PETITION TO ABANDON A PORTION OF MONFORTON SCHOOL ROAD

COMES NOW the undersigned, being ten freeholders in Gallatin County, Montana, and petition the Gallatin County Board of Commissioners, pursuant to Section 7-14-2601, MCA, to grant the following relief:

1. To abandon that portion of Monforton School Road described in Exhibit A attached hereto and incorporated herein by reference.

The general route of Monforton School Road sought to be abandoned is described in Exhibit A attached hereto and incorporated herein by reference.

All of the owners affected by this Petition who have consented have signed the Petition. All of those owners affected who do not consent are listed in Exhibit B attached hereto and incorporated herein by reference. Since this is a petition to abandon, no cost of right of way need be paid to the affected landowner who does not consent.

This Petition is made upon the grounds and for the reasons that:

1. Ken and Nancy Flikkema have proposed a major subdivision of real property adjacent to Monforton School Road and on its eastern boundary. The major subdivision of said real property contemplates the realignment of Monforton School Road. Said realignment would move the Monforton School Road to the east and

thereby eliminate its current route which bisects property owned by the Monforton School District.

2. The elimination of Monforton School Road's bisection of Monforton School District property benefits the District by creating a unified tract of real property. The unified tract of real property allows for the design and construction of a campus improving the safety of the children in the district.

Petition for Abandonment
My File No. 9969-4

Dear Eric:

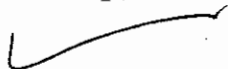

My purpose in writing is to follow up our recent telephone conversation concerning the above-referenced matter. At that time, I advised you that I represent Monforton School District. You may communicate with me in connection with all issues that might arise concerning its most recent Petition for Road Abandonment that was filed with you.

Pursuant to your request, I am enclosing copies of Exhibits A and B to that Petition. I ask that you please affix them to it.

Second, I am providing you with a copy of the letter the School District sent to all neighbors advising them of their intention to move forward. No one has asked that their name be withdrawn from the Petition. As a result, we have not recirculated it for signature.

I look forward to working with you on this matter.

Sincerely,

Michael J. Lilly

Subject: Monforton Road Abandonment-Petition No. 829

All-

A Petition was filed in 2007 and not acted on. Viewers were appointed but did not give their report as no hearing on the Petition has been set. The law sets no time frames for a hearing on the Petition.

If the Commission elects to put the Monforton Road Abandonment on its agenda in the near future it should do so no earlier than June 29, 2010.

By the time the matter is heard no formal procedure will be required due to the proposed rescission of the procedure and therefore the statute and case law should prevail.

Therefore I recommend the following take place before the 29th of June:

- 1) Notice of the Hearing on the Petition be prepared immediately with a diagram showing the area of the road to be abandoned.
- 2) No later than Friday May 28, 2010 the notice be posted in at least five public places, including but not limited to public buildings and on the road between Huffine north to Baxter.
- 3) Notice to be published in the Bozeman Chronicle on June 20 and June 27
- 4) Notice be certified mailed to all adjoining property owners to the road from Huffine north to Baxter.
- 5) Normally published Press Release before the June 29th meeting.
- 6) No less than 10 of the original petitioners reaffirm their request to abandon in writing (Mike Lilly)
- 7) The viewing committee revisit the site one more time before they draft their report under the law.
- 8) Viewing committee complete their report for the public by June 23

Please contact me if you have any questions. I will contact you if any tweaks to this process need to take place. Thanks.

RE: Petition to abandon a portion of the Monforton School Road.

Legal Description: A portion of Monforton School Road, a sixty foot-wide County Road easement the centerline of which is described as follows: Beginning at the south east corner of Lot 12 as shown in the Amended Plat G-41-A; Thence along the east line of the West Half of the Southeast Quarter of Section 12, Township 2 South, Range 4 East, Principal Meridian Montana, South 00°55'26" West, a distance of 637.98 feet more or less to the Southeast Corner of lands of Monforton School District Number 27, also being the Southeast Corner of the Northwest Quarter of the Southeast Quarter of said Section 12 to the terminus of the portion of road to be abandoned.

Dear Board,

According to M.C.A. §7-14-2603 the Board of County Commissioners shall cause an investigation to be made of the feasibility, desirability, and cost of granting the prayer of the petition. The investigation shall be sufficient to properly determine the merits or demerits of the petition.

On Friday, April 24, 2009 and again on Tuesday, June 15, 2010, the undersigned met to view the road being petitioned for abandonment. Monforton School Road is a paved county road that runs between Huffine Lane and Baxter Lane. The portion being petitioned for abandonment is that portion adjacent to the Monforton School Property which is the middle section of Monforton School Road. Monforton School owns the west side of the abandonment, and Circle F, LLC owns the east side.

On Huffine Lane, just east of Monforton School Road, Circle F Trail runs through the Middle Creek Parklands subdivision and intersects with Monforton School Road. Circle F Trail could be considered an alternative route for traffic traveling between Huffine Lane and Monforton School Road north of the school.

A section of that road runs through property owned by Monforton School District #27, but at the time of the view, Gallatin County did not have a recorded document granting the easement for that section of road.

There are no properties that would be land locked by this abandonment.

Respectfully submitted,

Steve White, County Commissioner

RESOLUTION NO. 2010- 078A RESOLUTION MADE PURSUANT TO ROAD ABANDONMENT PETITION
NO. 829 TO ABANDON A PORTION OF MONFORTON SCHOOL ROAD

This Resolution was introduced by Charlotte Mills, C&R; moved by
Commissioner Murdock and seconded by Commissioner White.
This Resolution was adopted unanimously.

WHEREAS, the Gallatin County Clerk and Recorder received a Petition on April 21, 2009, to abandon a portion of Monforton School Road located in Section 12, Township 2 South, Range 4 East, P.M.M.(hereinafter referred to as the "Road"), pursuant to Title 7, Chapter 14, Part 26 Montana Code Annotated; and

WHEREAS, the Road is described as a portion of Monforton School Road, a sixty foot-wide County Road easement the centerline of which is described as follows:
Beginning at the south east corner of Lot 12 as shown in the Amended Plat G-41-A;
Thence along the east line of the West Half of the Southeast Quarter of Section 12, Township 2 South, Range 4 East, Principal Meridian Montana, South 00°55'26" West, a distance of 637.98 feet more or less to the Southeast Corner of lands of Monforton School District Number 27, also being the Southeast Corner of the Northwest Quarter of the Southeast Quarter of said Section 12 to the terminus of the portion of road to be abandoned; and,

WHEREAS, upon acceptance of the Petition, the Clerk & Recorder assigned the Number 829 to the Petition; and,

WHEREAS, the Petition states "This petition is made upon the grounds and for the reasons that: 1. Ken and Nancy Flikkema have proposed a major subdivision of real property adjacent to Monforton School Road and on its eastern boundary. The major subdivision of said real property contemplates the realignment of Monforton School Road. Said realignment would move the Monforton School Road to the east and thereby eliminate its current route which bisects property owned by the Monforton School District. 2. The elimination of Monforton School Road's bisection of Monforton School District property benefits the District by creating a unified tract of real property.
