Dear Sir:

I, Earl R. Best, Civil Engineer, and Clifford L. Pasha, County Commissioner as members of the Board of Reviewers do hereby certify, that we, on October 23, 1969, viewed the area described in Petition No. 646.

We, hereby, recommend that no portion of First Street or Central Avenue be abandoned, as First Street must serve as an access to Birch Street, and future plotting north may require access from Central Avenue. It is, therefore, recommended by this Board that this Petition to Abandon Road be rejected.

Sincerely,

Earl R. Best
