8. The necessity for and advantage of the abandonment of the road are as follows: We desire to relocate the existing R.O.W. in a more practical & logical location. Existing Row crosses relatively unbuildable terrain, ~~is~~ 300' within the boundary of Eagle Rock Reserve and duplicates 2 existing R.O.W.s which are located 300' to the North. In order to avoid construction problems associated with the existing R.O.W. Surrounding land owners have purchased private easements along the N. Boundary of Tract D-2, Cas 10-D. We would propose that the County R.O.W. be placed & along side those existing private easements there by consolidating the potential R.O.W.s.

The undersigned state that they are owners of real property in the Gallatin County road district which is taxable for the county general road tax. If more than 10 freeholders sign, use additional pages.

Board of Gallatin County Commissioners  
311 W. Main, Room, 301  
Bozeman, MT 59715

Dear Board;

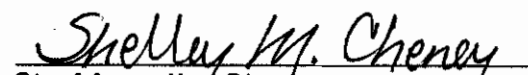

On August 27, 1992, the undersigned, being duly appointed as viewing committee, viewed a portion of Tayabeshockup Road located within Section 28, Township 2 South, Range 6 East, M.P.M., Gallatin County, Montana, which has been petitioned to be abandoned by road petition Number 753.

The viewing committee observed the following:

1. Starting at the South 1/4 corner of Section 28, Township 2 South, Range 6 East, none of the county road has been built.
2. If the road were abandoned it would land-lock an owner and leave 1/4 mile of county road inaccessible.
3. The proposed alternative, as mentioned in the petition, will allow access to all properties and connect the 1/4 mile county road.
4. Although all areas are hilly, if the road were to be built as written in the petition, the road would have to go over the steepest gully in the area.
5. When considering extensions of roads as connectors in the future, the committee observed that "S" curves rather than sharp corners would allow a better flow of traffic.

Sincerely,

  
Deb Berglund  
County Commissioner

DECISION CONCERNING PETITION TO ABANDON COUNTY ROAD  
NAME OF COUNTY ROAD: A portion of Tayabeshockup Road

THIS RESOLUTION was introduced by Deb Berglund, Commissioner, moved by Deb Berglund, Commissioner, and seconded by A. D. Pruitt, Commissioner. The resolution was passed unanimously and adopted.

WHEREAS, a Petition to Abandon County Road was filed requesting that a portion of Tayabeshockup be abandoned; and

WHEREAS, on July 28, 1992, the Gallatin County Clerk and Recorder reported to the Gallatin County Commissioners that the petition contained sufficient signatures as required by Section 7-14-2601, MCA; and

WHEREAS, the County Commissioners were advised at the meeting on July 28, 1992, that the petitioners proposed to change the location of the road and not to abandon the road. Therefore, the County Commissioners treated the petition as one to alter or change the road as authorized by Section 7-14-2601, MCA; and

WHEREAS, on July 28, 1992, the County Commissioners appointed a committee consisting of one county commissioner, the county surveyor and road supervisor to investigate the feasibility and desirability of granting the request of the petitioners; and

WHEREAS, on September 1, 1992, the County Commissioners conducted a public hearing, after notice, on the petition and the results of the investigation; and

WHEREAS, attached Exhibit "A" shows the present portion of the road (road = \\\) and attached Exhibit "B" shows the proposed change in the road (change = \\\).

NOW, THEREFORE BE IT RESOLVED:

1. Based on the petition, results of the investigation and information presented at the public hearing the Gallatin County Commissioners conclude that the decision made herein is in the best interests of the county and feasible and desirable for the use and benefit of the public for the following reasons:

The proposed alternate route will allow access to all properties and connect the 1/4 mile county road. Although all areas are hilly, if the road were to be built as presently existing, the road would have to go over the steepest gully in the area. When considering extensions of roads as connectors in the future, the committee observed that "S" curves rather than sharp corners would allow a better flow of traffic.

2. A portion of Tayabeshockup Road located within Section 28, Township 2 South, Range 6 East, M.P.M., Gallatin County, Montana, as shown on Exhibit "A" is changed and moved to the location and description as shown on Exhibit "B" upon the condition that the owner of Tract D-2 of Certificate of Survey No. 10D deed to Gallatin County, Montana, a right-of-way for the county road as shown in Exhibit "B".

3. Within ten (10) days from the date that this resolution is adopted the Clerk and Recorder shall send a copy of this resolution by certified mail to all owners of land abutting on the road. The owners shall be those listed on the last county assessment roll.

4. The Clerk and Recorder shall notify the county road supervisor by furnishing a certified copy of this resolution to the supervisor.
