

To the Honorable Board of Commissioners of Gallatin County, Montana:-

We the undersigned resident tax-payers of Gallatin County, Montana, hereby petition your honorable body to open and put into condition for travel, the county road known as the West Gallatin Road from the mouth of Squaw Creek to the National Park line, and with that end in view that you order bids to be made for the construction of said road and upon the coming in of said bids that a contract for such work be let. We further show that we are informed and believe that a contract can be let for the construction of said road for an amount not exceeding \$10,000.00 to a resident of this county who is in every way reliable and will furnish good and sufficient bonds.
