Board of County Commissioners
Gallatin County, Montana

Dear Board,

On November 8, 1991, the undersigned being duly appointed as viewing committee, viewed a portion of Sebena Road located in Sections 2 and 3, Township 1 North, Range 1 East, P.M.M., Gallatin County, Montana, which has been petitioned to be abandoned.

The viewing committee toured Old Yellowstone Road, Lane Road, Hassakker Road, and Sebena Road. We observed a home on Hassakker Road and a trailer on the northwest side of the runway on Sebena Road. When considering the location of homes, no owners would experience extreme inconvenience if the petition were granted.

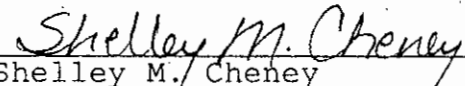

Sebena Road is presently in bad condition, but County Road Superintendent Sam Gianfrancisco explained the County was currently in the process of working on the road. The portion of road which is petitioned to be abandoned is a dirt road, minimally maintained, and appears that the expansion of the runway will necessitate the abandonment of Sebena Road.

It does not appear that any landowner would become landlocked, nor any access to public lands be denied if the petition were granted.

Sincerely,

Deb Berglund

Petition to Abandon Roadway
along the common section line
between Sections 2 & 3 T 1 N-R 1 E
the tract being 1.32 acres, a part
of Sebena Road as it now lies.

Matter scheduled for hearing
December 17, 1991 @ 1:30 pm

Dear Commissioners:

We have owned property on Haassakker Road ,approximately 148 acres in the Southeast Quarter of Section 34 - Township 2 North- Range 1 East , since early summer 1974. We are directly affected by and seriously concerned about the proposal to close a part of Sebena Road south from its intersection with Haassakker Road.

We protest this closing as an unnecessary inconvenience to ourselves and as a waste of Gallatin County taxpayer's road money.

We note the November 8th 1991 report of the viewing committee which described this road as " a dirt road in bad condition." Others have called that part of Sebena Road " a dirt road, minimally maintained ". The fact remains , however, that this road proposed for abandonment is the ONLY ALL WEATHER ROAD providing passage east from our property to the paved Three Forks- Willow Creek Road.

Sebena road, south from the common corner of Sections 34 & 35-T 2 N- R 1 E and Sections 2 & 3 , T 1 N- R 1 E, though "minimally maintained" , has been improved for the seventeen years of our ownership and, I believe , was maintained from at least the early 1950s to 1991 .During those forty years of effort and expenditure of taxpayer money, a crown and underlying base has been built. It is now proposed to throw away this road bed and substantial investment of public money with the stroke of a pen.

We are offered in return ,as a passage to the East, Airport Road. Airport Road, after rain, is impassible. We wonder if the viewing committee is aware of this problem.

We are told that, within the past few weeks, Airport Road has been minimally improved. Some gravel has been sprinkled about and perhaps a little scraping here and there has been done. This would be the first step toward building a crown and base on this road; we have another half century to go before Airport Road will be comparable to the southern part of Sebena Road.

We believe that the County Commissioners need to study the roads further in this area and at the same time consider carefully the frequent users of these roads. Much support for this closure will no doubt appear at the hearing, but many of these supporters are, at best, very infrequent users of this road.

Very truly yours,

Joan B. Shepardson
