandon and discontinue the following
county road, as follows:

The following lengths of county road beginning
at the corner common to Sections 5, 6, 7 and 8,
T.I.S., R. 5 E., M.P.M, Gallatin County, State
of Montana, more particularly described as
follows:

Section No. 1 beginning at the said corner 0
common to Sections 5, 6, 7 and 8, thence No
05'E, 1027.0 feet along the section line common
to Sections 5 and 6.

Section No. 2 beginning at the said corner common
to Sections 5, 6, 7 and 8 thence S 89°14'W, 1616.6 feet
along the section line common to Sections 6 and 7.

Section No. 3 beginning at the said corner common
to Sections 5, 6, 7 and 8 thence S 0°08'W, 2560.0
feet along the Section Line common to Sections 7
and 8.

Section No. 4 beginning at the said corner common
to Sections 5, 6, 7 and 8 thence N 89°34'E, 998.1 feet
along the section line common to Sections 8 and 5.

And the said Petitioner hereby respectfully petitions
the County Commissioners to establish the following described county
road, to-wit:

The following lengths of county road situated in
Sections 5, 6, 7 and 8, T.I.S., R. 5E M.P.M. Gallatin
County, State of Montana, more particularly described
as follows:

Section No. 1: Beginning at a point on the west line
of said section 5, which point bears N 0° 34'W, 1141.3
feet from the SW corner of said section, thence S 44°
21' E, 1584.2 feet to a point on the south line of
said section 5, which point bears N 89° 34' E, 1109.1 feet.

Section No. 2: Beginning at a point on the North-
easterly shoulder of Old U. S. Highway No. 10, which
bears South 3803.5 feet and West 1,533.1 feet of
the Northeast corner of said section 7; thence N 36°
19'E, 926.4 feet; thence along a 5 degree curve to
the right, 1066.7 feet; thence N 89°51'E, 1988.5 feet;
thence along a 8 degree curve to the left, 1155.2 feet;

thence N 2° 34'W, 941.8 feet; thence along a 8 degree curve to the left, 502.1 feet, thence along a 20 degree curve to the right, 650.8 feet to a point which bears North 39.2 feet and East 2604.4 feet from the Northwest corner of said Section 8.

The reasons for the establishment of and the abandonment of said county roads are as follows:

1. That the road to be abandoned is at present a county road, lying easterly of the Gallatin Airport Field located near Belgrade, Gallatin County, Montana, and the portion and description of the new county road to be established will be in the same general vicinity, however, it will be routed to facilitate the expansion of the Gallatin County Airport field.

2. That the general route of the abandoned road is as set out in the first description herein described and the general route of the new county road is as set out in the second description hereinabove described.

3. That the lands and owners affected by the said changes in the road are the Gallatin County Airport Board, over whose land the road now passes and crosses.

4. That the owners of said land, The Gallatin County Airport Board, can be found and hereby consent to the discontinuance and establishment of the new county road as heretofore set out.

5. That the necessity for and the advantage of the petitioned action is that the old county road as described and now established as lying easterly of the Gallatin County Airport field, interferes with the extension of said field and it is necessary to change said road to lie around the general description set out above under the new county road in order that the Gallatin Airport Field may be extended SIXTY-FIVE HUNDRED FEET (6500) for the landing of jet aircraft; that said abandonment of the presently located county road and the establishment of the new county road will be for the best interest of the citizens of Gallatin County, Gallatin County

Airport and the people who use the present facilities at Gallatin Field.

WHEREFORE, your Petitioner prays that the Commissioners of Gallatin County abandon said county road as set out in the first description above and establish a new county road as set out in the second description above.
