RE: abandonment of a portion of Baseline East Road located on the section line between Section 32, T1N, R5E and Section 5, T1S, R5E.

Dear Board,

The undersigned, being appointed as viewing committee, viewed the area described to be abandoned in Road Petition #791 on March 26, 1999.

Baseline East Road is a road by use. It is not a petitioned county road. A survey located in the County Road Book indicates that the road width is 27 feet wide on the north side and 15 feet wide on the south side. The section line is the center line of this road.

The portion of road that has been petitioned to be abandoned has not been constructed. If it were constructed it would stop in the middle of a field. The closest road to connect is approximately  $\frac{3}{4}$  of a mile to the east and the Gallatin River runs in between. The County does not have any easements to construct the road to the eastern connector.

It does not appear that anyone would become land-locked nor access denied to public lands if the abandonment were granted.

Sincerely,
